What progress has been made with respect to construction of nursing station in Trepassey

Notice of question

Duffy, 24

Supply

Bread

Who supplied bread to the various institutions prior to April 1 1949 and have all bakers in St. John's been given a chance to tender since that date

Answer, 64

Hospitals

Total expended for dry goods and hospital equipment since April 1st 1951 to date

Answer, 60

Meat

How many pounds of ham and bacon were supplied to various government institutions for August, September, October, November, December of 1951 and January and February of 1952

Answer, 38, 39

Mouth wipes

How many cartons of mouth wipes were purchased by the government in 1951, what was the cost, and who was the supplier

Answer, 119

How were tenders issued or asked for the government supply of mouth wipes in 1951

Answer, 264

Were any tenders called

Answer, 119

What quantities were bought by the government in 1952 to date, and were tenders called for

Answer, 119

Will the Minister inform the House why a high price was paid for these mouth wipes when a better quality could have been purchased at a much lower price

Answer, 264

Office equipment

Total expended on office equipment, typewriters, stationery, etc. since April 1st 1951 to date

Answer, 60–61

Printing

Total expended for printing and advertising since April 1st, 1951 to date

Answer, 37

Tendering

Were tenders advertised in the Daily Press, and if not, why not

Answer, 264

Tires

How many tires and tubes have been purchased for government-owned vehicles during the fiscal year 1951-1952; provide the names and brands of tires and tubes, from whom they were purchased, and whether tenders were called for

Answer, 263–264

Transportation

Roads

Number of people of European origin employed by the Department of Highroads

Notice of question

Duffy, 23

Weaving and Spinning Mill

Give similar details relative to the Canadian Machinery and Industry Construction Ltd.

Answer, 65

Have all the machinery for the weaving mill and the spinning mill, as well as the structural steel and cement for the United Cotton Mills been delivered

Answer, 64

How much money has been made available by the Government to the United Cotton Mills Ltd. up to the 15th day of March, and how much money has thus far been subscribed in cash by the group for shares of the company

Answer, 64

In what company has this United Cotton Mills taken out fire insurance in accordance with Section 13 of the Act, and on what dates were such insurance policies effected

Answer, 64

What, if any endeavors have thus far been made by the said Company to raise the sum of \$2,000,000 from a commercial bank or by the sale of its bonds

Questions

American relations

Whether Government has engaged the services of any American legal firm for the purposes of lobbying in Washington
Answer deferred, 546

Birch plant

Copy of Agreement or Agreements between the government and Chester Dawe
Answer deferred, 41

Has Chester Dawe assigned his benefits and burden under the Agreement re: birch plant to any joint stock company, and has Chester Dawe subscribed and paid for shares in said company, and if so, to what amount
Answer, 297

Have offers yet been made for the purchase of this plant and if so by whom
Answer deferred, 42

How much insurance has Mr. Chester Dawe taken out on the plant, and who pays for the insurance
Answer, 297

How much money has been advanced by government to supply mill owners with equipment, and how many saw mills and small factories have been established
Answer deferred, 297

Itemized list of all materials used in the building of the birch plant together with costs of

all machinery installed, and names of persons or companies supplying materials and machinery

Answer, 297

Name of clerk or clerks appointed and paid by government to certify the delivery of all materials ordered for the birch plant and the name of the official or clerk appointed to check pay rolls

Answer, 297

Name of government official who approved items of expenditure exceeding \$1000.00 in connection with the building of the birch plant

Answer, 297

Particulars of recent breakdown in machinery at this plant

Answer deferred, 41

Total cost up to the end of February 1952 of the plant

Answer deferred, 41

Answer, 180

Total net earnings to date of Newfoundland Hardwoods, Ltd.

