- First reading, 1709
- Second reading
- Browne, 1868–1869
- Curtis, 1868, 1869
- Committee
- Browne, 1890–1892
- Curtis, 1891, 1892
- Hollett, 1892
- Smallwood, 1892
- Amendment—Moved
- Curtis, 1992
- Amendment—Carried, 1992
- Third reading, 2058
- Royal Assent, 2116

ADDRESS IN REPLY. *See* Speech from the Throne

ADJOURNMENT. *See* House of Assembly; Standing Orders

ADVANCE AND GUARANTEE OF LOANS BY THE GOVERNMENT AND TO AMEND CERTAIN STATISTICS RELATING TO LOANS. *See* Loan and Guarantee Act (Bill 59)

ADVERTISING

- Have any pamphlets, books, maps or other material for advertising purposes been published by or on behalf of the government
- Notice of question

Browne, 204

Answer

Hefferton, 282

How much was spent on advertising during the past year; give the names and publications in which advertising appeared, together with cost of same

Notice of question

Browne, 128, 204

Answer deferred, 209, 247

Answer

Hefferton, 281–282

AGRICULTURE

- Potential suitability of land for farming
- Courage, 85

ALCOHOLIC LIQUORS (AMENDMENT) ACT (BILL 47)

- Notice of motion
- Smallwood, 1493
- First reading, 1539
- Second reading
- Browne, 1719
- Higgins, 1719
- Hollett, 1718–1719
- Smallwood, 1718, 1719–1721
- Committee
- Browne, 1816–1817, 1818, 1819
- Higgins, 1817
- Hollett, 1817–1818
- Smallwood, 1819
- Third reading, 1840
- Royal Assent, 2115–2116

ALCOHOLISM

- Comments on the problem in Newfoundland
- Rowe, 406
- Newfoundland having the lowest rate in Canada
- Smallwood, 368

ALLOWANCE FOR DISABLED PERSONS ACT. *See* Disabled Persons Act (Bill 74)

ANSWERS TO QUESTIONS FOR WHICH NOTICE HAS BEEN GIVEN

Cement Plant

- Table report on all transactions between the government or any of the government departments and the firm of W. J. Lundrigan Ltd. as to the purchase of cement, showing the number of bags, the prices charged, and the total amounts

- charged for each listed amount of cement appearing in the various invoices on the following accounts: a) cement plant construction; b) gypsum plant construction; table an itemized account of W.J. Lundrigan's claim for the sum of \$177,123.54 cents as final claim, and also a similar account of another final claim for \$53,468.68 dated 25/8/52
- Answer deferred, 2058
Holleth, 2058
Smallwood, 2058, 2109
- Answer
Smallwood, 2109–2114
- Finance
- Table statement showing the total expenditure under the various departments from April 1st 1953 to February 28 1954, the expenditures on current account, capital account, and financial surplus to be shown separately
- Answer
Power, 38
- Table statement showing the total revenue collected under the various departments from April 1st 1953 to February 28 1954, the revenue on current account, capital account, and financial surplus to be shown separately
- Answer
Power, 37
- Total amount of cash surplus to the credit of the Province on deposit with the Government of Canada as at April 1st 1953, and also state if there have been any withdrawals from the surplus during the present fiscal year
- Answer
Power, 37
- What is the total amount of money to the credit of the provincial government in the Bank of Montreal or other banks as at April 1 1953 and at March 15 1954
- Answer
Power, 37
- Fisheries
- Give a detailed account of any housing schemes envisaged for fishermen
- Answer
Keough, 36
- Has government given any consideration to the choice of salt depots in strategic locations as recommended by the committee, and if so, what centres have been selected
- Answer
Keough, 36
- Have any negotiations thus far taken place relative to the establishment of small fish meal plants along the northeast coast as recommended in the aforementioned Development Committee report
- Keough, 36
- Have either the provincial or the federal government taken any steps to implement the recommendations in the memorandum dated November 20 1952 by the Walsh Committee relative to a) reconnaissance survey begun in 1952, b) selected sites, c) essential services at those sites, and provide details of any such implementations
- Answer
Keough, 36
- Provide detailed account of steps being taken by the provincial and federal government to implement the recommendations of the Newfoundland Development Committee, relative to the fullest utilization of known fishery resources
- Keough, 35
- What encouragements have been offered by the Government for minor centralization of curing operations in small settlements, and give the locations where any such efforts have been made

- Mines and Resources
- Geological survey
- Give the total cost to the department of all surveys made by said department since March 31st 1953, together with locations of each separate survey, its cost and the number of men employed on each survey; list the total number of Newfoundlanders on each survey party
- Answer tabled

Rowe, 131

If government paid for the survey, has Nalco reimbursed the department for costs

Answer tabled

Rowe, 131

Answer

Smallwood, 132

What was the cost of the three-man survey party under Mr. Gillespie on limestone outcrops in the vicinity of the Humbermouth Cement Plant and of the spotting and drilling of holes at the quarry of the cement plant last summer

Answer tabled

Rowe, 131

Answer

Smallwood, 132

What was the cost to government of the 35 man Geological Survey on the holdings of the Newfoundland and Labrador Corporation in Labrador last summer

Answer tabled

Rowe, 130–131

Answer

Smallwood, 132

Who paid the cost of the three-man survey and its expenses, and if it was the Dept. of Mines and Resources, has the department been reimbursed by the present owners of the cement plant

Answer tabled

Rowe, 131

Answer

Smallwood, 132

NALCO

Did Canadian Javelin purchase any shares in Nalco, and if so, how many and at what price per share

Smallwood, 33

Give an itemized account of all expenditures made by NALCO since its incorporation, and table a statement showing income and the amount of money on hand at the present time by this Crown Corporation

Answer declined

Smallwood, 35

Give the names and addresses of the present Directors of NALCO, and how many shares are owned by each of these said Directors

Smallwood, 35

How many shares are owned in NALCO by private individuals and by corporations, and what price per share was paid

Smallwood, 33

How many shares in Nalco are presently owned by the government and how much was paid for each share

Smallwood, 33

How much money has been paid from the treasury to Nalco

Answer

Smallwood, 33

What salary was being paid to Dr. Alfred Valdmanis by Nalco at the time of his resignation

Answer

Smallwood, 34

What, if any concessions to date have been granted by Nalco, and state to whom such concessions were granted, the extent of the concession, and in what areas such concessions were granted

Smallwood, 34–35

Where has been situated the head office of NALCO during the past twelve months

Smallwood, 34

Newfoundland and Labrador Corporation Ltd.

Providing report on corporation's activities

Smallwood, 33

Sawmills

Licence to operate in Province from April 1 1953 to March 31 1954

Rowe, 2077–2109

Sheep

Confirm whether the sheep from Scotland have been sold

Rowe, 1764

APPRENTICESHIP (AMENDMENT) ACT (BILL 19)

Notice of motion

Ballam, 436

First reading, 454

Second reading

Ballam, 608, 611–612

Fogwill, 608–610, 611, 612

Hollett, 610–611

Committee

Ballam, 960–961, 962, 963, 964, 965–966, 1008–1009

Browne, 964, 965

Curtis, 963, 1009

Fogwill, 960, 961–962, 963, 964–965, 966, 1007, 1009

Hollett, 962, 963, 965, 966, 1008, 1009–1010

Amendment—Moved

Fogwill, 1007–1008

Amendment—Defeated, 1009

Third reading, 1057

Royal Assent, 1556

ATLANTIC GYPSUM LTD.

As of February 9, 1952, who were the Directors

Question

Hollett, 496

Give a statement showing the net profit or net loss of this plant since it started production

Question

Hollett, 88

Answer deferred

Smallwood, 215

Have any changes been made in the directorate of the company since February 9 1952, and if so, what changes were made

Question
Holleth, 496

Answer
Smallwood, 532

How many people are presently employed in the plant and how much is being paid in salaries and wages

Question
Holleth, 88

Answer deferred
Smallwood, 131

Answer
Smallwood, 215

Table a copy of Auditor Doanes' report for the period between October 1, 1951 and August 31, 1952; also table a copy of the Auditor's report since August 31 1952

Question
Holleth, 88

Answer deferred
Smallwood, 215

Table itemized accounts presented to the government by W.J. Lundrigan Ltd. in connection with all goods and services supplied by them in connection with the building of the plant

Notice of question
Holleth, 854

Answer
Smallwood, 880, 1161

Table negotiations relative to the sale of this plant

Question
Holleth, 89

Table payment vouchers for all amounts of monies paid over to W. J. Lundrigan Ltd. on account of the building of this and the cement plant

Notice of question
Holleth, 854

Smallwood, 1161

Table report on all transactions between the government or any of the government departments and the firm of W. J. Lundrigan Ltd. as to the purchase of cement, showing the number of bags, the prices charged, and the total amounts charged for each listed amount of cement appearing in the various invoices on the following accounts: a) cement plant construction; b) gypsum plant construction; table an itemized account of W.J. Lundrigan's claim for the sum of \$177,123.54 cents as final claim, and also a similar account of another final claim for \$53,468.68 dated 25/8/52

Notice of question
Holleth, 1839

Answer
Smallwood, 1907, 1924

Table statement showing total amounts of money in each year since April 1949 paid to W. J. Lundrigan Ltd., also on what accounts were these monies paid, whether for the building of plants, construction or repair of roads, or for any other cause

Notice of question
Holleth, 854

Answer
Smallwood, 880, 1161

What is the cost to date to the Treasury of this plant

Question
Holleth, 88

Answer
Smallwood, 215, 1866

What number of Newfoundlanders are employed at the plant, and how many non-Newfoundlanders are employed; give the total wages and salaries paid out since March 31 1953 to each group

Question
Holleth, 88

Answer deferred
Smallwood, 132

Answer
Smallwood, 215, 314

Whether the name of Dr. A. Valdmanis has been removed from the Board of the company, and if so, state the date of said change

Question
Holleth, 496

Answer
Smallwood, 532

Who are the directors

Question
Holleth, 88

Answer deferred
Smallwood, 131

Answer
Smallwood, 215, 532

Who is the manager of the plant, and what is his salary

Question
Holleth, 88

Answer
Smallwood, 215

ATLANTIC HARDBOARDS INDUSTRIES LTD.

