

## 30<sup>th</sup> General Assembly, Third Session

### Speaker Index

B

#### **BALLAM, CHARLES H.**

##### **Boiler and Pressure Vessels (Amendment) Act (Bill 12)**

Notice of Motion, 125

Second reading, 328–329

##### **Community Councils (Amendment) Act (Bill 17)**

Notice of Motion, 125

##### **Estimates**

Department of Labour, 835–836

##### **Petitions**

Roads

Extension of road to proposed pier site, 887

Revise roads between Corner Brook and Deer Lake, between Corner Brook and Curling, and between Corner Brook and Stephenville, and complete road between Corner Brook and Deer Lake, 936

##### **St. John's Municipal (Amendment) Act (Bill 24)**

Notice of Motion, 429

##### **Tabled Data**

Labour Board

Proceedings under the Minimum Wage Act—1950, 125

Report—1952, 125

Labour Relations Act

Report—1952, 125

Workmen's Compensation Board

Report for 1952, 341

##### **Transportation**

Roads

Extension of road to proposed pier site, 887

Revise roads between Corner Brook and Deer Lake, between Corner Brook and Curling, and between Corner Brook and Stephenville, and complete road between Corner Brook and Deer Lake, 936

##### **Workmen's Compensation (Amendment) Act (Bill 23)**

Notice of Motion, 429

Second reading, 494–495, 498, 499

#### **BROWN, C.S. (BONAVISTA SOUTH)**

##### **Automobiles**

Number of vehicles in Province, 839

##### **Bridges**

Erection of bridge over Taylor's Brook, 64–65

Rebuilding of bridge over Salt Water Pond, 124

##### **British Newfoundland Development Corporation (BRINCO)**

Predicts benefits of agreement concerning, 841

##### **Budget (1949)**

Debate, 838–842

##### **Forestry**

Permission to cut three thousand cords of pulpwood in the Princeton area, 690

##### **Longfellow, Henry Wadsworth**

Quoted (mistakenly attributed to Shakespeare), 842

##### **Petitions**

Bridges

Rebuilding of bridge over Salt Water Pond, 124

Roads

Construction of road between Canning's Cove and Musgravetown, 89

##### **Speech from the Throne**

Address in reply (seconded), 8–10

##### **Transportation**

Roads

Construction of road between Canning's Cove and Musgravetown, 89

#### **BUTTON, C. MAXWELL (L) TRINITY SOUTH**

##### **Fisheries**

Sealing

Rescue of nine men from Hant's Harbour, 462

##### **Petitions**

Roads

Construction of road between Canning's Cove and Musgravetown, 89

##### **Questions**

Fisheries

Sealing

Rescue of nine men from Hant's Harbour, 462

##### **Speech from the Throne**

Debate, 304–311

##### **Transportation**

Roads

Construction of road between Canning's Cove and Musgravetown, 89

C

#### **CANNING, PATRICK J. (L) PLACENTIA WEST**

##### **Petitions**

Roads

Improvements for road on Woody Island and Bar Haven, 231

##### **Transportation**

Roads

Improvements for road on Woody Island and Bar Haven, 231

#### **CASHIN, PETER J. (IND) ST. JOHN'S WEST**

##### **Alcoholic Liquors (Amendment) Act (Bill 44)**

Second reading, 881

**Atlantic Gloves Limited (Confirmation of Agreement Act) (Bill 4)**

Committee, 120–121

**Auditor General**

Provide copy of report for 1951-1952, 20

**Automobiles**

Number of vehicles in Province, 818

**Birch Plant**

Table statement showing total cost of construction of birch plant; inform the House what amount has been advanced the Newfoundland Hardwoods Company for operating capital; provide complete audited statement of this company, 21

From what firm or firms was the machinery and equipment used in the construction of the plant purchased; whether such machinery or equipment purchased from the manufacturers directly or through a middle party; give the total cost of machinery and amounts paid each firm or firms for equipment; table complete financial statement of the operations of plant since it began production, 126–127

Give complete statement of the amount of cement manufactured by the plant at Corner Brook; the total sales; the cost of production and the total amount in stock at the latest report, 126

Has the cement plant been sold to the Canadian Machinery Company operating at the Octagon; what were the terms of such sale and what amount if any has been paid the government on the sale of such plant, 126

To inform the House what has been the total amount of money advanced to the cement plant at Corner Brook for working capital, 126

Total cost of cement plant constructed at Corner Brook, 21

Total cost of machinery used in its construction, 21

From what company was the machinery purchased, and whether purchase was made from a middle party, 21

What was the total cost of the machinery used in the construction of the plant at Corner Brook, and from what company was the machinery purchased; give the name of such company or companies, and if such company were not the manufacturers of the machinery, why was such purchase made from a middle party, 126

Whether cement plant has been sold to the Canadian Machinery company operating at the Octagon, and what were the terms of sale, 21

**Churchill, Sir Winston**

Comments regarding, 651–652

**Confederation**

Comments on, 808

**Corrections Act (Bill 62)**

Second reading, 515–517

**Department of Public Health**

Cost of enquiry into the administration of the hospital for mental diseases

Notice of Question, 17

Give names of persons occupying the position of Secretary of the Sanitarium and General Hospital, their salaries, and on whose recommendation their appointments were made

