The Member for Exploits (P. Forsey) gave notice they would on tomorrow move the following resolution:

**WHEREAS** Crown Lands' application of the provisions of the *Lands Act* abolishing squatters' rights against the Crown has, in some cases, resulted in challenges to the claims of Newfoundlanders and Labradorians who honestly, and in good faith, have occupied and developed their lands;

**AND WHEREAS** some historical titles in Newfoundland and Labrador trace back centuries, and are relied upon by the public, but are not accepted by the Crown;

Monday, May 27, 2024

**AND WHEREAS** people have occupied their lands for generations based on informal title without a grant from the Crown;

**AND WHEREAS** some people have strong local community support for their claims of title, but do not have clear title from Crown Lands;

**AND WHEREAS** some municipalities maintain records of land ownership that are not considered by the Crown in determining title claims;

**AND WHEREAS** some applicants for Crown Lands access are frustrated by wait times for their applications to be resolved, even for land which has long been occupied;

**AND WHEREAS** the policies and practices of the province's Crown Lands Division are impeding economic development in Newfoundland and Labrador and imposing high costs upon the public;

**AND WHEREAS** this issue impacts potentially thousands of Newfoundlanders and Labradorians;

**THEREFORE BE IT RESOLVED** that this Honourable House urge the government to move expeditiously to bring forward legislative amendments to ensure fair reconciliation of existing claims for people seeking title to the land they have occupied in good faith for generations and which is recognized within their communities; and to take steps in the interim to address Crown Lands' actions against occupied properties in the province.

Pursuant to Standing Order 63(3), the Opposition House Leader (B. Petten) announced the resolution introduced by the Member for Exploits (P. Forsey) will be the one presented on Wednesday, May 29.
