FORMAT

The index is in two sections : (1) subject index, and (2) speaker index.

Subject Index: The main entry in this section is a subject heading, which may be subdivided. Following the main entry are secondary headings, "see" and "see also" references, and a listing of individuals who spoke on that subject.

Speaker Index: In this section, the main entry is the speaker's name followed by the subjects spoken on by that speaker.

MAIN HEADINGS

The following headings, representing various "items of business" appearing in the text, are a type of summary or quick reference to subjects that have come up under them. They can be found in the subject index.

Topics arising under these headings can also be found under other relevant subject headings and, in the case of Bills, under the title of the Bill as well.