Notice of Question, 18

Report made to government by Mr. C.E. Hunt inquiring into the administration of the hospital for mental diseases

Notice of Question, 17

Table copies of correspondence between the former Minister of Health and Dr. G. J. O'Brien from the time of Dr. O'Brien's appointment as Superintendent of the Mental Hospital to the date of his removal from the position

Notice of Question, 18

Whether it is the intention of government to take legal proceedings in connection with the report made by the R.C.M.P. covering the administration of the hospital for mental diseases

Notice of Question, 17

Answer, 56

Who is employed in charge of the transport of the department, and on whose recommendation is the appointment made

Notice of Question, 18

**Estimates**

Department of Attorney General, 736, 737, 738, 740

Department of Education, 722, 727, 733, 734

Department of Fisheries and Cooperatives, 775

Department of Health, 767  
Department of Mines and Resources, 741, 742  
Department of Provincial Affairs, 721  
Department of Public Works, 743-744, 868-869,  
870, 872-874

## Finance

### Budget (1952)

Statement showing actual amount of revenue collected through social security tax for the fiscal year 1952-1953, 710

Statement showing how the capital account expenditures for 1952-1953 amounting to \$11,450,600.00 were expended, showing various departmental headings, amounts advanced in the form of loans to various corporations, giving the names of the corporations to which such advances were made, 710

Statement showing the details of how much revenue was received from the federal government in the form of subsidies, transitional grants, etc., 710

Statement showing under the various departmental headings how the revenue of \$34,848,300.00 was collected; also a statement showing how the Expenditures of \$28,538,900 were dispersed under the various departmental headings, 710

Statement showing what contingent liabilities amount to at the present time, not including Bowaters Paper Corporation, but including bank guarantees and other such obligations, 710

### Budget (1953)

Provide statement showing what further advances are obliged under Legislative enactment to be disbursed during the present year, 710

### Contingent Liabilities

Statement of contingent liabilities of the government as well as particulars of such liabilities, 19

Table the last available financial statement of the Bowater Paper Company for which government are guarantors of a substantial amount, 19

### Loans

Statement showing any outstanding obligations of the government in respect to the financing of certain industrial developments undertaken through legislation which have not been fulfilled, 19

Statement showing the amount received for the ten million dollar loan raised last year, as well as any expenses incurred in the raising of such a loan; a statement as to the disposition of this loan and any balance that may be left to its credit at the present time, 19

### Travel

Nature of travelling expenditures for Dr. Valdmanis since April 1 1952, and particulars pertaining thereto, 19  
Particulars of travelling expenditures, 19  
Total amount expended by each minister for travelling expenses from April 1 1952 to date, 19

### Treasury

Provide statement showing the exact position of surplus account at the present time, giving details of any amounts liquidated and placed to the credit of this account, 20

Special statement showing the amounts advanced or guaranteed to certain European companies under the economic development plan of the government; give the names of each company and the amount advanced or guaranteed each company, 20-21

Special statement showing the names of companies or individuals which have been given financial undertakings by the government; and which have not exercised such concessions, 21

Table statement showing amounts due to government by various corporations or individuals; which amounts were advanced by Government since April 1 1949; terms and conditions under which such loans were made; advise whether or not these various companies have carried out the agreements as to repayment when first these advances were made, 20

Table statement showing amounts guaranteed by government to banks since April 1 1949, the names of the companies or individuals for whom such guarantees were made, and the amount of each guarantee, 20

Table statement showing outstanding amounts due to government by various corporations or individuals; which amounts were advanced by the Commission Government prior to April 1 1949; name of companies or individuals owing such amounts, 20

Table statement showing the various amounts of subsidies and grants received by the Treasury from the federal government at Ottawa from April 1 1952 to date, 20

Total amount of cash estimated to fulfill the government's outstanding legislative obligations with respect to industrial development of new industries, which money will be required to meet such financial obligations during the fiscal year 1953-1954, 314

Total amount of cash to the credit of the Treasury in the bank at St. John's, as at February 28, 1953, 19

Total amount of cash to the credit of the treasury on deposit with the federal government at the present time, 19

Total amount of loans in cash due the Government at the present time, not including the Housing Corporation or Town Councils, but including all industries established through government assistance, 314

Total amount of subsidies as well as the transitional grants collected from the federal government from April 1 1952 to date, 20

Total capital expenditure under the various departmental headings from April 1 1952 to February 28 1953, 20

Total obligations of the government in respect to Bank Guarantees for industrial or other purposes, 314

Total ordinary expenditure on current account under the various departmental headings from April 1 1952 to February 28 1953, 20

Total ordinary revenue received or collected under the various departmental headings from April 1 1953 to February 28 1953, 19

What amounts of grants or transitional grants are due our government from the federal government at the present time, and provide particulars, 20

On what date were the proceeds of the ten million dollar loan raised in 1952 deposited to the credit of the Newfoundland Treasury; give the total of such amount; on what dates are the interest payments on this loan due each year and what is the annual interest on the loan as well as the annual sinking fund, 314

For what purpose is the amount of £186-348-19-5 pounds shown in the Province of Newfoundland balance sheet for the year ending March 31st 1952 held by the Crown Agents for the Colonies in London; whether the amount is earmarked for any specific obligation; whether the Newfoundland Treasury is receiving any interest in this particular deposit, 314

guaranteed an amount of \$350,000.00, 126

### **Government-British Newfoundland Corporation Limited-N. M. Rothschild & Sons (Confirmation of Agreement Act) Act (Bill 63)**

