

30th General Assembly, Second Session (1952)

Speaker Index

B

BALLAM, HON. CHARLES (L) HUMBER

Speech from the Throne

Debate, 85, 86

C

CASHIN, PETER (PC) ST. JOHN'S WEST

Birch plant

Has the Operator, Chester Dawe, assigned his benefits and burden under the plant agreement to any joint stock company, and has Chester Dawe subscribed and paid for shares in said company

Notice of question, 14

How much insurance has Mr. Chester Dawe taken out on the plant, and who pays such insurance

Notice of question, 14

How much money has been advanced by the government to supply mill owners with equipment, and how many factories and mills have been thus established

Notice of question, 14

Itemized list of all materials used in the building of the birch plant, together with costs of all machinery installed

Notice of question, 14

Name of Clerk or Clerks appointed and paid by government to certify the delivery of all materials ordered for the plant

Notice of question, 14

Name of government official who approved items of expenditure exceeding \$1000.00 in connection with the building of the plant

Notice of question, 14

What amounts if any have been advanced to the Operator as working capital under the following heads: for purchase of stocks of hardwoods, to finance the manufacture of raw materials into marketable products, to finance payment of wages and overhead, to finance shipment of finished products

Notice of question, 14

Finance

Amount of money collected since April 1 1952 on account of pre-union surplus, and the amount to the credit of this account

Notice of question, 13

Table a statement showing what amounts of money have been advanced by the Newfoundland Treasury since April 1 1952 to date to the following industrial projects:

cement plant, gypsum plant, birch plant, fur plant, tannery, machinery plant, textile plant, pressboard plant, optical plant, and Newfoundland Asbestos Ltd.

Notice of question, 13

Total amount of money on deposit with the federal government at the present time

Notice of question, 12

Total amount of money to the credit of the Board of Liquor Control in the bank as at June 30 1952

Notice of question, 12

Total amount of money to the credit of the treasury in the Bank of Montreal as at June 30th 1952

Notice of question, 12

Total amount of subsidies or other revenues due to the province by the federal government

Notice of question, 13

Total expenditure incurred by capital account from April 1 1952 to June 30 1952

Notice of question, 13

Total ordinary expenditure from April 1 1952 to June 30 1952

Notice of question, 13

Total ordinary revenue collected by the province from April 1 1952 to June 30 1952

Notice of question, 13

Answer, 75–76

What amount of surplus is presently remaining to the credit of the Province of Newfoundland with the federal government

Notice of question, 13

Whether any bank guarantees have been given by the provincial government to any industrial companies now in operation

Notice of question, 13

Whether government has arranged a temporary loan from the Bank of Montreal since April 1 1952, and if so, the amount

Notice of question, 12–13

Whether Newfoundland Asbestos Ltd. made an effort to raise the sum of \$250,000 under its 1951 agreement with the government

Notice of question, 13

Answer, 76

Freight Claims Act

Whether or not any steps have been taken to carry out the provision of the act passed in the last session of the legislature

Notice of question, 12

House of Assembly

Order Paper

Lack of availability of, 15

Loan Act 1952 (Bill 3)

Committee, 141–144, 145–146, 147, 149–150

Loan Boards

Statement of the total amount of loans made by present government for fishery purposes and expansion since 1949, and to what individuals or corporations loans were made

Notice of question, 12
Answer deferred, 12