First of new companies to operate in the black
Smallwood, 1912

Whether the name of Dr. A. Valdmanis has been removed from the board, and if so, on what date

Notice of question
Holleth, 496

Answer
Smallwood, 532

Who were the Directors as of May 27 1953

Notice of question
Holleth, 496

Answer
Smallwood, 532

ATTORNEY GENERAL

Give the dates when prosecutions for the sale or distribution of salacious literature were held together with the names of the defendants and the results of each case, if any
Notice of question
Browne, 880
Has anyone complained to the Attorney General regarding the sale or distribution of salacious literature
Notice of question
Browne, 937
Answer
Curtis, 937
How many prosecutions for the sale or distribution of salacious literature have been undertaken in Newfoundland during the past two years
Notice of question
Browne, 880
Answer deferred, 907
Answer
Curtis, 936–937
Were persons prosecuted last year for selling pencils in the Conception Bay area
Notice of question
Curtis, 937
Higgins, 937
What amount of money has been paid to legal firms since April 1 1949; give the amount or amounts paid to each firm with the name of the matter for which such amount was paid
Notice of question
Browne, 127–128
Answer deferred
Curtis, 164, 205, 997
Answer, 1054–1055

AUTOMOBILE INSURANCE (AMDT.) ACT (BILL 31)

Notice of motion
Curtis, 739
First reading, 777
Second reading
Curtis, 932–933
Higgins, 933

C

CANADIAN JAVELIN COMPANY

Did Canadian Javelin purchase any shares in Nalco,
 and if so, how many and at what price per
 share
 Notice of question
 Hollett, 17
 Answer
 Smallwood, 33
 Smallwood, 33
 Table copies of correspondence between any
 members of government and Dr. Valdmanis
 relative to the corporation; also table
 correspondence between government and
 Canadian Javelin Company relative to their
 selection of mining leases
 Notice of question
 Browne, 128
 Answer
 Smallwood, 164
 Smallwood, 164
 What interest, if any, financially or otherwise, does
 Canadian Javelin have in NALCO at the
 present time
 Notice of question
 Hollett, 17

CANADIAN NATIONAL RAILWAY

Is minister aware that discrimination exists in rates of
 pay of departmental chief clerks, employed

on the Newfoundland Division, Atlantic
Division of the Canadian National Railways
Notice of question
Hollett, 968

Answer
Curtis, 997

Railway will in future operate the Northern Labrador
Steamship Service as an extension of its
Newfoundland Coastal Steamship services
Pottle, 387

Will the Attorney General bring matter of pay
discrimination to the attention of the
management of the Newfoundland Division of
the Canadian National Railways so that this
question may be rectified, and the rates of
pay of all Chief Clerks be adjusted to the
basis of the highest rate paid Chief Clerks of
the Newfoundland division, and the
adjustment be retroactive to the date the
highest rate was established

Answer
Smallwood, 1281
Give the names of plants referred to in the budget
which are in partial production, and the
value of commodities manufactured in
these plants to date
Notice of question
Hollett, 1211
Answer
Smallwood, 1281

- Has Benno Schilde returned the \$150,000 or not
 Notice of question
 Hollett, 1368
 Answer
 Smallwood, 1368–1369
- Have any ex-gratia awards been made to the following companies on account of work done and/or on account of price changes in commodities, and/or on account of advances in wage rates since the commencement of construction on the cement plant and the gypsum plant: the firms of MIAG, Benno Schilde; and W.J. Lundrigan & Co. Ltd.
 Notice of question
 Hollett, 1211
 Answer
 Smallwood, 1367
- How much money has been advanced to the following three companies by the government since March 31st, 1953, either as working capital or on capital account: Newfoundland Hardwoods Ltd. Ltd. Ltd., Atlantic Gypsum Ltd., and the North Star Cement Co.
 Notice of question
 Hollett, 18
 Answer deferred
 Smallwood, 61, 105
 Answer
 Smallwood, 132
- If ex-gratia payments have been made to MIAG, Benno Schilde; and W.J. Lundrigan & Co. Ltd., state the amounts involved with each company, the date of the award, and the date of payment, and on what account
 Notice of question
 Hollett, 1211
 Answer
 Smallwood, 1367–1368
- If tenders were called and received for machinery for the plants, table them
 Notice of question
 Browne, 936
 Answer
 Smallwood, 1026
- If tenders were called for the construction of the gypsum plant or cement plant, table copies of tenders received
 Notice of question
 Browne, 936
- If tenders were not called for the construction of the gypsum plant or cement plant, then who drew the plans for the buildings, drafted the specifications, and estimated the cost
 Notice of question
 Browne, 936
- If tenders were not called for the supply of machinery or equipment for the plants, provide the reason
 Notice of question
 Browne, 936
 Answer deferred, 969
 Answer
 Smallwood, 1026
- If tenders were not called, were contracts in writing entered into by the government for the supply of machinery; if so, table copies of each contract
 Notice of question
 Browne, 936
 Answer
 Smallwood, 1026
- Is it expected that any more monies from government will have to be advanced to the plants that are not yet in production, and if so, what amount for each such plant
 Notice of question
 Hollett, 1211
- List the names of the new industries referred to in the budget speech which are employing 2000 men, and the number employed in each of these said plants
 Notice of question

 Hollett, 19
 Answer deferred
 Smallwood, 61
 Answer
 Smallwood, 133–136
- What was the duty paid value of all machinery in the gypsum plant and cement plant
 Notice of question
 Browne, 936
- What was the estimate and the actual cost of the gypsum plant and cement plant buildings
 Notice of question
 Browne, 936
- Whether there has been another agreement with Chester Dawe that has not been tabled
 Notice of question
 Browne, 1764
 Answer deferred
 Smallwood, 1764, 1839
- Northeastern Co-operative Fisheries Society
 If government has taken possession of the property assets of the company, what are these properties, and what is to be their final disposition
 Hollett, 205
- What are the assets and what are the liabilities of the society, and when will liquidation be complete
 Hollett, 204–205
- What was the total amount of cash loans made to the society, and have any payments been made by company to government on any of these loans
 Notice of question
 Hollett, 204
 Answer deferred
 Power, 247
 Answer
 Hefferton, 283

- Whether company is now in voluntary liquidation, and if so, who are the trustees
 Notice of question
 Hollett, 204
 Answer deferred
 Hefferton, 283
- Superior Rubber Company
 Has the company thus far succeeded in negotiating any commercial bank loan, or sold any of its bonds
 Notice of question
 Hollett, 280
 Has the Minister any knowledge as to the present whereabouts of Mr. Max Braun Wogan and Mr. L. Grube, and if not, is the government prepared to start an investigation as to their present whereabouts
 Notice of question
 Hollett, 280
 Has the plant for the company been completed and if so, has production or manufacture of rubber goods begun
 Notice of question
 Hollett, 280
 Answer deferred, 315, 350
 How many men and/or women are presently employed in this plant, and how many are Newfoundlanders
 Notice of question
 Hollett, 280
 Is the plant owned by Superior Rubber Company yet in production, and if so on what date did it go into production
 Notice of question
 Hollett, 802
 Answer
 Smallwood, 855–856
- What amount of insurance against loss or damage by fire is presently being carried on the fixed assets of the company and is said insurance made payable to the government
 Notice of question
 Hollett, 280
- What was the landed cost of plant machinery, tools, equipment, furniture, fittings and raw materials by this company, including invoice, cost, freight, insurance, duty and cartage; who certified this landed cost
 Notice of question
 Hollett, 280
- Who is the managing director of this plant
 Notice of question
 Hollett, 280
- Will the minister inform the House as to the present whereabouts of Mr. Max Braun Wogan, Director of Hanning Electric and of the Superior Rubber Company and Mr. Ludwig Grube, a Director of the Superior Rubber Company
 Notice of question
 Hollett, 496
 Answer

FINANCE

Amount of overdraft loan or advance of the treasury at the Bank of Montreal at the present time, and if there is no overdraft loans or advance, what amount stands to the credit of the treasury at the Bank of Montreal at the present time
 Notice of question
 Hollett, 29–30
 Answer
 Power, 62
 Amounts collected to date during the current fiscal year on account of a) Social Security Assessment Act; b) the Gasoline Tax; c) Cancer Control Tax; d) mineral leases; royalties, etc.
 Notice of question
 Hollett, 29
 Answer
 Power, 62
 Canadian Machinery Holding Trust

- Account for the payment of \$25,000 to Canadian Machinery and Industry Construction Co. over and above the amount pledged in that company; give the number of men employed at present with this company, and the number in employment there at the end of 1953
- Notice of question
Hollett, 803
- Answer
Smallwood, 857
- Did the trust make the necessary improvements in the cement plant according to agreement dated October 16 1952
- Notice of question
Hollett, 56
- Answer deferred, 551
- Explain the reason for paying the trust an amount of \$25,000 in excess of the 2.5 million dollars called for under the terms of the Canadian Machinery Industries Ltd. Act
- Notice of question
Hollett, 679
- Answer deferred
Smallwood, 709, 741, 936
- Give the name of the person who valued the machinery on entry of the plant; table a copy of all certificates of evaluation issued in each case
- Notice of question
Hollett, 679
- Is it correct that the government sold 997 shares of the North Star Cement Co. out of a possible 1000 shares to the said holding trust for the sum of two hundred thousand dollars
- Notice of question
Hollett, 56
- Answer deferred, 551
- Is Minister in a position to state the value of all machinery in said plant as to invoice price; if so, will Minister advise the House as to said value
- Notice of question
Hollett, 679
- List the names of directors and shareholders of the trust, and indicate where in Switzerland is the registered trust of the company, and in what Swiss government office is said trust registered
- Notice of question
Hollett, 56
- Answer deferred, 551
- What amount of money has been advanced by the Canadian Machinery Holding Trust to the government and the North Star Cement Co. Ltd., under agreement between the government, the North Star Cement Co. Ltd., and the Canadian Machinery Holding Trust, dated October 16, 1952
- Notice of question
Hollett, 56
- Answer deferred
Power, 106, 141
Smallwood, 141
- Answer
Smallwood, 551
- What is the exact amount required to be paid yearly by said holding trust under said agreement
- Notice of question
Hollett, 56
- Answer deferred, 551
- What is the total amount of insurance carried on the North Star Cement Plant and with what insurance company is said insurance carried; has the North Star Cement Company executed a first mortgage in favour of the government on the Cement plant, and if so, for what amount
- Notice of question
Hollett, 56–67
- Answer
Smallwood, 551
- What proportion of the share capital of the Canadian Machinery and Industry Construction Ltd is held by the trust
- Notice of question
Hollett, 56
- Answer deferred, 551
- Who is the president of the trust and who are the directors
- Notice of question
Hollett, 496
- Answer
Smallwood, 533
- Who signed the agreement of October 16 1952 on behalf of, or as attorney for the trust
- Notice of question
Hollett, 56
- Answer deferred, 551
- Will the minister inform the House as to the present whereabouts of Mr. Eberhard Rothe, a Director of the Canadian Machinery and Industry Construction Company, and of the North Star Cement Company
- Notice of question
Hollett, 496
- Did government negotiate any loans with the Industrial Development Loan Board, the Co-operative Development Loan Board, or the Fisheries Loan Board, during the 1953-1954 fiscal year; if so, state the amount borrowed, the rate of interest and the amount of interest paid in each case
- Notice of question
Fogwill, 1024
- Answer
Power, 1159
- Did the Government of Newfoundland receive from the Government of Canada the \$1.12 per quintal price support payment, in respect of

- the 1953 production and sale of salt cod; if so, state the amount and the date when this money was received
- Notice of question
Fogwill, 1024
- Answer
Power, 1159
- Give the amounts of revenue and expenditure by departments to the present time, both on current account and on capital account
- Notice of question
Hollett, 30
- Answer
Power, 62
- Loans
- Give list of all loans under the headings of Fisheries and Economic Development, and also those under the heading Guaranteed Bank Loans, showing the amount of insurance required to be carried under the agreement for said loans or guarantees on the assets of the companies concerned; show also the amounts of insurance carried in each case

