## **Overview of the Advisory Board and Ireland Business Partnerships**

Ireland Business Partnerships (IBP) was established in 1997 as a public/private partnership between the private sector and the Government of Newfoundland and Labrador. The organization was established in response to the signing of the Memorandum of Understanding (MOU) between the Governments of Newfoundland and Labrador and Ireland in 1996.

In 2004, Premier Williams and Irish Taoiseach (Prime Minister) Bertie Ahern re-signed the MOU between the Governments of Newfoundland and Labrador and Ireland reaffirming the relationship. In the same year, the Provincial Government moved IBP under the Department of Innovation, Trade and Rural Development (INTRD).

INTRD provides IBP with two staff positions, an Executive Director and an Industrial Development Officer. The department also provides IBP with its budget allocation.

A volunteer Advisory Board, appointed by the Premier, advises IBP on strategic directions and provides policy advice. The board is currently comprised of 14 individuals with a variety of backgrounds from various regions of the province. The board meets quarterly, with various sub-committees meeting regularly to work on specific priority areas.

#### **Strategic Directions**

Strategic directions are the articulation of desired physical, social and or economic outcomes and normally require action by more than one government entity. These directions are normally communicated by government through platform documents, Throne and Budget speeches, policy documents, and other communiqués. The *Transparency and Accountability Act* requires departments and public bodies to take into account these strategic directions in the preparation of their performance-based plans. This action will facilitate the integration of planning practices across government and will ensure that all entities are moving forward on key commitments.

A full list of Strategic Directions for the Department of Innovation, Trade and Rural Development can be found in the Department's Strategic Plan. To view a copy, please visit <a href="http://www.gov.nl.ca/intrd/strategicplan.htm">http://www.gov.nl.ca/intrd/strategicplan.htm</a>.