Answer deferred, 41, 622

Total number now employed by Newfoundland Hardwoods, Ltd., and amount paid per week in salaries and wages

Answer deferred, 41, 622

What amounts have been advanced to the Operator as working capital under the following heads, and give dates for such advances: for purchase of stocks of hardwoods, to finance the manufacture of raw materials into marketable products, to finance payment of wages and overhead, to finance shipments of finished products

Answer, 297

What quantities have been sold, and to whom
Answer deferred, 41

What quantities of raw materials are now on hand and give costs of same, and approximate value of manufactured goods on hand, and how many men are presently employed

Answer deferred, 297

Who were directors of Newfoundland Hardwoods, Ltd, and what directors' fees are being paid to each

Answer, 41–42

Answer, 43, 65 (correction to)

Board of Liquor Control

Detailed statement showing number of beer and wine licenses presently at issue, name of taverns, clubs or hotels to whom the licenses were issued

Answer tabled, 83

Buy Newfoundland Campaign

Detailed statement of amounts paid

Answer, 57, 107

Did government receive any revenues from any fares or exhibitions in which Mr. Jamieson took part during the past two years, whilst he was acting as Director of the "Buy Newfoundland" campaign

Answer deferred, 147

Does government intend to continue the services of Mr. Jamieson and his other associates or staff for the current fiscal year

Answer deferred, 147

Names of individuals who had charge of this particular campaign

Answer, 57, 107

Number of employees on payroll of the organization supervised or directed by Mr. Don Jamieson with offices in the Gaiety Amusement Centre, whether rent is being paid for this particular building, whether the campaign to sell Newfoundland products is still being conducted

Answer deferred, 147

Total cost to Province

Answer tabled, 57, 107

Was Mr. Donald Jamieson engaged on a part-time basis for which he has been paid at the rate of \$4,500.00 per year, and when did Mr. Jamieson assume directorship of the organization

Answer deferred, 147

What amounts have been paid out of the Tourist Development Grants for years 1950-1951, and 1951-1952, apart from salaries

Answer deferred, 146

What, if any, outstanding debts are still due and payable on account of the "Buy Newfoundland" campaign

Answer, 146

Cement plant

Was Sir William Stephenson at the time on the Board of Directors of Cement and General Corporation

Answer, 178

Was there any breach or cancellation of this agreement by Government and how much money, if any, did the government have to pay on account of such breach or cancellation

Answer, 178

What was the nature of any agreement or agreements entered into between the Government and the Cement and General Corporation

Answer, 178

Co-operative Loan Board

Statement showing how the amount of \$200,000.00 was voted in the 1950-1951 estimates for the board was administered

Answer deferred, 81-82

Co-operatives

Statement showing total amount advanced to Cooperative Societies throughout the province

Answer deferred, 63

Department of Economic Development

Amount expended by department and Premier's office for travelling expenses from April 1 1951 to February 29 1952

Answer deferred, 52, 61

Detailed account of all monies paid to Mr. Donald Jamieson and Mr. Geoffrey Stirling since April 1st 1949 to date

Answer, 324

Detailed statement of all monies paid to *The Sunday Herald*, Radio Station CJON, The Woodstock Club, The Gaiety Amusement Centre

Answer, 324

Details of advertising in *Sunday Herald* covering two payments amounting to \$5,967.84 given in answer to question no. 36 on the Order Paper of March 18th 1972

Answer deferred, 147

Answer, 297-298

Details of advertising work performed by radio station CJON concerning payment of \$1425.00 given in answer to question no. 36 on Order Paper of March 18 1952

Answer deferred, 147

Answer, 297-298

Details of expenditure of \$3645.27 under the heading Miscellaneous given in reply to question no. 36 on the Order Paper of March 18 1952

Answer deferred, 58

Details of expenditure of \$770.34 and \$530.00 under heading of Temporary Employment given in reply to question no. 36 on the Order Paper of March 18 1952

Answer deferred, 147

Details of payments for temporary employment totalling \$1,300.34 given in answer to question no. 36 on the Order Paper of March 18 1952

Answer deferred, 147

Details of payments to Mr. Don Jamieson covering two amounts totaling \$4,759.26 as outlined in answer to question no. 36 on Order Paper of March 18th 1952, how many miles he travelled by motor car, and details of his expenses on a trip to Toronto

Answer deferred, 147

Details of various other payments amounting to \$4,144.62 given in answer to question no. 36 on Order Paper of March 18 1952