Hollett, 280
- Answer deferred
Spencer, 280
- Answer
Power, 344–349
- List the loans made by Commission of Government for fishery development or encouragement of the fishery industry and state what amounts are still owing on each
- Notice of question
Hollett, 29
- Table a complete list of all guaranteed loans made by the government to individuals or corporations since April 1st 1949, whether for economic development, fishery development, or for any other purpose, showing the name of individual or corporation, the amount guaranteed, and the present situation with regard to said guaranteed loan
- Notice of question
Hollett, 29
- Answer
Smallwood, 138–139
- Table a complete list of all outright loans from the Treasury to individuals or corporations since April 1st 1959, whether for economic development, fishery development, or for any other purpose, showing name of individual or corporation, the amount loaned, and the present amount still outstanding on said loan
- Notice of question
Hollett, 29
- Answer deferred
Power, 105
- Answer
Smallwood, 137
- Whether any mortgages have been secured to the government by the North Eastern Fish Industries Ltd. on the draggers or on any other assets of said company, and if so, in what amount
- Notice of question
Hollett, 280
- Answer
Power, 350
- Newfoundland Exchequer Account
- Table certified copies of all warrants of the Lieutenant-Governor since March 31st, 1953, having to do with the authorization of issues from the Newfoundland Exchequer Account, and as found in the Minutes of the Lieutenant-Governor in Council
- Question
Hollett, 18
- Answer deferred
Power, 18
- Answer tabled
Power, 89
- Table reports as required by Section 37(a) of The Audit Act, showing manner in which such expenditures were urgently needed for the public good
- Question
Hollett, 18
- Answer tabled
Power, 89
- Provide statement of current and capital revenues and expenditures for the month of March 1954, including revenue and expenditure for April applicable to 1953/1954 account, subject to final audit
- Answer
Smallwood, 1865
- Public accounts
- Permission to print copies of
Speaker, 28
- Request for standing committee for public accounts
Browne, 26, 27
Smallwood, 26–27
- Table copies of the public accounts
- Question
Hollett, 18
- Answer
Power, 89
- Whether the Opposition will be provided a copy
Hollett, 27
Power, 27
Speaker, 27
- Sinking Fund
- How much money has been credited to the Sinking Fund set up in connection with the Ten Million Dollar Loan raised last year, and where and how is this money invested
- Question
Hollett, 18

- Answer
Power, 89
- Table statement showing the total amount of import duties, excise taxes and excise duties paid to the federal government by the Board of Liquor Control in respect of the importation of liquor, beer and wine since April 1st 1953 to date
- Notice of question
Fogwill, 32
- Answer deferred
Power, 65
- Answer, 139
- Table statement showing the total amount received by the Dept. of Finance from the Federal Government during the present fiscal year, under subheads of revenue, 453 tax rental agreement, 455 transitional grant, and 450 interest on Exchequer balances, and state whether there are any balances due and payable on these items of revenue to March 31st 1954
- Question
Fogwill, 20
- Answer deferred
Fogwill, 38
- Answer
Power, 105
- Table statement showing the total expenditure under the various departments from April 1st 1953 to February 28 1954, the expenditures on current account, capital account, and financial surplus to be shown separately
- Question
Fogwill, 20
- Answer
Power, 38
- Table statement showing the total revenue collected under subhead 470, Social Security Assessment, for each month from April 1st, 1953 to February 28, 1954 and inform the House if any substantial amounts have been collected by the Dept. of Finance by reason of the recent court action in respect of this item of revenue
- Question
Fogwill, 20
- Answer deferred
Power, 38
- Table statement showing the total revenue collected under the various departments from April 1st 1953 to February 28 1954, the revenue on current account, capital account, and financial surplus to be shown separately
- Question
Fogwill, 20
- Answer
Power, 37
- Temporary Loans
- Table a detailed account of all temporary loans since March 31st, 1953, as authorized by Section 26 of The Revenue and Audit Act;
- show amount of each temporary loan, the date of raising it, the date when paid off, the rates of interest charged by the bank, and the name of the bank
- Question
Hollett, 18
- Answer
Power, 89–105
- Total amount of cash surplus to the credit of the Province on deposit with the Government of Canada as at April 1st 1953, and also state if there have been any withdrawals from the surplus during the present fiscal year
- Question
Fogwill, 20
- Answer
Power, 37
- What amount of interest did the government pay in respect of bank overdrafts and/or temporary bank loans during the 1953-1954 fiscal year, including date and interest rate, etc.
- Notice of question
Fogwill, 1024
- Answer
Power, 1159
- What amounts of money, if any, were borrowed during the said month; give the date and source of funds
- Notice of question
Browne, 1353
- Under what head of expenditure was the one dollar and fifty cents per quintal advance payment to fishermen made; what is the total expended to date, and what is the estimated amount required to finalize these payments
- Notice of question
Fogwill, 32
- Answer deferred
Power, 65, 105
- Answer, 139
- What is the position of the provincial debt as of April 1 1954; include total interest paid as of April 1 1954 and the total amount credited to each sinking fund in respect of the 1940-1965 War Loan, 1942-1957 and 1943-1958 Victory Loans and the 1952-1964 Development Loan
- Notice of question
Fogwill, 1024
- Answer deferred, 1053
- Answer
Power, 1159
- What is the total amount of money to the credit of the provincial government in the Bank of Montreal or other banks as at April 1 1953 and at March 15 1954
- Question
Fogwill, 19–20
- Answer
Power, 37
- What loans were negotiated with the Bank of Montreal by the Treasury since March 31st 1953, give the date of each loan, advance or

overdraft, the amount involved on each separate occasion, and the interest rate charged by said bank

Notice of question
Hollett, 30

Answer

FISHERIES

Converting ships

Are the two converted longliners the *Hubert G. Smith* and the *Tucker* schooner now operating as longliners, and what was the total cost of conversion and operation of these two vessels to date

Notice of question

Hollett, 1109

Did the *Kean Brothers* vessel operate as a Danish seiner and for what period, and what was the cost of such operation

Notice of question

Hollett, 1109

Is the *Kean Brothers* now in operation and if not, why not

Notice of question

Hollett, 1109

What was the total cost of converting for Danish seining the schooner *Kean Brothers*

Notice of question

Hollett, 1109

Danish seiners and Newfoundland long-liners

How many such vessels were operated under government sponsorship; give the names of skippers of said vessels, the number of the crew and the ports from which each such vessel operated, together with total

- quantities of fish caught by each such boat and value of fish caught by each boat; give also the total expenditure by the government or by any of its departments upon each such boat, together with amounts spent in wages for boat's skipper and crew, during the calendar year 1953; give tonnage of each boat
- Notice of question
Hollett, 57
- Answer deferred
Keough, 249–250
- In the minister's opinion what is the correct tonnage for such fishing boats, the correct crew number; and what is the approximate cost of construction of such a boat, and total cost including engine when boat is ready for sea
- Notice of question
Hollett, 57
- Question amended by Speaker, 106
- Answer
Keough, 250
- Total number of men employed fishing on these boats
- Notice of question
Hollett, 57
- Answer deferred
Keough, 249
- Total number of Newfoundland long-liners and Danish seiners operating in Newfoundland waters during the year 1953
- Notice of question
Hollett, 57
- Answer deferred
Keough, 249
- Total quantity of fish caught by these vessels and the total landed value of same
- Notice of question
Hollett, 57
- Answer deferred
Keough, 249
Power, 106
- Whether it is the intention of government to continue with its experimental fishing from such boats in future
- Notice of question
Hollett, 57
- Answer
Keough, 250
- Expenditures
- Table detailed statement showing all capital account expenditure made under Subhead 1422 since April 1st 1953, to date, including the names of all individuals, firms or companies to whom monies were paid and the amount paid to each, together with an explanation with some detail as to why these expenditures were made
- Notice of question
Hollett, 58
- Answer deferred
Keough, 219
Power, 106
- Answer
Keough, 316–317
- Fishery Development Authority
- Give names of recently appointed authority
- Notice of question
Hollett, 57
- Answer deferred
Power, 106
- Answer
Smallwood, 170
- Give the dimensions of the 23 foot boat recently purchased in Europe by said authority; from whom was the boat purchased at what price, and on whose recommendation
- Notice of question
Hollett, 57
- Answer
Smallwood, 170
- State amount of salaries being paid to the Chairman and the members of the authority or committee, and state what if any contract has been entered into with these individuals by government; table copies of said contract or agreement
- Notice of question
Hollett, 57
- Answer
Smallwood, 170
- State in detail the exact duties of the authority, and state under what section of the Consolidated Statutes the authority is set up
- Notice of question
Hollett, 57
- Answer
Smallwood, 170
- Table amount showing the following particulars for the Charlotte and the Matthew: the original building or purchasing cost, the cost of machinery as installed in said boats, the running expenses during the period said boats were in possession of the government, the total earning of said boats and the amounts received on the sale of each boat; table a complete account of each of these boats as it exists at the Dept. of Fisheries
- Notice of question
Hollett, 57
- Answer
Smallwood, 170–171
- On whose authority was each boat built or purchased and on whose recommendation; on whose recommendation were they ordered sold
- Notice of question
Hollett, 57
- Answer
Smallwood, 171

Give a detailed account of any housing schemes envisaged for fishermen

Notice of question

Hollett, 18

Answer

Keough, 36

Give the cost of purchase or hire of each fishing vessel owned or leased by government, with the value of returns, if any

Notice of question

Browne, 388

Answer

Keough, 553

Has government given any consideration to the choice of salt depots in strategic locations as recommended by the committee, and if so, what centres have been selected

Notice of question

Hollett, 18

Answer

Keough, 36

Have any negotiations thus far taken place relative to the establishment of small fish meal plants along the northeast coast as recommended in the aforementioned Development Committee report

Notice of question

Hollett, 17

Answer

Keough, 36

Keough, 36

Have either the provincial or the federal government taken any steps to implement the recommendations in the memorandum dated November 20 1952 by the Walsh Committee relative to a) reconnaissance survey begun in 1952, b) selected sites, c) essential services at those sites, and provide details of any such implementations

Notice of question

Hollett, 17

Answer

Keough, 36

How many longliners have been built during the past fiscal year; who are the owners of same; how much was paid by way of bounty on the hull and how much on the engine of each vessel; what amount of loan is carried by the owner; is there a mortgage on the vessel for the amount of the loan in each case; have any other vessels been built for which a bounty was paid; if so, give the name of the owner, state the kind of vessel, amount of bounty together with loan, if any, made on each vessel

Notice of question

Browne, 740–741

Answer deferred, 777, 803

Answer

Keough, 937–941

How many longliners have been used and what was the cost of each and what was the value of the returns of each

Notice of question

Browne, 388

Answer

Keough, 553

How many plants for the freezing and sorting of fresh fish fillets were in operation in the years 1949 to 1953 inclusive, where are these plants located, and what is the maximum daily production rate and storage capacity of each plant

Notice of question

Fogwill, 1023

How many plants for the freezing and storing of fresh fish fillets are presently in construction, where are these plants located, and what is the proposed maximum daily production rate and storage capacity for each plant

Notice of question

Fogwill, 1023

How much money has been loaned by the Co-operative Loan Board since its formation; give the names of individuals or societies to whom money has been loaned in each case, the amount of the loan, as well as the date of the loan

Notice of question

Hollett, 30

Answer deferred

Pottle, 62

Answer

Smallwood, 169

How much money has been loaned to help fishermen to finance new and better methods, new and better boats and gear, by the Fisheries Development Loan Board since its inception; give the names of individual fishermen, address and amount of loan in each case