Second reading, 647-650, 651-655

### **Government-Canadian Amco Limited (Agreement) Act (Bill 37)**

Second reading, 532-534, 536

### **Gypsum Plant**

Total cost of the gypsum plant at Corner Brook, and total cost of machinery and equipment used in the construction of the gypsum plant; whether machinery was purchased directly from the manufacturer, 21

What was the total cost of the machinery and equipment used in the construction of the gypsum plant at Corner Brook; from what firm or firms were such machinery purchased; whether the machinery was purchased directly from the manufacturer or through a middle party, 126

When did the gypsum plant begin production; give statement showing the gross amount in dollars of the production of this plant up to January 31 1953 as well as the cost of such production; what amount of the product has been sold; what amount was realized on such sale; what amount of the product is on hand at the present time and the approximate value of such amount; give a complete financial statement of the operations of plant, 126

When did the plant begin operations, and what amount of money has been advanced company for the purpose of working capital; provide statement showing the gross amount in dollars of the production of the plant, 21

### **Housing**

Statement of amount due to government by the St. John's Housing Corporation, as well as any housing corporations outside of St. John's, 17

Statement showing original amounts advanced the various housing corporations when first organized, 17

What investments have been made by government in the federal housing schemes now under construction and under the management of the Central Housing and Mortgage Corporation, 17

### **International Forest Products Limited (Confirmation of Agreement Act) (Bill 36)**

Second reading, 250-251

Committee, 716

### **Legal fees**

Give statement showing the amount of legal fees paid out by the government since April 1 1952 to date, to whom such amounts were paid, and details pertaining thereto, 17

**Loan and Guarantee Statutes (Amendment) Act (Bill 60)**

Committee, 935(57)

**Loans**

Inform the House how the proceeds of the ten million dollar loan raised during 1952 have been allocated; give the names of companies or individuals who have received advances or loans from this particular account and advise what balance remains to the credit of this particular ten million dollar loan at the present time, 341–342

**Memorial University**

Whether its building has commenced, 734

**Newfoundland and Labrador Corporation**

Inform the House if the \$500,000.00 bank guarantee given the Newfoundland Hardwoods Limited as reply to Question 10, Sec. 3 is in addition to the amount of \$806,634.70 given in answer to Question 10, 125–126

Table financial statement of the corporation, including all expenditures in connection with any development projects financed by the corporation; inform House as to whether Government intends to dispose of its holdings to private interests, 21

What is the total amount of cash advanced and guaranteed this company by the government, 126

**Newfoundland and Labrador Corporation Limited (Amendment) Act (Bill 64)**

Second reading, 573–576

**Peat, Marwick, Mitchell & Co.**

Inform the house whether the firm of Peat, Marwick, Mitchell & Co. is at present employed or retained by government; if so, inform the House what financial arrangements have been made with Mr. Thompson for his services, what are his present duties and what amount or amounts if any have been paid Mr. Thompson on account or as a retainer during the fiscal year 1952-1953, 341

**Petitions**

**Roads**

Improvements for road connecting St. Philip's with St. John's, 90

**Telephones**

Inauguration of services for people in Glendale, 189

**Points of Order**

Language, unparliamentary

Member denies ever bringing agreement to Member for St. John's West to sign, 215

Whether budget speeches may be read, 807

**Questions**

**Auditor General**

Provide copy of report for 1951-1952

Notice of Question, 20

**Birch Plant**

Table statement showing total cost of construction of birch plant; inform the House what amount has been advanced the Newfoundland Hardwoods Company for operating capital; provide complete audited statement of this company

Notice of Question, 21

From what firm or firms was the machinery and equipment used in the construction of the plant purchased; whether such machinery or equipment purchased from the manufacturers directly or through a middle party; give the total cost of machinery and amounts paid each firm or firms for equipment; table complete financial statement of the operations of plant since it began production

Notice of Question, 126–127

**Board of Liquor Control**

Table statement showing the total profits made by the Board of Liquor Control for 1951-1952 and what amount was transferred to the Treasury from that department for the fiscal year 1951-1952 as well as what amount has been transferred to the Treasury from that source for the fiscal year 1952-1953

Notice of Question, 20

**Canadian National Railway**

Have any steps been taken by government to proceed against the Canadian National Railway for excessive freight charges paid by our people for two years after union with Canada

Notice of question, 17–18, 56

Answer, 56

**Cement Plant**

Give complete statement of the amount of cement manufactured by the plant at Corner Brook; the total sales; the cost of production and the total amount in stock at the latest report

Notice of Question, 126

Has the cement plant been sold to the Canadian Machinery Company operating at the Octagon; what were the terms of such sale and what amount if any has been paid the government on the sale of such plant

Notice of Question, 126

To inform the House what has been the total amount of money advanced to the cement plant at Corner Brook for working capital