Answer deferred, 147

Under the heading various parties covering travelling expenses referred to in answer to question no. 36 on the Order Paper of March 18th, giving details of the expenditure of \$403.43

Answer deferred, 147

List positions held by each individual, together with their salaries

Answer, 52

Nature of the work performed by Mr. R. Holloway, for which he was paid a total of \$1548.22 as outlined in answer to the question no. 36 on the Order Paper of March 18 1952

Answer deferred, 147

Nature of work being done by the firm of Coverdale & Colpitts on behalf of the government

Answer, 52

Particulars in detail regarding expenditures of \$1,154.74 and \$494.13 by Mr. Don Jamieson and Mr. Lloyd Sparkes covering travelling expenses, as outlined in answer to question no. 36 on the Order Paper dated March 18 1952

Answer deferred, 147

Table statement showing names of all personnel employed in the department

Answer, 52

Were amounts paid to various individuals or corporations outlined in the answer to question no. 36 on the Order Paper of March 18 1952 given by cheque to these various individuals or corporations by the Department of Finance or were these expenditures paid by Mr. Jamieson himself, in whole or in part and the vouchers then turned in to the Department of Finance

Answer deferred, 147

What machinery or equipment has been imported from Europe for the fiscal year 1951-1952 to be used in the establishment of certain new industries

Answer deferred, 52, 61

What were the specific duties of the messengers or office boys employed during 1950 and 1951-1952 as outlined in answer to question no. 36 and order paper of March 18 1952, and whether any of these staff are still employed

Answer deferred, 147

What work was performed by the Assistant Advertising Agent and the several sales promoters covering substantial expenditures as outlined in answer to question no. 36 on the Order Paper of March 18 1952

Answer deferred, 147

Whether monies have been loaned to Mr. Donald Jamieson or Mr. Geoffrey

Stirling or any of the aforementioned loan organizations set up by government since April 1 1949

Answer, 263, 324

Whether transportation was provided to bring staff over from Europe

Answer, 52

Election

Cost to Treasury of the November general election, and the cost by district

Answer deferred, 58

Answer, 91

Cost to Treasury of the recent by-election in St. John's West

Answer deferred, 58

Answer, 91

Finance

Exchequer account

Total amount of cash surplus remaining to credit of Exchequer in Bank of Montreal at St. John's as at February 29 1952

Fisheries

Statement showing actual cash loans made to various industries and companies for fishery development

Answer tabled, 82

Fisheries

Experimental fishing

Is it correct that government has discontinued experimental fishing

Answer deferred, 58

Is Minister prepared to make any recommendations to the fishermen of the province as a result of the experiments

Answer deferred, 58

Will minister table report of government's experiments in long-lining, Danish seining, and any other methods

Answer deferred, 58

Federation of Fishermen

How many officials are employed by the Federation

Answer deferred, 63

Answer, 107-108

Total cost to the Newfoundland Treasury for the organization and administration of the Newfoundland Federation of Fishermen since its inception

Answer deferred, 63

Fisheries Loan Board

Statement showing how the amount of \$1,000,000.00 voted in the 1950-1951 estimates for administration for the board was administered

Answer deferred, 82

Gypsum plant

Statement showing any contracts made for sale of the product

Answer, 47

Statement showing from whom machinery for the plant was purchased

Answer, 47

Total amount advanced for construction of plant at Corner Brook

Answer, 47

Whether plant is for sale and if negotiations have taken place

Answer, 47

Hansard

Has Hansard been printed for the various sessions since 1949, and if so, could copies be tabled

Answer, 264

Names of those employed in the compiling and reporting of the debates, as well as amounts paid to them

Answer, 264

Provide copies of Hansard for various sessions of the Legislature since 1959

Answer, 264

By whom has Hansard been printed, and what price has been paid

Answer, 265

Hospitals

Mental hospital

Amount of money expended on construction of the new addition to the hospital

Notice of question

Duff, 23

Is new addition to mental hospital now completed

Notice of question

Duffy, 23

Names of individuals or contracting companies who performed construction work

Notice of question

Duffy, 23

Total amount expended on construction of new addition to mental hospital

Notice of question

Duffy, 23

Hydroelectricity

Investigating potential in Bay D'Espoir areas

Estimated cost of developing this area per electrical horsepower

Answer, 36

Result of investigation made by the Power Corporation of Canada

Answer, 36

What will completed survey cost and what amount has been paid to date to the Corporation

