### BACKGROUND

Since its establishment in 2007, the Commission has issued a number of Directives respecting the *Members' Resources and Allowances Rules* (the Rules). Directives are circulated to all Members for inclusion in Tab 12 of the Members' Resources and Allowances Rules Manual.

Due to the large number of Directives issued, a review was done of all existing Directives to identify those which could be incorporated directly into the Rules. At its June 7, 2011 meeting, the Commission approved the proposed amendments incorporating the identified Directives into the Rules. As a result of the Rule amendments, these Directives are no longer required. **CM 2011-027 refers.**