Notice of Question, 126

Total cost of cement plant constructed at Corner Brook

Notice of Question, 21

Total cost of machinery used in its construction

- Notice of Question, 21
- From what company was the machinery purchased, and whether purchase was made from a middle party
- Notice of Question, 21
- What was the total cost of the machinery used in the construction of the plant at Corner Brook, and from what company was the machinery purchased; give the name of such company or companies, and if such company were not the manufacturers of the machinery, why was such purchase made from a middle party
- Notice of Question, 126
- Whether cement plant has been sold to the Canadian Machinery company operating at the Octagon, and what were the terms of sale
- Notice of Question, 21
- Finance
- Budget (1952)
- Statement showing actual amount of revenue collected through social security tax for the fiscal year 1952-1953
- Notice of Question, 710
- Statement showing how the capital account expenditures for 1952-1953 amounting to \$11,450,600.00 were expended, showing various departmental headings, amounts advanced in the form of loans to various corporations, giving the names of the corporations to which such advances were made
- Notice of Question, 710
- Statement showing the details of how much revenue was received from the federal government in the form of subsidies, transitional grants, etc.
- Notice of Question, 710
- Statement showing under the various departmental headings how the revenue of \$34,848,300.00 was collected; also a statement showing how the Expenditures of \$28,538,900 were dispersed under the various departmental headings
- Notice of Question, 710
- Statement showing what contingent liabilities amount to at the present time, not including Bowaters Paper Corporation, but including bank guarantees and other such obligations
- Notice of Question, 710
- Budget (1953)
- Provide statement showing what further advances are obliged under Legislative enactment to be disbursed during the present year
- Notice of Question, 710
- Contingent Liabilities
- Statement of contingent liabilities of the government as well as particulars of such liabilities
- Notice of Question, 19
- Table the last available financial statement of the Bowater Paper Company for which government are guarantors of a substantial amount
- Notice of Question, 19
- Loans
- Statement showing any outstanding obligations of the government in respect to the financing of certain industrial developments undertaken through legislation which have not been fulfilled
- Notice of Question, 19
- Statement showing the amount received for the ten million dollar loan raised last year, as well as any expenses incurred in the raising of such a loan; a statement as to the disposition of this loan and any balance that may be left to its credit
- Notice of Question, 19
- Travel
- Nature of travelling expenditures for Dr. Valdmanis since April 1 1952, and particulars pertaining thereto
- Notice of Question, 19
- Particulars of travelling expenditures
- Notice of Question, 19
- Total amount expended by each minister for travelling expenses from April 1 1952 to date
- Notice of Question, 19
- Treasury
- Provide statement showing the exact position of surplus account at the present time, giving details of any amounts liquidated and placed to the credit of this account
- Notice of Question, 20
- Special statement showing the amounts advanced or guaranteed to certain European companies under the economic development plan of the government; give the names of each company and the amount advanced or guaranteed each company
- Notice of Question, 20-21
- Special statement showing the names of companies or individuals which have been given financial undertakings by the government; and which have not exercised such concessions
- Notice of Question, 21
- Table statement showing amounts due to government by various corporations or individuals; which amounts were

- advanced by Government since April 1 1949; terms and conditions under which such loans were made; advise whether or not these various companies have carried out the agreements as to repayment when first these advances were made  
Notice of Question, 20
- Table statement showing amounts guaranteed by government to banks since April 1 1949, the names of the companies or individuals for whom such guarantees were made, and the amount of each guarantee  
Notice of Question, 20
- Table statement showing outstanding amounts due to government by various corporations or individuals; which amounts were advanced by the Commission Government prior to April 1 1949; name of companies or individuals owing such amounts  
Notice of Question, 20
- Table statement showing the various amounts of subsidies and grants received by the Treasury from the federal government at Ottawa from April 1 1952 to date  
Notice of Question, 20
- Total amount of cash estimated to fulfill the government's outstanding legislative obligations with respect to industrial development of new industries, which money will be required to meet such financial obligations during the fiscal year 1953-1954  
Notice of Question, 314
- Total amount of cash to the credit of the Treasury in the bank at St. John's, as at February 28, 1953  
Notice of Question, 19
- Total amount of cash to the credit of the treasury on deposit with the federal government at the present time  
Notice of Question, 19
- Total amount of loans in cash due the Government at the present time, not including the Housing Corporation or Town Councils, but including all industries established through government assistance  
Notice of Question, 314
- Total amount of subsidies as well as the transitional grants collected from the federal government from April 1 1952 to date  
Notice of Question, 20
- Total capital expenditure under the various departmental headings from April 1 1952 to February 28 1953  
Notice of Question, 20
- Total obligations of the government in respect to Bank Guarantees for industrial or other purposes  
Notice of Question, 314
- Total ordinary expenditure on current account under the various departmental headings from April 1 1952 to February 28 1953  
Notice of Question, 20
- Total ordinary revenue received or collected under the various departmental headings from April 1 1953 to February 28 1953  
Notice of Question, 19
- What amounts of grants or transitional grants are due our government from the federal government at the present time, and provide particulars  
Notice of Question, 20
- On what date were the proceeds of the ten million dollar loan raised in 1952 deposited to the credit of the Newfoundland Treasury; give the total of such amount; on what dates are the interest payments on this loan due each year and what is the annual interest on the loan as well as the annual sinking fund  
Notice of Question, 314
- For what purpose is the amount of £186-348-19-5 pounds shown in the Province of Newfoundland balance sheet for the year ending March 31st 1952 held by the Crown Agents for the Colonies in London; whether the amount is earmarked for any specific obligation; whether the Newfoundland Treasury is receiving any interest in this particular deposit  
Notice of Question, 314
- Gypsum Plant
- Total cost of the gypsum plant at Corner Brook, and total cost of machinery and equipment used in the construction of the gypsum plant; whether machinery was purchased directly from the manufacturer  
Notice of Question, 21
- What was the total cost of the machinery and equipment used in the construction of the gypsum plant at Corner Brook; from what firm or firms were such machinery purchased; whether the machinery was purchased directly from the manufacturer or through a middle party  
Notice of Question, 126
- When did the gypsum plant begin production; give statement showing the gross amount in dollars of the production of this plant up to January 31 1953 as well as the cost of such production; what amount of the product has been sold;

