

Members' Attendance in the House of Assembly

Section 13 of the *House of Assembly Accountability, Integrity and Administration Act* requires that a Member (excluding the Premier, the Leader of the Official Opposition and the Leader of a Third Party) attend the House of Assembly when it is sitting, but outlines acceptable reasons for a Member's absence, such as:

- sickness of the Member;
- adoption, pregnancy or parental leave as established by directive;
- a serious illness related to the Member's family;
- bereavement;
- attendance at a meeting of a committee of the House of Assembly, the Management Commission or a committee of the Commission;
- attendance to duties as a Member of a caucus, attendance to constituency business, or attendance to ministerial duties; and
- other circumstances as approved by the Speaker.

By January 31 of each year, a Member is required to file with the Clerk a declaration under oath or affirmation of his or her attendance while the House of Assembly was sitting in the previous year. Dates of any absences and an explanation for those absences must be provided. A deduction in the amount of \$200 is made from the Member's salary for each day the Member was absent from a sitting of the House of Assembly for a reason other than those provided for in the legislation.

The following table provides a summary of the attendance of all Members of the House of Assembly, including those who resigned or were elected during the reporting period January 1 to December 31, 2011. The House of Assembly had 34 sitting days during this period.