Answer, 36, 65

Industrial Loan Board

Statement showing how much of \$300,000 voted in the 1950-1951 estimates for administration under the board was loaned or expended

Answer deferred, 81-82

Industry

Financing of

Detailed statement of monies paid out of the surplus account to date to industrial companies of foreign origin, and how much is still due these companies

Answer, 43-44

International Basic Economy Corporation (IBEC)

Report that corporation submitted with survey of Labrador areas and the establishment of another pulp and paper mill

Answer, 51

What charge was made by the Rockefeller Organization for conducting this particular survey

Answer deferred, 51

Justice

Seigheim, Arthur

Government-Seigheim (Agreement) Act, 1951

What member was appointed Assessor under the provisions of Sec. 5, sub-sec. (4)

Answer, 40

What law firm represented the Seigheim group in its negotiations with the government, the R.C.A.F. and the Canadian National Telegraphs

Answer, 40

What steps have been taken by the "Financier" named in the Government-Seigheim Agreement to train people from Labrador in silviculture and agriculture

Answer, 40

Whether Dr. Seigheim has thus far promoted under the laws of Switzerland a company known as Latico, and whether he has assigned and transferred his rights in accordance with section 14 of the act

Answer, 40

Loan Board

Provide detailed statement of three particular amounts, showing what balances remain to the credit of such accounts

Answer deferred, 81-82

Provide names of corporations or individuals to whom such loans or advances have been made

Answer, 106-107, 433-434

Statement showing names of individuals employed by various boards, including salaries

Answer deferred, 81-82

What loans or advances have boards made to corporations or individuals since their inception

Answer deferred, 81-82

Answer tabled, 499–500

What loans or advances have these loan boards made or recommended to be made since their inception

Answer, 106–107

From what vote in the Estimates of 1951-1952 are salaries being paid

Answer deferred, 81–82

Machinery plant

Give an estimate of the total number of workers to be employed at the plant in various classifications

Answer, 35

Have negotiations been made on behalf of this particular company to sell the Bond Issue of some \$2,500,000.000 which was guaranteed by the government

Answer, 51

How many buildings are to be erected, and at what dimensions and classifications

Answer, 35

If negotiations have taken place, table the information requested

Answer, 51

Inform House in detail of the class or type of machinery it proposes to manufacture

Answer tabled, 35

Provide names of permanent employees together with the rates of salaries

Answer, 51

With respect to the proposal to set up a vocational school at the plant, provide estimate of number of persons to be trained, the period of training, and the estimated cost to government per year

Answer, 36

From the total number of workers to be employed, what percentage will be Newfoundlanders

Answer, 36

Was a market survey made in the areas where the products of the plant are to be sold

Answer, 35

What amount of money has been advanced to the Canadian Machinery Construction Limited

Answer, 51

What progress has been made in the harvest of this plant at the Octagon on Topsail Road

Answer, 51

From where is the skilled help obtained

Answer, 35–36

From whom did Government acquire the property

Answer, 35

Mill equipment

Table statement showing number of pieces of mill equipment sold by government during the present fiscal year, to whom sold, and at what price

Answer deferred, 147

Mining

What royalties or other taxation will be applied to any ore produced by this company

Answer, 61–62

What section of Labrador or Quebec is proposed to produce the first iron ore

Answer, 61

Newfoundland and Labrador Corporation

Are birch plant, cement, and gypsum mills being handed over to the corporation

Answer, 43

Has the annual meeting for 1952 been held

Answer, 64

Has the Corporation under section 37 of the Act incorporating it requested the Government or the Lieutenant Governor-in-Council to guarantee the payment of the principal and interest on any bonds, debentures or other obligations, pursuant to the taking over of any presently owned Government plants