- what amount was realized on such sale; what amount of the product is on hand at the present time and the approximate value of such amount; give a complete financial statement of the operations of plant  
 Answer deferred, 157
- When did the plant begin operations, and what amount of money has been advanced company for the purpose of working capital; provide statement showing the gross amount in dollars of the production of the plant  
 Notice of Question, 21
- Housing
- Statement of amount due to government by the St. John's Housing Corporation, as well as any housing corporations outside of St. John's  
 Notice of Question, 17
- Statement showing original amounts advanced the various housing corporations when first organized  
 Notice of Question, 17
- What investments have been made by government in the federal housing schemes now under construction and under the management of the Central Housing and Mortgage Corporation  
 Notice of Question, 17
- Legal fees
- Give statement showing the amount of legal fees paid out by the government since April 1 1952 to date, to whom such amounts were paid, and details pertaining thereto  
 Notice of Question, 17
- Loans
- Inform the House how the proceeds of the ten million dollar loan raised during 1952 have been allocated; give the names of companies or individuals who have received advances or loans from this particular account and advise what balance remains to the credit of this particular ten million dollar loan  
 Notice of Question, 341–342
- Memorial University
- Whether its building has commenced, 734
- Newfoundland and Labrador Corporation
- Inform the House if the \$500,000.00 bank guarantee given the Newfoundland Hardwoods Limited as reply to Question 10, Sec. 3 is in addition to the amount of \$806,634.70 given in answer to Question 10  
 Notice of Question, 125–126
- Table financial statement of the corporation, including all expenditures in connection with any development projects financed by the corporation; inform House as to whether Government intends to dispose of its holdings to private interests  
 Notice of Question, 21
- What is the total amount of cash advanced and guaranteed this company by the government  
 Notice of Question, 126
- Peat, Marwick, Mitchell & Co.
- Inform the house whether the firm of Peat, Marwick, Mitchell & Co. is at present employed or retained by government; if so, inform the House what financial arrangements have been made with Mr. Thompson for his services, what are his present duties and what amount or amounts if any have been paid Mr. Thompson on account or as a retainer during the fiscal year 1952-1953  
 Notice of Question, 341
- Supply
- Give statement showing the amount of furnishings and equipment purchased for use in the new wing of the Mental Hospital for the years 1951-1952 and 1952-1953  
 Notice of Question, 18–19
- Give statement showing the number of blankets purchased for use in the mental and other hospitals for the years 1951-1952, 1952-1953, the prices paid, and name of the firm or firms supplying the goods, and whether tenders were called  
 Notice of Question, 19
- Give statement showing the number of machines, bulldozers, etc. purchased by the highroads department during the year 1951-1952, 1952-1953, from whom they were purchased, and at what price  
 Notice of Question, 19
- How many used motor vehicles were sold, to whom, and at what prices  
 Notice of Question, 19
- Names of the firm or firms from whom furnishings were purchased and whether or not tenders were called  
 Notice of Question, 19
- Number of motor vehicles purchased during the year 1952-1953, from whom they were purchased, and what prices were paid  
 Notice of Question, 19
- Were goods referred to purchased from the manufacturers or from agents  
 Notice of Question, 19
- Transportation
- Bridges
- Number of bridges completed on the new trans-island highway  
 Notice of Question, 18
- Roads

Number of miles of highway remaining to be constructed  
Notice of Question, 18  
Total amount of money expended in the construction of the trans-island highway by the Province  
Notice of Question, 18  
Total number of miles of the Trans-Canada Highway completed in Newfoundland  
Notice of Question, 18  
Whether government intends to expend money this year on the improvement of the road between St. John's and St. Philip's, as well as the roads leading east from St. John's to Pouch Cove  
Notice of Question, 18  
Valdmanis, Alfred  
Role in industry, 814-815  
Salary of, 813

**Speech from the Throne**

Debate, 215-226, 393, 399

**St. John's Shops (Amendment) Act (Bill 42)**

Committee, 451-452

**Superior Rubber Company Limited (Confirmation of Agreement) Act (Bill 7)**

Committee, 363, 364

**Supply**

Give statement showing the amount of furnishings and equipment purchased for use in the new wing of the Mental Hospital for the years 1951-1952 and 1952-1953, 18-19

### **Budget (1949)**

Debate, 784-795, 797, 915, 917, 919

### **Canada Shipping Act**

Table correspondence with federal authorities relative to the application of the act, and its effect on coastwise masters and mates, 22

What steps have been taken, if any, to protect the rights of the masters and mates as guaranteed by the Prime Minister of Canada in a letter to Sir Albert Walsh on December 11, 1948, 22