Notice of question

Hollett, 30

Answer deferred

Keough, 105

Pottle, 62

Answer

Smallwood, 168–169

How much money has thus far been placed at the disposal of the loan board, and what is the present status financially of each society to whom money was loaned relative to its association with the loan board

Notice of question

Hollett, 30

Answer deferred

Pottle, 62

Answer

Smallwood, 169

How much money was loaned by each of the loan boards since March 31 1953

Notice of question

Hollett, 30

- Answer deferred
Pottle, 62
- Answer
Smallwood, 169–170
- Icelandic vessels
- Does government hold a mortgage on the vessel which was sold on terms, and for what amount
- Notice of question
Hollett, 280
- Answer
Keough, 412
- Give an itemized statement showing the disposition of monies received by the sale of these ships; to whom were the monies paid, and on what accounts
- Notice of question
Hollett, 280
- Answer
Keough, 412
- What amount of money was realized on the sale of each of the four Icelandic vessels owned by Richard Ltd.
- Notice of question
Hollett, 280
- Answer deferred, 315, 350
- Answer
Keough, 411
- Which of these vessels were sold on terms; what were the terms of the sale of this ship; how much money has thus far been received by the government on the sale of this particular ship; and to whom was the ship sold
- Notice of question
Hollett, 280
- Answer
Keough, 412
- Provide detailed account of steps being taken by the provincial and federal government to implement the recommendations of the Newfoundland Development Committee, relative to the fullest utilization of known fishery resources
- Notice of question
Hollett, 17
- Answer
Keough, 35
- Keough, 35
- Restoration of the three mile limit to the province
Drover, 436–437
- Table copies of the two separate agreements made with the Northeastern Co-operative Fisheries Society Ltd. in 1950, relative to the guarantee of a bank loan of \$35,000
- Notice of question
Hollett, 472
- Answer deferred, 497, 533
- What encouragements have been offered by the Government for minor centralization of curing operations in small settlements, and give the locations where any such efforts have been made
- Notice of question
Hollett, 17
- Answer
Keough, 36
- What experiments were made each year since 1949 with various types of fishing vessels, owned or leased by the Newfoundland government or jointly with the federal government
- Notice of question
Browne, 388
- Answer deferred, 411, 437
- Answer
Keough, 552–553
- On what grounds or on what accounts were further expenditures totalling \$27,648.24 made by government on behalf of the Northeastern Co-operative Fisheries Society since March 31 1953; was this amount a guaranteed loan, or did it consist of cash advances, and if so, for what purposes; itemize the various payments making up this amount of \$27,648.24
- Notice of question
Hollett, 472
- What is the exact amount of money thus far placed at the disposal of the Loan Board for financing fishermen
- Notice of question
Hollett, 30
- Answer deferred
Pottle, 62
- Answer
Smallwood, 169
- What steps have been taken on the northeast coast, if any, toward the centralization of the salt fish industry, and what centres have been selected for the establishment of suitable plants to take care of the inshore fishery along that coast
- Notice of question
Hollett, 17
- Answer
Keough, 35–36
- What was the total cost to Treasury of a) the Newfoundland Fisheries Survey; and b) the Royal Commission under Sir Albert Walsh, and give a detailed statement of said costs
- Notice of question
Hollett, 18
- Answer
Keough, 37
- What was the total quantity of fresh frozen fish, in pounds, exported from Newfoundland in the years 1949 to 1953 inclusive
- Notice of question
Fogwill, 1023
- What was the total quantity of fresh frozen fish, in pounds, produced in Newfoundland in the years 1949 to 1953 inclusive
- Notice of question

Fogwill, 1023
 Answer deferred, 1053, 1353
 What, if any program of market research has been instituted by either the provincial or federal government
 Notice of question
 Hollett, 18
 Answer
 Keough, 36
 What, if any, efforts to this end have been made by the Cooperative Division of the Dept. of Fisheries and Cooperatives
 Notice of question
 Hollett, 17
 Answer
 Keough, 36
 Who are the personnel of the Standing Joint Committee on Fishery matters and who is Executive Secretary, what is the salary of said Executive Secretary
 Notice of question
 Hollett, 18
 Who are the personnel of the Standing Joint Committee on Fishery Matters and who is Executive Secretary, what is the salary of said Executive Secretary
 Answer
 Keough, 37
 Who is Newfoundland's representative on the Fisheries Research Board of Canada
 Notice of question
 Hollett, 18
 Answer
 Keough, 36

 Answer
 Smallwood, 1030

FRANCHISE OF ELECTORS ACT. See Election Act, 1954

FREEDOM OF SPEECH

In parliamentary assembly
 Speaker, 385–386

FREIGHT RATES

Give details of legal costs to date and inform the House if any other legal retaining fees have been given to any solicitor or firm of solicitors to handle any future proceedings which the Newfoundland government may take in this matter

Notice of question
Hollett, 679

Is it government's intention to take legal action against the Canadian National Railways for a return to the taxpayers of Newfoundland of all excess rates paid by the people of Newfoundland to the railway from April 1 1949 up to the time a decision was given by the Canadian Supreme Court in favour of Newfoundland

Notice of question
Hollett, 679

Answer
Curtis, 709

List the persons to whom the legal fees have been paid over the freight rate issue and the amount in each instance

Notice of question
Hollett, 679

What was the total cost to the Newfoundland Treasury for the handling of Newfoundland's case in the dispute over freight rates

Notice of question
Hollett, 679

G

GARAGES

Did the Garage Workers' Union make application for the services of a Conciliation Board, and if so, why was a Board not appointed; give full details

Notice of question
Fogwill, 996

Answer
Curtis, 1056

If the Minister is aware of work stoppages, what action is the minister or his department taking to try to solve this problem, which is causing great inconvenience to the general public, much loss of wages to the workers concerned, as well as interrupting the normal operations of those engaged in the car service business

Notice of question
Fogwill, 996

Answer
Curtis, 1056

Is the Minister aware that a work stoppage is in progress in a majority of city garages, for the past three weeks

Notice of question
Holleth, 1109
Danish seiners and Newfoundland long-liners
How many such vessels were operated under government sponsorship; give the names of skippers of said vessels, the number of the crew and the ports from which each such vessel operated, together with total quantities of fish caught by each such boat and value of fish caught by each boat; give also the total expenditure by the government or by any of its departments upon each such boat, together with amounts spent in wages for boat's skipper and crew, during the calendar year 1953; give tonnage of each boat
Notice of question
Holleth, 57
Answer deferred
Keough, 249–250
In the minister's opinion what is the correct tonnage for such fishing boats, the correct crew number; and what is the approximate cost of construction of

such a boat, and total cost including engine when boat is ready for sea
Notice of question
Holleth, 57
Question amended by Speaker, 106
Answer
Keough, 250
Total number of men employed fishing on these boats
Notice of question
Holleth, 57
Answer deferred
Keough, 249
Total number of Newfoundland long-liners and Danish seiners operating in Newfoundland waters during the year 1953
Notice of question
Holleth, 57
Answer deferred
Keough, 249
Total quantity of fish caught by these vessels and the total landed value of same
Notice of question
Holleth, 57
Answer deferred
Keough, 249
Power, 106
Whether it is the intention of government to continue with its experimental fishing from such boats in future
Notice of question
Holleth, 57
Answer
Keough, 250
Expenditures
Table detailed statement showing all capital account expenditure made under Subhead 1422 since April 1st 1953, to date, including the names of all individuals, firms or companies to whom monies were paid and the amount paid to each, together with an explanation with some detail as to why these expenditures were made
Notice of question
Holleth, 58
Answer deferred
Keough, 219
Power, 106
Answer
Keough, 316–317
Fishery Development Authority
Give names of recently appointed authority
Notice of question
Holleth, 57
Answer deferred
Power, 106
Answer
Smallwood, 170
Give the dimensions of the 23 foot boat recently purchased in Europe by said

- authority; from whom was the boat purchased at what price, and on whose recommendation
- Notice of question
Hollett, 57
- Answer
Smallwood, 170
- State amount of salaries being paid to the Chairman and the members of the authority or committee, and state what if any contract has been entered into with these individuals by government; table copies of said contract or agreement
- Notice of question
Hollett, 57
- Answer
Smallwood, 170
- State in detail the exact duties of the authority, and state under what section of the Consolidated Statutes the authority is set up
- Notice of question
Hollett, 57
- Answer
Smallwood, 170
- Table amount showing the following particulars for the Charlotte and the Matthew: the original building or purchasing cost, the cost of machinery as installed in said boats, the running expenses during the period said boats were in possession of the government, the total earning of said boats and the amounts received on the sale of each boat; table a complete account of each of these boats as it exists at the Dept. of Fisheries
- Notice of question
Hollett, 57
- Answer
Smallwood, 170–171
- On whose authority was each boat built or purchased and on whose recommendation; on whose recommendation were they ordered sold
- Notice of question
Hollett, 57
- Answer
Smallwood, 171
- Give a detailed account of any housing schemes envisaged for fishermen
- Notice of question
Hollett, 18
- Answer
Keough, 36
- Give the cost of purchase or hire of each fishing vessel owned or leased by government, with the value of returns, if any
- Notice of question
Browne, 388
- Answer
Keough, 553
- Has government given any consideration to the choice of salt depots in strategic locations as recommended by the committee, and if so, what centres have been selected
- Notice of question
Hollett, 18
- Answer
Keough, 36
- Have any negotiations thus far taken place relative to the establishment of small fish meal plants along the northeast coast as recommended in the aforementioned Development Committee report
- Notice of question
Hollett, 17
- Answer
Keough, 36
- Have either the provincial or the federal government taken any steps to implement the recommendations in the memorandum dated November 20 1952 by the Walsh Committee relative to a) reconnaissance survey begun in 1952, b) selected sites, c) essential services at those sites, and provide details of any such implementations
- Notice of question
Hollett, 17
- Answer
Keough, 36
- How many longliners have been built during the past fiscal year; who are the owners of same; how much was paid by way of bounty on the hull and how much on the engine of each vessel; what amount of loan is carried by the owner; is there a mortgage on the vessel for the amount of the loan in each case; have any other vessels been built for which a bounty was paid; if so, give the name of the owner, state the kind of vessel, amount of bounty together with loan, if any, made on each vessel
- Notice of question
Browne, 740–741
- Answer deferred, 777, 803
- Answer
Keough, 937–941
- How many longliners have been used and what was the cost of each and what was the value of the returns of each
- Notice of question
Browne, 388
- Answer
Keough, 553
- How many plants for the freezing and sorting of fresh fish fillets were in operation in the years 1949 to 1953 inclusive, where are these plants located, and what is the

