

## Members' Attendance in the House of Assembly

Section 13 of the *House of Assembly Accountability, Integrity and Administration Act* requires that a Member (excluding the Premier, the Leader of the Official Opposition and the Leader of a Third Party) attend the House of Assembly when it is sitting, but outlines acceptable reasons for a Member's absence, such as:

- sickness of the Member;
- adoption, pregnancy or parental leave as established by directive;
- a serious illness related to the Member's family;
- bereavement;
- attendance at a meeting of a committee of the House of Assembly, the Commission or a committee of the Commission;
- attendance to duties as a Member of a caucus, attendance to constituency business, or attendance to ministerial duties; and
- other circumstances as approved by the Speaker.

By January 31 of each year, a Member is required to file with the Clerk a declaration under oath or affirmation of his or her attendance while the House of Assembly was sitting in the previous year. Dates of any absences and an explanation for those absences must be provided.

A deduction in the amount of \$200 is made from the Member's salary for each day the Member was absent from a sitting of the House of Assembly for a reason other than those provided for in the legislation.

In its report Review of MHA Salaries, Allowances, Severance Payments and Pensions, the Members' Compensation Review Committee recommended that a copy of each Member's Declaration of Attendance in the House of Assembly as required by subsection 13(5) of the *House of Assembly Accountability, Integrity and Administration Act* should be posted on the House of Assembly website. The Committee subsequently agreed that a table summarizing Members' attendance would be an acceptable alternative.

In response to this recommendation, the House of Assembly Management Commission, at its March 24, 2010 meeting, amended the House of Assembly Publication Scheme to provide that an annual summary of Members' attendance in the House of Assembly be placed on the House of Assembly website.

The following table is the first such report to be posted in response to this recommendation. The report is a summary of all Members' attendance, including those who resigned or were elected during the reporting period January 1 to December 31, 2009. The House of Assembly had 43 sitting days during this period.