### **Canadian Machinery and Industry Construction**

Give the total number of people employed in this plant together with total paid in wages since January 1 1953, 24

Has said company established a sinking fund for liquidation of its government loan or its government guaranteed loan and if so, what amount of money has thus far been paid into said sinking fund, 24

Has the said company executed a first mortgage on all its assets in favour of the Government of Newfoundland, 24

Has the said company yet succeeded in negotiating a commercial bank loan and/or what amount of monies have been received by said company on account of the sale of its guaranteed bonds, 24

How much money has thus far been advanced by the government to these companies, 26

- Total amount of interest paid into the Newfoundland Consolidated Revenue Fund on account of said loans, by the company, on December 31 1951, June 30 1952, December 31 1952, 23
- Total amount of monies loaned to the company as of December 31 1951, June 30 1952, December 31 1952, and February 28 1953, 23
- What advance of the amount of \$500,000 as set down in Section 4(c) of the company has been made to the said company, 23
- What amount of insurance has been placed by the company against loss or damage by fire on all its fixed assets in Newfoundland, and with what company is insurance placed, 24
- What amount, if any, of the loan to said company has been paid back to the government, 24
- Cancer Control Tax Act (Bill 40)**  
Committee, 923, 925, 926, 927, 928, 929, 930–931, 932, 934, 935, 935(9), 935(10), 935(11), 935(12)
- Cement Plant**  
Complete report of finances to include revenues, earning, and expenditures, the number of men employed and the total amount paid out in wages by each industry, 26  
Explain the ex gratia award of \$150,000 to Benno Schilde by Atlantic Gypsum Ltd., 419  
Give the total cost to the government to date of the cement plant, gypsum plant, and Newfoundland Hardwoods, to include advances on operational account, 26  
Has either of these plants been sold or leased, and if so, on what terms, 26  
Provide description of the German-manufactured cement transaction, 419  
What is the total expenditure to date on the cement plant and the total working capital plant, 419  
What was the cost of the transaction, 419
- Change of Name (Amendment) Act (Bill 54)**  
Second reading, 935(32)
- Chester Dawe Limited**  
List items amounting to \$27,500 noted in the Auditor-General's report as charges not in accordance with the terms of agreement between the Government and Chester Dawe Limited, or contrary to the provisions of the Revenue and Audit Act 1951, 284
- Civil Service (Amendment) Act (Bill 77)**  
Committee, 939
- Civil Service Commission Act (Bill 49)**  
Second reading, 935(24)–935(25)
- Community Councils (Amendment) Act (Bill 17)**  
Committee, 413
- Consolidated Revenue Fund**  
Exact amount to the credit of the Consolidated Revenue Fund at the Bank of Montreal as at April 1 1952, 22–23
- A report on all cases since April 1 1949 in which the Comptroller of the Treasury declined to cause an issue of public monies out of the Consolidated Revenue Fund on the grounds that such an issuance was in excess of legislative authority, 284
- Total monies paid out from the Consolidated Revenue Fund for the present fiscal year, under various votes, up to February 28 1953, 23
- Total net receipts from the ten million dollar bond issue of 1952, 23
- Total revenue receipts up to February 28 1953 for the fiscal year 1952-1953 under the various headings (exclusive of the ten million dollar loan) and paid into the Consolidated Revenue Fund, 23
- What amount of money was at the credit of the Consolidated Revenue Fund at the Bank of Montreal as of February 28 1953, 23
- Corrections Act (Bill 62)**  
Second reading, 522, 524, 525
- Crown Lands (Amendment) Act (Bill 43)**  
Second reading, 904
- Crown Lands (Mines and Quarries) (Amendment) Act (Bill 22)**  
Committee, 453–454, 455
- Dental (Amendment) Act (Bill 75)**  
Second reading, 948–950
- Department of Public Health**  
Whether it is the intention of government to take legal proceedings in connection with the report made by the R.C.M.P. covering the administration of the hospital for mental diseases  
Answer, 56
- Department of Public Works (Amendment) Act (Bill 58)**  
Committee, 935(41)
- Dog Act (Bill 55)**  
Second reading, 935(34)–935(35)
- Economic Development**  
Amount of financial interest of the Newfoundland Government in each new industry, and amount of loans and/or guarantees in each instance, 24  
In the cement mill, gypsum mill and birch plant, provide the following information: total advances paid to each by government to date; total earnings in each instance to date; total running expenses including wages paid to date since construction was completed; salaries paid or fees paid to each director and executive officer; and the amount of profits, if any, of each of these three industries, 24  
Names of the directors of each new industry, 24  
Names of the various new industries introduced into Newfoundland through the efforts of government since April 1 1949, together with their location, 24

Number of employees, and where production has started the wage rates being paid in the different wage categories by each new industry, 24

Present stage of construction and/or production of each new industry, 24

Total amount of advances on account of each new industry and/or the total amount of guarantees on account of each new industry, 24

#### **Education (Teachers' Pensions) (Amendment) Act (Bill 57)**

Committee, 935(39)

#### **Estimates**

Capital Expenditures, 935(4)–935(6)