- maximum daily production rate and storage capacity of each plant
 Notice of question
 Fogwill, 1023
- How many plants for the freezing and storing of fresh fish fillets are presently in construction, where are these plants located, and what is the proposed maximum daily production rate and storage capacity for each plant
 Notice of question
 Fogwill, 1023
- How much money has been loaned by the Co-operative Loan Board since its formation; give the names of individuals or societies to whom money has been loaned in each case, the amount of the loan, as well as the date of the loan
 Notice of question
 Hollett, 30
 Answer deferred
 Pottle, 62
 Answer
 Smallwood, 169
- How much money has been loaned to help fishermen to finance new and better methods, new and better boats and gear, by the Fisheries Development Loan Board since its inception; give the names of individual fishermen, address and amount of loan in each case
 Notice of question
 Hollett, 30
 Answer deferred
 Keough, 105
 Pottle, 62
 Answer
 Smallwood, 168–169
- How much money has thus far been placed at the disposal of the loan board, and what is the present status financially of each society to whom money was loaned relative to its association with the loan board
 Notice of question
 Hollett, 30
 Answer deferred
 Pottle, 62
 Answer
 Smallwood, 169
- How much money was loaned by each of the loan boards since March 31 1953
 Notice of question
 Hollett, 30
 Answer deferred
 Pottle, 62
 Answer
 Smallwood, 169–170
- Icelandic vessels
 Does government hold a mortgage on the vessel which was sold on terms, and for what amount
 Notice of question
 Hollett, 280
 Answer
 Keough, 412
- Give an itemized statement showing the disposition of monies received by the sale of these ships; to whom were the monies paid, and on what accounts
 Notice of question
 Hollett, 280
 Answer
 Keough, 412
- What amount of money was realized on the sale of each of the four Icelandic vessels owned by Richard Ltd.
 Notice of question
 Hollett, 280
 Answer deferred, 315, 350
 Answer
 Keough, 411
- Which of these vessels were sold on terms; what were the terms of the sale of this ship; how much money has thus far been received by the government on the sale of this particular ship; and to whom was the ship sold
 Notice of question
 Hollett, 280
 Answer
 Keough, 412
- Provide detailed account of steps being taken by the provincial and federal government to implement the recommendations of the Newfoundland Development Committee, relative to the fullest utilization of known fishery resources
 Notice of question
 Hollett, 17
 Answer
 Keough, 35
- Table copies of the two separate agreements made with the Northeastern Co-operative Fisheries Society Ltd. in 1950, relative to the guarantee of a bank loan of \$35,000
 Notice of question
 Hollett, 472
 Answer deferred, 497, 533
- What encouragements have been offered by the Government for minor centralization of curing operations in small settlements, and give the locations where any such efforts have been made
 Notice of question
 Hollett, 17
 Answer
 Keough, 36
- What experiments were made each year since 1949 with various types of fishing vessels, owned or leased by the Newfoundland government or jointly with the federal government
 Notice of question
 Browne, 388

- Answer deferred, 411, 437
 Answer
 Keough, 552–553
- On what grounds or on what accounts were further expenditures totalling \$27,648.24 made by government on behalf of the Northeastern Co-operative Fisheries Society since March 31 1953; was this amount a guaranteed loan, or did it consist of cash advances, and if so, for what purposes; itemize the various payments making up this amount of \$27,648.24
- Notice of question
 Hollett, 472
- What is the exact amount of money thus far placed at the disposal of the Loan Board for financing fishermen
- Notice of question
 Hollett, 30
- Answer deferred
 Pottle, 62
- Answer
 Smallwood, 169
- What steps have been taken on the northeast coast, if any, toward the centralization of the salt fish industry, and what centres have been selected for the establishment of suitable plants to take care of the inshore fishery along that coast
- Notice of question
 Hollett, 17
- Answer
 Keough, 35–36
- What was the total cost to Treasury of a) the Newfoundland Fisheries Survey; and b) the Royal Commission under Sir Albert Walsh, and give a detailed statement of said costs
- Notice of question
 Hollett, 18
- Answer
 Keough, 37
- What was the total quantity of fresh frozen fish, in pounds, exported from Newfoundland in the years 1949 to 1953 inclusive
- Notice of question
 Fogwill, 1023
- What was the total quantity of fresh frozen fish, in pounds, produced in Newfoundland in the years 1949 to 1953 inclusive
- Notice of question
 Fogwill, 1023
- Answer deferred, 1053, 1353
- What, if any program of market research has been instituted by either the provincial or federal government
- Notice of question
 Hollett, 18
- Answer
 Keough, 36
- What, if any, efforts to this end have been made by the Cooperative Division of the Dept. of Fisheries and Cooperatives
- Notice of question
 Hollett, 17
- Answer
 Keough, 36
- Who are the personnel of the Standing Joint Committee on Fishery matters and who is Executive Secretary, what is the salary of said Executive Secretary
- Notice of question
 Hollett, 18
- Who are the personnel of the Standing Joint Committee on Fishery Matters and who is Executive Secretary, what is the salary of said Executive Secretary
- Answer
 Keough, 37
- Who is Newfoundland's representative on the Fisheries Research Board of Canada
- Notice of question
 Hollett, 18
- Answer
 Keough, 36
- Foster homes and boarding homes**
- Are regular inspections made, if so, how often and by whom
- Notice of question
 Fogwill, 906
- Answer
 Smallwood, 1030–1031
- Are these foster homes and boarding houses visited regularly by a medical officer; provide details
- Notice of question
 Fogwill, 906
- Answer
 Smallwood, 1030, 1031
- Does the government prescribe the diet to be supplied the children and adults in these foster homes and boarding homes
- Notice of question
 Fogwill, 906
- Answer
 Smallwood, 1030
- Into how many foster homes has the government placed children; where are these homes located
- Notice of question
 Fogwill, 906
- Answer deferred, 936, 997
- Answer
 Pottle, 1029–1030
- How many male and female adults are supported in boarding houses by the government at the present time
- Notice of question
 Fogwill, 906
- Answer
 Smallwood, 1030

How many male and female children have the government placed in foster homes; what is the total number at present being cared for

Notice of question
Fogwill, 906

Answer
Smallwood, 1030

State number and location of these boarding houses

Notice of question
Fogwill, 906

Answer
Smallwood, 1030

What is the amount paid each month in respect of each adult

Notice of question
Fogwill, 906

Answer
Smallwood, 1030

What is the amount paid each month, in respect of each child

Notice of question
Fogwill, 906

Answer
Smallwood, 1030

Freight rates

Give details of legal costs to date and inform the House if any other legal retaining fees have been given to any solicitor or firm of solicitors to handle any future proceedings which the Newfoundland government may take in this matter

Notice of question
Hollett, 679

Is it government's intention to take legal action against the Canadian National Railways for a return to the taxpayers of Newfoundland of all excess rates paid by the people of Newfoundland to the railway from April 1 1949 up to the time a decision was given by the Canadian Supreme Court in favour of Newfoundland

Notice of question
Hollett, 679

Answer
Curtis, 709

List the persons to whom the legal fees have been paid over the freight rate issue and the amount in each instance

Notice of question
Hollett, 679

What was the total cost to the Newfoundland Treasury for the handling of Newfoundland's case in the dispute over freight rates

Notice of question
Hollett, 679

Garages

Did the Garage Workers' Union make application for the services of a Conciliation Board,

and if so, why was a Board not appointed; give full details

Notice of question
Fogwill, 996

Answer
Curtis, 1056

If the Minister is aware of work stoppages, what action is the minister or his department taking to try to solve this problem, which is causing great inconvenience to the general public, much loss of wages to the workers concerned, as well as interrupting the normal operations of those engaged in the car service business

Notice of question
Fogwill, 996

Answer
Curtis, 1056

Is the Minister aware that a work stoppage is in progress in a majority of city garages, for the past three weeks

Notice of question
Fogwill, 996

Health care

In the case of employees suspended during the inquiry but exonerated by the findings thereof, is it the intention of the Government or the department to reinstate any or all such persons in their employment

Notice of question
Higgins, 31

Answer
Minister of Health, 63–64

Give the names of all of the interns at each of the hospitals in Newfoundland

Notice of question
Hollett, 56

Answer, 140

Have any of these persons since been employed in the Dept. of Health or any other department of government

Notice of question
Higgins, 32

How many employees in all were suspended or dismissed during the investigation carried out by the Royal Canadian Mounted Police

Notice of question
Higgins, 31

Answer
Minister of Health, 63

How many student nurses are presently in training at the various hospitals in Newfoundland; state the number at each hospital and the terms of service with regard to salary and allowances; state their hours of work each day and night

Notice of question
Hollett, 56

Answer, 139–140

How many ward aids are employed at the General Hospital, and what wages and salaries are paid out, and what are the hours of work

Notice of question

Hollett, 56

Answer, 140

How will the three hundred thousand dollars for the adjustment of salaries in the Dept. of Health estimates be appropriated

Notice of question

Hollett, 55

Answer tabled

Forsey, 131

Answer, 139

State the number of orderlies at the General Hospital, their hours of work, and their salaries, and how many orderlies have homes outside of St. John's

Notice of question

Hollett, 55–56

Answer, 139

Table copy of report made by Mr. C. E. Hunt, following an inquiry into conditions at the Mental Hospital and the dismissal or suspension of some 14 employees

Notice of question

Hollett, 679

Answer

Curtis, 708

Whether it is the intention of government to publish the report of the inquiry conducted into the administration of the Hospital for Mental and Nervous Diseases

Notice of question

Higgins, 31

Answer

Minister of Health, 63

Housing

In computing the amount payable for rent-purchase per month by the occupier of a home is it a fact that family allowances and war pension cheques are treated as income

Question

Hollett, 88

Answer, 353

Table a complete statement of amounts due the government by the St. John's Housing Corporation, and the amounts due Government by any other housing projects throughout the province

Question

Hollett, 88

Answer

Minister of Municipal Affairs, 351–353

Table statement showing the original amounts advanced the various housing projects, and show whether or not said corporations are carrying out their financial obligations with government

Question

Hollett, 88

Answer

Minister of Municipal Affairs, 351–353

Who are the personnel of the St. John's Housing Authority

Question

Hollett, 88

Answer, 353

International Grenfell Association

Table the amount given or advanced to the association in each year from 1949 to 1953 inclusive

Notice of question

Drover, 160

Answer

Forsey, 166

Justice

How many magistracy appointments are to be made, and in what areas will they be located

Notice of question

Higgins, 31

Answer deferred

Curtis, 63

Whether Government of Newfoundland intends to make any appointments to the magistracy

Notice of question

Higgins, 31

Answer

Curtis, 63

Why are District Courts not operating at the present, and when might they be expected to work

Browne, 682

Curtis, 682

Labrador Railway

Whether Mr. Doyle of Canada has applied to the government for permission to build a spur on the Wabush shore of the Labrador railway

Notice of question

Browne, 1434

Answer

Smallwood, 1434

Legislation

Whether Attorney General might bring forward a bill that limits the number of bills in each session

Browne, 1982

Curtis, 1982

Memorial College Annex

Generally what is the arrangement of the use of this building by parties other than the Memorial University College authorities

Notice of question

Hollett, 129–130

What amount was paid by the Liberal Association on this account, on the occasion of the recent annual ball in celebration of the birthday of the Hon. Louis St. Laurent

Notice of question

Hollett, 129

What is the total amount of money received by the Treasury during the past fiscal year for the hire or rent of the building

Notice of question
Hollett, 129, 283

Answer deferred
Power, 165
Smallwood, 209, 283

Answer
Spencer, 283

MIAG

Give itemized list of equipment and machinery shipped to Newfoundland by the German firm of MIAG, for the various new industries, including that which was shipped for the cement plant, together with invoice values of said machinery and equipment

Notice of question
Hollett, 531

Answer
Smallwood, 573, 588, 618–619

Name the company or companies who carried insurance on the equipment and machinery shipped and also the persons or companies to whom insurance was paid by government

