## Vision

The vision of the Central Newfoundland Regional Appeal Board is:

***The public, municipalities and other authorities have access to an effective process to hear appeals of decisions filed with the board.***

## Mission

With consideration of its mandate, the board has determined that a mission statement and associated indicators are not necessary at this time. However, the board's activities will instead contribute to the "strengthened supports to local governments" portion of the Department of Municipal Affairs' mission. A complete description of the department's mission and its indicators is described in the department's 2014-17 Strategic Plan.

## 2.0 Report on Performance

---

**Issue:**            **Land Use and Development Appeals**

The board's adjudication of appeals enables municipal councils and other government authorities to gain a better understanding of the application of land use and development legislation and a more complete understanding of the appeal process.

The board decided not to develop three year goals in its 2014-17 Activity Plan. Instead, it developed a single annual objective with an accompanying measure and associated indicators to be reported on in each of the three years of its activity plan.

**Objective:**            **By March 31, 2016 the Central Newfoundland Regional Appeal Board will have heard appeals and have rendered decisions in a timely fashion.**

**Measure:** Heard appeals and rendered decisions in a timely fashion.

**Indicators:**

**Number of appeals heard:** In 2015-16, the board heard 10 appeals.

**Number of appeal hearing days:** In 2015-16, the board held hearings on five days.

**Number of written decisions rendered within 21 days from date of hearing:** In 2015-16, the board rendered decisions on 10 appeals within 21 days of the appeal hearing date.

### **3.0 Opportunities and Challenges Ahead**

---

The opportunity for the board is to make a positive contribution to municipal governance through hearing of appeals and rendering decisions in compliance with applicable legislation. Municipalities can strengthen their future decision making through referencing decisions rendered by the board in regard to all regional appeals.

The challenge for the board is to hear the appeals in a timely manner once they are ready for adjudication by the board. Through past practice and in consultation with the Eastern Newfoundland Regional Appeal Board and the West Newfoundland Regional Appeal Board, the Central Newfoundland Regional Appeal Board has determined that 21 days is a reasonable time in which to consider all information provided to the board and to meet the needs of applicants and municipalities.