Department of Economic Development, 833, 834

Department of Education, 854

Department of Fisheries and Cooperatives, 775, 776, 777, 781, 782–783

Department of Labour, 835, 836

Casting aspersions, 591

Language, unparliamentary

"graft and corruption," 133

"soft as the Honourable Leader of the Opposition's head," 332-333

Member denies ever bringing agreement to Member for St. John's West to sign, 215

Member denies having made certain comments, 435

Personal reflections and threatening language against a Member, 397

#### **Relevance**

Nature of principle of the bill, 585

Whether budget speeches may be read, 807

Whether Member can read from document he is not permitted to table, 863

Whether stranger may address the Committee of the Whole, 935(53)-935(54)

#### **Points of Privilege**

Member misquoted, 843

Nature of objection attributed to the Leader of the Opposition, 435

Statement made in *Evening Telegram*, 618, 619

#### **Public Service Act (Bill 2)**

Committee, 293-295, 296

#### **Public Tendering**

How many tenders were let for the installation and the repair of plumbing and heating in the various public buildings and institutions in St. John's during the present fiscal year, who were the successful tenders, what was the nature of the work performed, and what amount was paid to each, 285

#### **Public Works**

Table correspondence between minister's office and his federal counterpart regarding the ferry wharf at Portugal Cove, 22

Whether any decisions have been arrived at by government relative to the repair of the ferry wharf at Portugal Cove, or the construction of a new wharf, 22

#### **Queen Mary**

Tribute to, 188

#### **Questions**

##### **Birch Plant**

Give the total amount of working capital advanced to the Newfoundland Hardwoods Ltd., since March 31 1952

Notice of Question, 420

Give total cost of the construction of the birch plant, together with the working capital as at March 31 1952

Notice of Question, 420

Has the government been furnished with monthly statements of profit and loss accounts of said Atlantic Hardwoods since November 1952 and if so, will the minister table said accounts

Notice of Question, 420

Has the Government considered it advisable to appoint a Comptroller of the expenditure of said company, and if so, who is the appointee

Notice of Question, 420

- What amount of bank loans have been guaranteed said company by the government  
Notice of Question, 420
- Blueberry industry  
Give the names of all inspectors and other personnel in the employ of the government during these years in connection with the blueberry industry and the amount paid to each individual  
Notice of Question, 463  
Total acreage burnt over under the supervision of the department since the beginning of the burning program  
Notice of Question, 463  
What amount of money was spent during the fiscal years 1950-1951; 1951-1952; 1952-1953, in connection with the blueberry industry  
Notice of Question, 463  
What was the export value of all blueberries for the 1952 season  
Notice of Question, 463
- Canada Shipping Act  
Table correspondence with federal authorities relative to the application of the act, and its effect on coastwise masters and mates  
Notice of Question, 22  
What steps have been taken, if any, to protect the rights of the masters and mates as guaranteed by the Prime Minister of Canada in a letter to Sir Albert Walsh on December 11, 1948  
Notice of Question, 22
- Canadian Machinery and Industry Construction  
Give the total number of people employed in this plant together with total paid in wages since January 1 1953  
Notice of Question, 24  
Has said company established a sinking fund for liquidation of its government loan or its government guaranteed loan and if so, what amount of money has thus far been paid into said sinking fund  
Notice of Question, 24  
Has the said company executed a first mortgage on all its assets in favour of the Government of Newfoundland  
Notice of Question, 24  
Has the said company yet succeeded in negotiating a commercial bank loan and/or what amount of monies have been received by said company on account of the sale of its guaranteed bonds  
Notice of Question, 24  
How much money has thus far been advanced by the government to these companies  
Notice of Question, 26  
Total amount of interest paid into the Newfoundland Consolidated Revenue Fund on account of said loans, by the company, on December 31 1951, June 30 1952, December 31 1952  
Notice of Question, 23  
Total amount of monies loaned to the company as of December 31 1951, June 30 1952, December 31 1952, and February 28 1953  
Notice of Question, 23  
What advance of the amount of \$500,000 as set down in Section 4(c) of the company has been made to the said company  
Notice of Question, 23  
What amount of insurance has been placed by the company against loss or damage by fire on all its fixed assets in Newfoundland, and with what company is insurance placed  
Notice of Question, 24  
What amount, if any, of the loan to said company has been paid back to the government  
Notice of Question, 24
- Cement Plant  
Complete report of finances to include revenues, earning, and expenditures, the number of men employed and the total amount paid out in wages by each industry  
Notice of Question, 26  
Explain the ex gratia award of \$150,000 to Benno Schilde by Atlantic Gypsum Ltd.  
Notice of Question, 419  
Give the total cost to the government to date of the cement plant, gypsum plant, and Newfoundland Hardwoods, to include advances on operational account  
Notice of Question, 26  
Has either of these plants been sold or leased, and if so, on what terms  
Notice of Question, 26  
Provide description of the German-manufactured cement transaction  
Notice of Question, 419  
What is the total expenditure to date on the cement plant and the total working capital plant  
Notice of Question, 419  
What was the cost of the transaction  
Notice of Question, 419
- Chester Dawe Limited  
List items amounting to \$27,500 noted in the Auditor-General's report as charges not in accordance with the terms of agreement between the Government and Chester Dawe Limited, or contrary to the provisions of the Revenue and Audit Act 1951  
Notice of Question, 284
- Consolidated Revenue Fund