Notice of question
Hollett, 532

What rate of insurance was charged on machinery shipped to Newfoundland by the German firm of MIAG, and what was the amount of insurance premium on each shipment of machinery and/or equipment

Notice of question
Hollett, 531

Answer deferred
Smallwood, 573

Answer
Smallwood, 619

Mines and Resources

Geological survey
Give the total cost to the department of all surveys made by said department since March 31st 1953, together with locations of each separate survey, its cost and the number of men employed on each survey; list the total number of Newfoundlanders on each survey party

Notice of question
Hollett, 88

Question
Question
Hollett, 88

Answer tabled
Rowe, 131

Answer
Smallwood, 132–133

If government paid for the survey, has Nalco reimbursed the department for costs

Question
Hollett, 87

Answer tabled
Rowe, 131

What was the cost of the three-man survey party under Mr. Gillespie on limestone outcrops in the vicinity of the Humbermouth Cement Plant and of the spotting and drilling of holes at the quarry of the cement plant last summer

Question
Hollett, 87

Answer tabled
Rowe, 131

What was the cost to government of the 35 man Geological Survey on the holdings of the Newfoundland and Labrador Corporation in Labrador last summer

Question
Hollett, 87

Answer tabled
Rowe, 130–131

Who paid the cost of the three-man survey and its expenses, and if it was the Dept. of Mines and Resources, has the department been reimbursed by the present owners of the cement plant

Question
Hollett, 87–88

Answer tabled
Rowe, 131

If government maintains a cabin on Gander River, when was property acquired, from whom, and at what price

Notice of question
Higgins, 31

Answer
Rowe, 63

Was cabin property used in 1953, and if so, during what periods and by whom

Notice of question
Higgins, 31

Answer
Rowe, 63

To what persons have loans been made for the purchase of livestock and land development purposes, and the purchase of farm equipment, giving the amount loaned in each case, the conditions for repayment; what was the date of each loan; has a first mortgage been taken on borrower's real estate as security, and if not, state the reason; have other applications for loans been approved but not yet granted; who are these applicants and for what amounts have the loans been approved; who drafted the mortgages given by borrowers; was there any charge for same; if so, how much was the amount in each case; is there a registration fee on each mortgage; who pays for costs of mortgage and registering

Notice of question
Browne, 741

Answer
Hollett, 804–805
Rowe, 803–804
Smallwood, 804
For what purpose is cabin on Gander River maintained
Notice of question
Higgins, 31
Answer
Rowe, 63
Whether any staff are employed to maintain the cabin on Gander River, and if so, list their names and salaries
Notice of question
Higgins, 31
Answer
Rowe, 62
Whether government maintains a cabin or cabins on Gander River
Notice of question
Higgins, 31
Answer
Rowe, 63

NALCO

Did Canadian Javelin purchase any shares in Nalco, and if so, how many and at what price per share
Notice of question
Hollett, 17
Answer
Smallwood, 33
Give an itemized account of all expenditures made by NALCO since its incorporation, and table a statement showing income and the amount of money on hand at the present time by this Crown Corporation
Notice of question
Hollett, 17
Answer declined
Smallwood, 35
Give the names and addresses of the present Directors of NALCO, and how many shares are owned by each of these said Directors
Notice of question
Hollett, 17
Answer
Smallwood, 35
How many paid officials are or have been employed by Nalco during the past fiscal year; give their names, dates of employment and the salaries they receive or received at the yearly rate; where is the head office of Nalco at the present time
Notice of question
Browne, 343
How many shares are owned in NALCO by private individuals and by corporations, and what price per share was paid
Notice of question
Hollett, 17
Answer

Smallwood, 33
How many shares in Nalco are presently owned by the government and how much was paid for each share
Notice of question
Hollett, 17
Answer
Smallwood, 33
How much money has been paid from the treasury to Nalco
Notice of question
Hollett, 17
Answer
Smallwood, 33
What interest, if any, financially or otherwise, does Canadian Javelin have in NALCO at the present time
Notice of question
Hollett, 17
What percentage of shares in Nalco is presently owned by the government
Notice of question
Hollett, 17
What salary was being paid to Dr. Alfred Valdmanis by Nalco at the time of his resignation
Notice of question
Hollett, 17
Answer
Smallwood, 34
What, if any concessions to date have been granted by Nalco, and state to whom such concessions were granted, the extent of the concession, and in what areas were such concessions granted
Notice of question
Hollett, 17
Answer
Smallwood, 34–35
Where has been situated the head office of NALCO during the past twelve months
Notice of question
Hollett, 17
Answer
Smallwood, 34
Newfoundland and Labrador Corporation Ltd.
Notice of question
Table full report of corporation's activities
Hollett, 17
Answer
Smallwood, 33
Table copies of correspondence between any members of government and Dr. Valdmanis relative to the corporation; also table correspondence between government and Canadian Javelin Company relative to their selection of mining leases
Notice of question
Browne, 128
Answer
Smallwood, 164

Newfoundland Hardwoods Ltd.

Does the agreement with the Newfoundland Hardwoods Ltd. contain any provision for representation from the government on the Board of Directors of the said company

Notice of question
Browne, 314–315

Answer
Smallwood, 343

Does the agreement with the said company give the government any control over salaries paid to the managing director or any others

Notice of question
Browne, 315

Answer
Smallwood, 343

Does the said agreement protect the government investment from liabilities incurred by the company

Notice of question
Browne, 315

Answer
Smallwood, 343

Give an itemized statement with vouchers of the account of \$1497.17 travelling expenses incurred by Mr. Chester Dawe in the United States of America from January 9th to January 18th, 1951 in reordering machinery for the birch plant and in seeking markets for birch products; whether this amount has been paid Mr. Dawe

Answer deferred, 828

Answer
Smallwood, 1027, 1028

Give detailed account of all travelling expenses paid to Mr. Dawe from Newfoundland Hardwoods Ltd. Limited

Answer deferred, 828

Answer
Smallwood, 1028

Give the names and serial numbers or other identification marks of items referred to together with names of manufacturers and prices for each item

Notice of question
Browne, 968

Answer
Smallwood, 1026

Has any money been advanced to the company since January 1 1954 for any purpose, and if so, give the date, amount, and purpose

Notice of question
Browne, 936

Answer, 1027

Has government received a copy of the annual report of said company, and if so, table a copy

Notice of question
Browne, 315

Answer

Smallwood, 343

Has the Auditor General the right or duty to inspect the books of accounts of this company on behalf of government

Notice of question
Browne, 936

Answer, 1027

Has this company accounted for the expenditure of working capital provided by government

Notice of question
Browne, 936

Answer, 1027

How much money has been advanced to Newfoundland Hardwoods Ltd. as working capital since March 31st 1953, and what amount, if any, has been paid back to the government on account of capital account and of working capital

Notice of question
Hollett, 29

Answer deferred
Smallwood, 37, 62, 140

How much money has been supplied to the Newfoundland Hardwoods Ltd. as working capital since it began operations

Notice of question
Browne, 936

Table copies of all correspondence between government and Chester Dawe, relative to granting amounts of working capital for the company

Notice of question
Browne, 128

Answer
Browne, 164
Smallwood, 164, 165

Table receipts, vouchers and payrolls concerning the construction and equipment for the manufacture of hardwood products at the Donovan's plant

Notice of question
Browne, 247

Answer deferred, 280

Answer, 545–550

Supplemental
Browne, 553, 554–555
Smallwood, 553–554, 555

What are the items referred to in Paragraph 39 of the Auditor General's report for 1951-1952 where it was observed that "goods other than those ordinarily sold by Chester Dawe Ltd. were supplied" to the Newfoundland Hardwoods Ltd. Ltd. Ltd.

Notice of question
Browne, 968

Answer deferred, 997

Answer
Smallwood, 1026

From what person or persons was the land purchased for the site of the Newfoundland Hardwoods Ltd. Co. Ltd. building; what was the total acreage

purchased and what was the amount paid for same
 Answer deferred, 828
 Answer
 Smallwood, 1027

What salary is payable to the managing director
 Notice of question
 Browne, 315
 Answer deferred
 Smallwood, 343

What security, if any, has been given the government for advances to the company
 Notice of question
 Browne, 936

What was the value of sales for 1953, and what was the actual cost of goods sold by the company
 Notice of question
 Browne, 315
 Answer deferred
 Smallwood, 343

Who are the directors of the said company
 Notice of question
 Browne, 315
 Answer
 Smallwood, 343

Peat, Marwick, Mitchell & Co.
 Is Chairman of the committee Mr. Thompson to be paid a salary or fee, and if so in what amount or at what rate, and for what period
 Question
 Hollett, 89
 Answer deferred
 Power, 167
 Answer
 Smallwood, 167

Is Mr. James Thompson the Chairman of the Committee set up by the government to prepare Newfoundland's case to be laid before the Royal Commission on financial terms as called for in the Terms of Union
 Question
 Hollett, 89
 Answer deferred
 Power, 167
 Answer
 Smallwood, 167

List members of the committee, together with any agreement or arrangement with each individual member as to monetary or any other form of recompense for their services
 Question
 Hollett, 89
 Answer deferred
 Power, 167
 Answer
 Smallwood, 167

Table the total money paid out to Mr. James Thompson by the firm of Peat, Marwick, Mitchell & Co. since April 1st 1949 and the

services performed by Mr. Thompson for said monies; give amounts paid to him in each fiscal year since April 1st 1949
 Question
 Hollett, 89
 Answer deferred
 Smallwood, 131
 Answer
 Power, 166

Who is the secretary of the committee, and what salary or other recompense is he to receive for his services
 Question
 Hollett, 89
 Answer deferred
 Power, 167
 Answer
 Smallwood, 167

Petitions

Whether it is the intention to present to the House a petition from Burin as to whether or not there is to be a sale of alcoholic liquor in that area
 Notice of motion
 Hollett, 1840
 Answer deferred
 Smallwood, 1840

Public Utilities Commission

How many applications have been before the commission during the past fiscal year
 Notice of question
 Browne, 497

Table the names, positions and salaries of all employees
 Notice of question
 Browne, 437
 Answer, 472

What was the decision or other determination of each application that came before the commission during the past fiscal year
 Notice of question
 Browne, 497

What was the nature of each application that came before the commission during the past fiscal year
 Notice of question
 Browne, 497

Public Welfare

Whether Newfoundland was included in the nine provinces which have agreed with the Canadian government regarding the new act for pensions for disabled persons
 Notice of question
 Browne, 1537–1538
 Pottle, 1538

Public Works

- Answer deferred
Pottle, 62
- Answer
Pottle, 213

Royal Commission for the Preparation of the Case of the Government of Newfoundland for the Revision of the Financial Terms of Union

Is Mr. James Thompson the Chairman of the Committee set up by the government to prepare Newfoundland's case to be laid before the Royal Commission on financial terms as called for in the Terms of Union

Question

Hollett, 89

Answer deferred

Power, 167

Answer

Smallwood, 167

Salacious literature

Give the dates when prosecutions for the sale or distribution of salacious literature were held together with the names of the defendants and the results of each case, if any

Notice of question

Browne, 880

Has anyone complained to the Attorney General regarding the sale or distribution of salacious literature

Notice of question

Browne, 937

Answer

Curtis, 937

How many prosecutions for the sale or distribution of salacious literature have been undertaken in Newfoundland during the past two years

