Dear Kim Hawley George:

**Re: Statement of Non-Compliance for the Independent
Geoscience Technical Advisory Committee**

In accordance with section 16 of the **Transparency and Accountability Act**, I wish to issue a statement of non-compliance concerning the multi-year plan requirements of a category three entity, the Independent Geoscience Technical Advisory Committee (the Committee).

The position of Chairperson for the Committee is currently vacant and there is no individual authorized to sign the annual report and assume responsibility for its contents. As such, tabling of the multi-year plan must be deferred.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Parrott".