Answer, 64

How much money has been paid by each individual shareholder for his shares

Answer, 64

Present position of the corporation

Answer, 54

Question crossed out

Answer, 64

What powers, if any, have been delegated to any officer or director to borrow money upon the credit of the corporation; limit or increase the amount to be borrowed; issue bonds, debentures or other obligations of the corporation; pledge or sell such bonds, debentures or obligations for such sums and at such prices as may be deemed expedient; mortgage charge or pledge all or any of the real and personal property of the Corporation

Answer, 64

What remuneration, if any, has been fixed for the various Directors

Answer, 64

Where is its office, and who is the Managing Director and the Secretary Treasurer

Answer, 63

Who are the Auditors, if any, and what remuneration has been fixed for them

Answer, 64

Who are the present directors of the corporation and what is the value of shares purchased by each director

Answer, 63–64

Peat, Marwick, Mitchell & Co.

Has any action been taken to implement the recommendation of Mr. James C. Thompson of the firm, relative to the formation of a purchasing committee

Answer, 43

Radio

Whether Government was approached by any radio stations in St. John's to have radio station VOUS abandon its broadcasts outside the American Base in St. John's

Answer, 546

Richards Ltd.

Complete statement in detail of monies advanced to company, with dates of said advances

Answer deferred, 57

Answer, 178

Exact financial position of company when taken over by government

Answer deferred, 57

Answer tabled, 178

Reasons why government assumed the company's debt of \$397,143.80

Answer deferred, 57

Answer, 178

What wharfage and care-taking charges are presently being paid, and to whom

Answer deferred, 57

Answer, 178

What, if any, fees have been paid to Directors Keough, Chalker, Forsey and Curtis since the boats were taken over by the government

Answer deferred, 57

Answer, 178

Who were Directors at the time of the takeover, and upon whose recommendations were four Icelandic boats acquired by government

Answer deferred, 57

Answer, 178

Seigheim, Arthur

Cost of aerial photographs, and whether cost was paid by department at request of Dr. Valdmanis and Mr. Graudin

Answer, 41

Number of aerial photographs of the Seigheim concession developed for Dr. Seigheim

Answer, 41

Sennewald, Dr. Lothar

Copy of agreement made between government and Dr. Sennewald relative to setting up Optical Co.

Answer, 56

Cost of the use of the R.C.A.F. plane used to intercept Dr. Sennewald at Gander

Answer, 40-41, 56-57

Stadium

Did Premier give the Stadium Company Ltd. any assurances that government would advance a further \$100,000.00 towards the building of a stadium

Answer, 146

Did the Premier offer to assist in arranging the implementation of underwriting a ten-year federal grant of \$100,000.00

Answer, 146

Did the Premier on December 24th promise Mr. Arthur Johnson that as Minister of Natural Resources he would be authorized to build a stadium with all speed

Answer, 146

Steel

Table statement regarding the purchase of steel, per vote 908-909 of the estimates of 1951-1952

Answer tabled, 204

Was there any of this steel sold by the government, and if so, to whom and at what price

Answer tabled, 204

Weight of steel used by Department of Public Works during the present fiscal year

Answer tabled, 204

What, if any, negotiations were undertaken with Mr. Forsyth, the President of D.O.S.C.O. relative to the plant promised for Bay Roberts

Answer, 41

Where is the remainder of the steel stored

Answer tabled, 204

From whom was the steel purchased, what was the cost, and what was the weight in tons

Answer tabled, 204

Textile plant

How many male and female workers are to be employed and what per cent of the total will be Newfoundlanders

Answer, 36

Inform House of the number and dimensions of each building to be constructed

Answer, 36

Where will plant be located

Answer, 36

From whom was site for plant purchased and what amount was paid for property

Answer, 36

Transportation

Roads

Amount expended by government on road work for various periods, by district

Answer deferred, 58

United Cotton Mills Limited

Amount advanced to the company

Answer, 51

Whether company has made any effort to sell the Bond Issue of some \$2,000,000.00 guaranteed by the government

Answer, 51

Valdmanis, Alfred

Number of dinners given at Woodstock during the past twelve months by Dr. Valdmanis as Director of Economic Development

Answer, 405, 406

- Travelling expenses incurred in detail since April 1 1949
 Answer deferred, 42