Notice of question

Browne, 880

Answer deferred, 907

Answer

Curtis, 936–937

Sennewald, Dr. Lothar

Has Dr. Sennewald abandoned the scheme to manufacture eye-glass frames in Newfoundland, and if so, why

Notice of question

Hollett, 129

Answer

Smallwood, 165

Has Dr. Sennewald paid back to the Government any of the money, and if so, what amount

Notice of question

Hollett, 129

Answer

Smallwood, 165

How much money was paid in customs duty on goods and machinery brought into this country from Dr. Sennewald; table all correspondence between the Dept. of Economic Development and the Federal Customs Dept. relative to the return of said duty; is it a fact that the Newfoundland government assisted Dr. Sennewald to get said duty refunded

Notice of question

Hollett, 802

Answer

Smallwood, 855

On what date did the machinery which was to be used in Dr. Sennewald's optical plant arrive in St. John's

Notice of question

Hollett, 802

Answer

Smallwood, 855

On what date was said machinery shipped out of Newfoundland, and by what route, and state its destination; in what insurance company was said machinery insured when shipped out of Newfoundland, and what amount of insurance was placed on same

Notice of question

Hollett, 802

Answer

Smallwood, 855

What is the present relationship between government and Dr. Sennewald, contractually and financially

Notice of question

Hollett, 129

Answer

Smallwood, 165

What is the total amount paid out to Dr. Sennewald for the establishment of the optical or eye-glass frame factory

Notice of question

Hollett, 129

Answer

Smallwood, 165

What was the amount of the declared customs value, and the value of machinery to be used in the plant, as appraised by the Minister, or other person on his behalf

Notice of question

Hollett, 802

Answer

Smallwood, 855

What was the exact amount of government monies transferred at any or all times since Dr. Sennewald signed his contract

Notice of question

Hollett, 802

Answer

Smallwood, 854

Sheep

Confirm whether the sheep from Scotland have been sold

Browne, 1707

Rowe, 1707–1708, 1764

Social Security Assessment Act

How many inspectors have been appointed for the purposes of the act; when were they appointed; who are they; how many prosecutions have been taken under the act; how many convictions have been

registered; give magistrates before whom prosecutions were taken indicating number of prosecutions before each magistrate; where are the inspectors located
Notice of question
Browne, 1024
Answer deferred, 1052
Answer
Power, 1160–1161

Superior Rubber Company
How many men and/or women are presently employed at this plant
Notice of question
Hollett, 802
Is the plant owned by the Superior Rubber Company now in production, and if so on what date did the plant go into production
Notice of question

Power, 206-208

Transportation

Ferries

Has government paid any monies to the operator of the ferry service across the Exploits River since July 1st 1953, by way of subsidy or otherwise, and if so, by what amount, and how was the amount arrived at

Notice of question

Hollett, 130

Answer

Spencer, 166

Answer

Spencer, 165-166

Has the operator of the Exploits River ferry service paid any money to government from the operations of this service, and if so, what amount, and how was the amount arrived at

Notice of question

Hollett, 130

Answer

Spencer, 166

If any monies have been paid to the operators of the Exploits River ferry service, what person if any has certified to the correctness thereof

Notice of question

Hollett, 130

Answer

Spencer, 166

Table number of persons crossing the Exploits River by ferry service

Notice of question

Hollett, 130

Answer

Spencer, 166

Table number of vehicles ferried across the Exploits River

Notice of question

Hollett, 130

Total amount of fees collected since July 1

1953 for the Exploits River ferry service

Notice of question

Hollett, 130

Were tenders called for the construction of the ferry to operate on Placentia Gut, or for the construction of the terminals on each side; give the names, if any, of those who tendered, with the amount of each tender; provide the estimated cost of this project, and how much has been expended to date thereon

Notice of question

Browne, 128

Answer

Spencer, 439-440

Who operates the ferry service across the

Exploits River and under what

arrangement with the Minister's

department is such operation carried

out

Notice of question

Hollett, 130

Roads

Amount spent in each of the years 1950, 1951, 1952, and 1953 on the maintenance of the Deer Lake-Corner Brook Highway, including the paved section from Steady Brook to Corner Brook

Notice of question

Hollett, 28

Answer deferred

Spencer, 62, 105

Answer

Spencer, 141

Amount spent on snow clearing on the Deer Lake-Corner Brook highway during the winters of 1950-1954

Notice of question

Hollett, 28

Answer deferred
Spencer, 62
Answer
Spencer, 141
How many miles of roads remain to be constructed, and the number of bridges together with approximate costs for paving

**ROYAL COMMISSION FOR THE PREPARATION OF
THE CASE OF THE GOVERNMENT OF
NEWFOUNDLAND FOR THE REVISION OF
THE FINANCIAL TERMS OF UNION**

To be appointed within eight years of confederation
Lieutenant Governor, 2117

Is Mr. James Thompson the Chairman of the
Committee set up by the government to
prepare Newfoundland's case to be laid
before the Royal Commission on financial
terms as called for in the Terms of Union

Question

Hollett, 89

Answer deferred

Power, 167

Answer

Smallwood, 167

ROYAL COMMISSION ON AGRICULTURE

Recommendations to provide basis for policy
Lieutenant Governor, 3

ROYAL COMMISSION ON FORESTRY

Recent appointment of
Lieutenant Governor, 3

RULINGS

Amendments

Clarification on whether amendment was moved
Chairman, 2008

Matter to be further considered and ruled upon
later

Speaker, 1754–1755

Member discussing only the principle of the
clause

Chairman, 1758

Members may speak to the amendment without
forfeiting the right to speak to the main
question

Speaker, 1977–1978

Not relevant to the bill and could not be properly
moved in Committee

Speaker, 1753

Out of order that Member argues whether name
should be published

Chairman, 1757

Ruled out of order

Chairman, 2003, 2004

Should not be destructive of the principle of the
bill

Speaker, 1756

Whether amendment proposed by the minister
can be withdrawn

Chairman, 2008

Whether one can be made

Chairman, 2003

Answers to Questions for Which Notice has been
Given

Speaker, 187

Beauchesne and May excerpts cannot be adapted to
a provincial legislature simply by deleting the
word "Governor-General" and substituting the
words "Lieutenant-Governor"

Speaker, 625

Chair should get recognition

Speaker, 364

Chair will not ask Premier to retract statements made
yesterday

Speaker, 752

Clarification

Of member's intent

Speaker, 836

Regarding previous debate on ferry service

Speaker, 2037

Committee

Dealing with two bills in Committee

Speaker, 273

Members should address the Chair

Chairman, 1956

Members speaking to amendment, not to main
motion

Speaker, 1975

Repetition in committee debate

Chairman, 582

Second reading speech and reply should not
occur in committee

Chairman, 1965

Committee of Ways and Means—Rulings

Chairman, 2021–2022

Debate

Every member may speak to the non-confidence
motion, except for the mover of the motion

Speaker, 65

First readings are little more than a statement of
the title of the bill

Speaker, 107

Government House Leader can call government
business in the order which government
prefers

Speaker, 107

Latitude permitted with some restrictions in budget
debate

Speaker, 1777–1778

Member is anticipating the committee stage in
second reading

Speaker, 659

No debate on Speaker's rulings

Speaker, 60

Reference must not be made to prior debate
Chairman, 1387–1388

References to Her Majesty in debate is out of
order

Speaker, 1116

Whether it is in order for Committee stage
arguments to be revived in third reading

- Speaker, 1710
- Whether it is sufficient that Member bowed to Speaker's ruling, but did not retract his remarks
Speaker, 1117
- Whether Member can revive debate that is already closed
Speaker, 1082
- Whether Members may speak in debate in third reading
Speaker, 1840
- Whether Premier may wander far afield in debate when the Member cannot do so
Speaker, 1088–1089
- Whether principle of clause is debatable in committee
Chairman, 2002
- Decorum—In bad taste for any Member to speak unless he rises and addresses the Chair
Chairman, 1361
- Evening Telegram* wrongly attributes Minister's public welfare comments to be related to Stephenville
Speaker, 385–387
- House of Assembly
Adjournment
Speaker, 1246, 1247
- If Minister was asked a question, the Premier is free to answer it
Chairman, 1431
- Imputing a motive
Speaker, 2032
- Interruptions during a Member's speech are out of order
Speaker, 444
- Interruptions in debate generate heat
Speaker, 1601
- Language, unparliamentary
"ashamed"
Speaker, 1972
- "creed against creed"
Speaker, 1134–1135
- "damnable liar"
Speaker, 729–730, 749
- "damnable lie"
Speaker, 1768
- "desirous of burying the Premier"
Speaker, 424
- "disturb the dignity of the House"
Speaker, 557–558
- "idiotic"
Speaker, 980
- "if they have any common sense"
Speaker, 1978
- "liar" and "you shut up"
Speaker, 1770
- "lie"
Speaker, 1696
- "mis-statements"
Speaker, 83
- "misdemeanour"
Speaker, 46
- "no one could expect justice from the honourable gentleman"
Speaker, 336
- "who is the leader and who is the follower"
Chairman, 2002
- Allegation of graft
Speaker, 224
- Imputing motives
Speaker, 254
- Members must not bring up references from years past in points of order
Speaker, 1800
- Mentioning name of Her Majesty at the same time as mentioning Government
Speaker, 1115, 1116
- No words may be heard in quotation which would be improper to say in the course of speech
Speaker, 181
- Speaker cannot permit remarks containing innuendo to be ferreted out
Speaker, 241
- Leader of the Opposition should not cast reflection on the Chair
Speaker, 480
- Matters subjudice are not subject to debate in the House
Speaker, 1702–1703
- Member cannot bring up grievances when motion was put for Committee to sit again
Speaker, 1910
- Member cannot criticize procedure of the House
Speaker, 958
- Member cannot debate Chairman's ruling
Chairman, 1388
- Member cannot discuss a budget speech which has not yet been made
Speaker, 1084
- Member cannot infer that government members had anything to do with the sale of liquor
Speaker, 238
- Member cannot refer to a debate which took place earlier in the present session and which has been concluded
Speaker, 666
- Member cannot speak again in debate
Speaker, 2033
- Member cannot state whether the member in question meant something, but that he thinks he meant something
Speaker, 835
- Member cannot take ruling of the Chair and twist it into an item of debate
Speaker, 187
- Member claims right to correct statement made by Premier
Speaker, 1090
- Member complains of Premier speaking about Confederation campaign
Speaker, 333
- Member denies having said he disliked Mr. Perlin
Speaker, 1744, 1745
- Member denies having used certain words

- Speaker, 335
- Member for St. John's West made false statement on radio, which should be retracted
 - Speaker, 1706, 1707
- Member has no right to infer things he did not hear
 - Speaker, 958
- Member may not say certain things because the matter is sub judice
 - Speaker, 467–468
- Member may read notes from committee report
 - Speaker, 232
- Member misrepresented
 - Speaker, 839
- Member must be seated when asked to do so
 - Speaker, 486
- Member never called Family Allowances a "bluff"
 - Speaker, 1087
- Member not to enter into debate with the Chair
 - Speaker, 1007
- Member should address himself to the Chair
 - Speaker, 48
- Member should be heard in silence
 - Speaker, 479
- Member should not make personal remarks
 - Speaker, 374
- Member should not pick up on every little interruption
 - Speaker, 486
- Member should not speak to other members directly
 - Chairman, 1327
- Member speaking should be allowed to make his own speech
 - Speaker, 298
- Member speaking should not allow himself to be drawn into side arguments
 - Speaker, 417
- Member wishing to address a remark to another
 - Member must do it through the Chair
 - Speaker, 415
- Members can ask questions of ministers
 - Speaker, 1007
- Members cannot make personal comments
 - Chairman, 2011
 - Speaker, 1976
- Members have the floor only when they address the Chair
 - Speaker, 190, 191, 195
- Members may not rise on false points of order
 - Speaker, 2018
- Members may refer to past acts, but not criticize them
 - Speaker, 223
- Members must not use the pronoun 'you'
 - Chairman, 1515
 - Speaker, 459, 1266, 1468
- Members should address the Chair
 - Speaker, 982
- Members should not get too personal in their remarks
 - Speaker, 1133
- Members should not read from newspaper extracts
 - Speaker, 180
- Members should refrain from overuse of the personal pronoun
 - Speaker, 231
- Members should remember who has the floor
 - Speaker, 298
- Members to be referred to as Honourable
 - Speaker, 913
- Members to cease private conversation and maintain dignity of the debate
 - Speaker, 912
- Members to keep away from personalities and opprobrious words
 - Speaker, 1089
- Members to return to Chamber when they hear the buzzer
 - Speaker, 921
- Members' surnames should not be used
 - Speaker, 240
- Milling over debates of the National Convention out of order
 - Speaker, 1090
- Misquoting a Member
 - Speaker, 835
- Money bills
 - Procedure for
 - Speaker, 162
 - Whether bill is money bill and should be considered first in resolution stage in committee
 - Browne, 339, 341
 - Curtis, 341
 - Speaker, 339–342
 - Whether the Newfoundland Fisheries Development Authority Act is a money bill
 - Speaker, 587, 625–627
- Motion against Chairman's ruling and matter to be referred to the Speaker
 - Whether Chairman was justified in accepting an amendment to Clause 2 of the Highway Traffic Act
 - Moved
 - Smallwood, 1751
 - Debate
 - Browne, 1752
 - Courage, 1751
 - Hollett, 1752
 - Murray, 1752
 - Smallwood, 1751–1752
- Newspapers should not be read in the House
 - Chairman, 1896
- No member may speak while Speaker is standing
 - Speaker, 1092
- No point of privilege can come before the chair when the Chair is giving a decision on an alleged point of order
 - Speaker, 443–444
- Not permissible on questions or answers to questions
 - Speaker, 805
- Not permitted on questions, nor statements made on questions
 - Speaker, 1006

- Notice of questions must be put on the order paper
Speaker, 828
- Number of times a Member can speak to a motion
Speaker, 739
- One should not refer to a debate on an amendment
on which one did not speak
Speaker, 1644
- Other members can refute arguments after Member
speaking sits down
Chairman, 2066
- Out of order to make direct attack on members on
the other side of the House
Speaker, 486
- Petitions
- Member cannot criticize government department
when making a petition
Speaker, 410
 - Whether Member can present a petition to the
Lieutenant Governor in Council or only to
those in the House of Assembly
Speaker, 469, 470
- Premier should not provoke Leader of the Opposition
with his question
Speaker, 648
- Prima facie case
Speaker, 385–387
- Principle of bill
- Already adopted, and should not be further
debated
Chairman, 1747, 1748
 - Defining principle for second reading of a bill
Speaker, 1622
 - Difficulty in defining the principle of the bill
Chairman, 1750
 - May not be discussed
Chairman, 586
 - Member arguing the principle of the bill in
Committee of the Whole and taking up
point made by minister when bill was
introduced in second reading
Chairman, 1748
 - Member cannot debate principle of bill in
Committee
Chairman, 1177
 - Should not be discussed in committee
Chairman, 2004, 2005–2006
 - Whether a bill can contain more than one principle
Chairman, 1749
 - Whether declaration of clause is intrinsic principle
of the bill
Speaker, 1755–1756
- Private conversation has gone on too long
Speaker, 476
- Questions
- Admissibility of
Speaker, 58–60
 - Authority of Speaker to amend
Speaker, 106
 - Chair has the right to delete improper questions
Speaker, 533
 - Directed Minister to table material
Speaker, 1027
- May not be asked of a minister as to what advice
he intends to give the Crown
Speaker, 709
- Ruled inadmissible—Board of Liquor Control
- In all cases where owners of premises where
alcoholic liquors are sold are a limited
liability company, and in all cases
where licenses have been granted to a
limited liability company, list the names
of shareholders of said companies
Speaker, 58
 - List all taverns, hotels and club licenses in
Newfoundland, with name and address
of the proprietors, together with names
and addresses of the owners of
premises from which alcoholic liquors
are sold
Speaker, 58
 - What, if any, licenses have been issued for the
sale of liquor from premises in which
any member of this Honourable House
has a proprietary interest or a monetary
interest of any kind, and list the names
of such members and location of
buildings concerned, 58
- Quorum
- Amending rules for
Speaker, 1348
 - Motion made previous day out of order
Speaker, 1346–1347
- Recommittal of bill
Speaker, 995
- Reference must not be made to matters before the
courts
Chairman, 1387–1388
- Relevance
- Chairman, 1412, 1486, 1550, 1818, 2068
 - Speaker, 81, 179, 195, 233, 367, 369, 515, 516,
577, 864, 866, 951, 1120, 1134, 1190,
1601, 2029
- Second reading—Procedure for
Speaker, 1565
- Should not contain insinuation or innuendo
Speaker, 1702
- Speaker objects to insinuation that Premier is making
the rules of the House
Speaker, 1778–1779
- Speaker will not be placed in position of having to
defend any political party
Speaker, 1093
- Speaker's ruling to be accepted by the House
- Debate
 - Moved
 - Smallwood, 1756
 - Hollett, 1756
 - Carried, 1756
- Stenographer cannot manage if more than one
member speaks at a time
Speaker, 1337

SENNEWALD, DR. LOTHAR

Has Dr. Sennewald abandoned the scheme to
manufacture eye-glass frames in
Newfoundland, and if so, why
Notice of question
Hollett, 129
Answer
Smallwood, 165
Has Dr. Sennewald paid back to the Government any
of the money, and if so, what amount
Notice of question
Hollett, 129
Answer
Smallwood, 165
How much money was paid in customs duty on
goods and machinery brought into this
country from Dr. Sennewald; table all
correspondence between the Dept. of
Economic Development and the Federal
Customs Dept. relative to the return of said
duty; is it a fact that the Newfoundland
government assisted Dr. Sennewald to get
said duty refunded
Notice of question
Hollett, 802
Answer
Smallwood, 855
Recalling his history in Newfoundland
Hollett, 78–79, 223

What is the present relationship between government
and Dr. Sennewald, contractually and
financially
Notice of question
Hollett, 129
Answer
Smallwood, 165
What is the total amount paid out to Dr. Sennewald
for the establishment of the optical or eye-
glass frame factory
Notice of question
Hollett, 129
Answer
Smallwood, 165
What was the amount of the declared customs value,
and the value of machinery to be used in the
plant, as appraised by the Minister, or other
person on his behalf
Notice of question
Hollett, 802
Answer
Smallwood, 855
What was the exact amount of government monies
transferred at any or all times since Dr.
Sennewald signed his contract
Notice of question
Hollett, 802
Answer
Smallwood, 854
When did the machinery which was to be used in Dr.
Sennewald's optical plant arrive in St. John's
Notice of question
Hollett, 802
Answer
Smallwood, 855
When was said machinery shipped out of
Newfoundland, and by what route, and state
its destination; in what insurance company
was said machinery insured when shipped
out of Newfoundland, and what amount of
insurance was placed on same

SUPERIOR RUBBER COMPANY

- How many men and/or women are presently
employed at this plant
Notice of question
Hollett, 802
- Is the plant owned by the Superior Rubber Company
now in production, and if so on what date did
the plant go into production
Notice of question
Hollett, 802
- Table a copy of all acts and/or agreements in
connection with the setting up of each and
every new industry and into which
government monies have been paid or
loaned since April 1, 1949
Notice of question
Hollett, 803
- Answer
Smallwood, 856–857
- What is the total amount of government monies paid
to this company; give the dates on which
monies were paid to this company, and the
amounts paid on each separate date
Notice of question
Hollett, 802–803

SUPPLY

- Eggs—In connection with the supply of eggs to the
several institutions, account for the difference
in prices charged by Wilsils Ltd. of 63 cents
and by the Two Way Stores of 70 cents
Notice of question
Hollett, 342
- Answer
Hefferton, 389
- Ham—With regard to the accepted tender price of
Chalker & Co. for 80 cents per pound for
boiled ham supplied to the General Hospital
and the Sanatorium, why was this price later
raised to \$1.01 per pound; why was the
accepted offer of 64 cents per pound for raw
ham raised to 81 cents, and why was the
price of bacon raised from 53 cents to 75
cents; and were further tenders called for
before allowing these increases
Notice of question
Hollett, 342
- Answer
Hefferton, 389
- Machinery—Was any machinery bought by, and/or
paid for, by the Newfoundland government for
the use of contractors from Canada, working
in Newfoundland
Notice of question
Browne, 855
- Milk—Explain the cause for a difference in price of
eight cents per gallon for milk supplied to the
Home for Aged and Infirm and the Mental
Hospital
Notice of question
Hollett, 343

Answer
 Hefferton, 389

Vehicles
 List the number of motor vehicles of all kinds purchased during the same period, for which departments they were purchased, and from what firm at what prices; provide the type of vehicles

Question
 Hollett, 88

Answer
 Hefferton, 217–218

Table statement showing the number of machines, bulldozers, graders, and tractors purchased during the fiscal year ending March 31st 1954; from whom were they purchased and what prices were paid

Question
 Hollett, 88

Answer deferred
 Hefferton, 131

Answer
 Hefferton, 216

What machinery, trucks or other motor vehicles, if any, were purchased in Montreal, for or by the government during the past two years; by whom were purchases made, and what prices were paid in each case; give year and model of trucks purchased

Notice of question
 Browne, 855

Answer deferred, 881

Answer
 Hefferton, 907

What used vehicles and road building machinery were sold during the last fiscal year; to whom were they sold and at what prices

Question
 Hollett, 88

Answer
 Hefferton, 218

Were tenders called for the purchase of provisions since March 31st 1953 for the following institutions: General Hospital, Fever Hospital, St. John's Sanatorium, West Coast Sanatorium, The Hospital for Mental and Nervous Diseases, Gander Hospital, and Nursing Stations, and if so, were the lowest tenders accepted, and if not, why not

Question
 Hollett, 87

Answer deferred
 Hefferton, 130, 166

Answer
 Hefferton, 291

What arrangement has been set up by the Department with Messrs. Goodyear and House with regard to the supply of commodities for the West Coast Sanatorium; what prices were charged for these commodities

Notice of question

Hollett, 342

Answer
 Hefferton, 389

What firm or individuals supplied the following items to the institutions already named and what were the prices paid in each instance for eggs, ham, bacon, beef, pork, bread, butter, fish (salt and frozen) and fowl, and also for drugs and dressings

Question
 Hollett, 87, 205

Answer deferred
 Hefferton, 219

Answer
 Hefferton, 219, 292–293