- Exact amount to the credit of the Consolidated Revenue Fund at the Bank of Montreal as at April 1 1952  
Notice of Question, 22-23
- A report on all cases since April 1 1949 in which the Comptroller of the Treasury declined to cause an issue of public monies out of the Consolidated Revenue Fund on the grounds that such an issuance was in excess of legislative authority  
Notice of Question, 284
- Total monies paid out from the Consolidated Revenue Fund for the present fiscal year, under various votes, up to February 28 1953  
Notice of Question, 23
- Total net receipts from the ten million dollar bond issue of 1952  
Notice of Question, 23
- Total revenue receipts up to February 28 1953 for the fiscal year 1952-1953 under the various headings (exclusive of the ten million dollar loan) and paid into the Consolidated Revenue Fund  
Notice of Question, 23
- What amount of money was at the credit of the Consolidated Revenue Fund at the Bank of Montreal as of February 28 1953  
Notice of Question, 23
- Economic Development
- Amount of financial interest of the Newfoundland Government in each new industry, and amount of loans and/or guarantees in each instance  
Notice of Question, 24
- In the cement mill, gypsum mill and birch plant, provide the following information: total advances paid to each by government to date; total earnings in each instance to date; total running expenses including wages paid to date since construction was completed; salaries paid or fees paid to each director and executive officer; and the amount of profits, if any, of each of these three industries  
Notice of Question, 24
- Names of the directors of each new industry  
Notice of Question, 24
- Names of the various new industries introduced into Newfoundland through the efforts of government since April 1 1949, together with their location  
Notice of Question, 24
- Number of employees, and where production has started the wage rates being paid in the different wage categories by each new industry  
Notice of Question, 24
- Present stage of construction and/or production of each new industry  
Notice of Question, 24
- Total amount of advances on account of each new industry and/or the total amount of guarantees on account of each new industry  
Notice of Question, 24
- Finance
- Guaranteed Loans
- List the various amounts of guaranteed loans made by government since April 1 1949, and to whom each separate guarantee was given together without the terms of the loan relative to repayment, interest charges, and date of maturity  
Notice of Question, 26
- Loans
- Has the government made any payments under the terms of any guaranteed loans since April 1 1949, and if so, give particulars of loans, showing names of individuals, societies, organizations or corporations, together with full amount of guarantee and amount of payment in each case  
Notice of Question, 284
- What, if any, temporary loans were effected by Government with: a) the Bank of Montreal; b) Newfoundland and Labrador Corporation Limited, c) Fisheries Development Loan Board, between the dates of January 1st 1952 and March 31 1953; give amounts of loans in each instance and date of loan, together with the rate of interest; give also date on which these respective loans were paid off  
Notice of Question, 284
- Fisheries
- Andrews' (Labrador) Fisheries Ltd.
- How much is still owed by said company, both as to loan principal and loan interest  
Notice of Question, 419
- What installments, in accordance with said order, have been paid out and on what date  
Notice of Question, 419
- What order was made on October 1 1951 relative to the repayment of \$160,000 loaned to this company  
Notice of Question, 419
- What security is held by Government on said loan  
Notice of Question, 419
- Bonavista Fish Meals and Oils Ltd.
- Table all agreements, both original and supplementary between Messrs.

- H.A. Russell and Associates and the Government of Newfoundland relative the Bonavista Fish Meals and Oils Ltd.  
Notice of Question, 419

- What was the experimental fishing carried on in the schooner "Golden Glow" and the schooner "Zahm"  
Notice of Question, 419
- Who are the Directors of Bonavista Fish Meals & Oils Ltd.  
Notice of Question, 419
- How much monies have been paid out of the Treasury to date on account of the Walsh Fisheries Commission  
Notice of Question, 35
- Is it the intention of the government to set up similar commissions of inquiry in connection with forest development and farm development as intimated in the Speech from the Throne  
Notice of Question, 35
- Names of individuals or firms to whom loans have been made by the government for the encouragement of the fishing industry  
Notice of Question, 22
- Plan for, 937
- Total amount of damage caused to fishermen-owned property during the storms of the last fall in various settlements  
Notice of Question, 22, 69
- Total amount of damage caused to individual fishing settlements, showing numbers of fishermen affected  
Notice of Question, 22
- What amount of monies have been paid out on account of traveling expenses of said commission  
Notice of Question, 35
- What amounts have been paid to the various commissioners and other persons employed in carrying out the inquiry of the Walsh Commission into the fishery  
Notice of Question, 35
- What, if any arrangements have been made by Government to assist such fishermen to effect repairs or restore lost property  
Notice of Question, 22
- Gypsum Plant  
Complete report of finances to include revenues, earning, and expenditures, the number of men employed and the total amount paid out in wages by each industry  
Notice of Question, 26
- Give the total cost to the government to date of the cement plant, gypsum plant, and Newfoundland Hardwoods, to include advances on operational account  
Notice of Question, 26
- Has either of these plants been sold or leased, and if so, on what terms  
Notice of Question, 26
- Icelandic boats  
How many months was each of the said boats in the care of Messrs. Job & Company and tied up to Job's wharf  
Notice of Question, 35
- How much money was paid said company on account of the care of each said boat  
Notice of Question, 35
- Newfoundland and Labrador Corporation  
Complete report of the operations of the Crown Corporation covering its financial status as of February 15 1953, showing revenues and expenditures including salaries and fees paid out  
Notice of Question, 26
- Complete report of the operations of the Crown Corporation covering the complete correspondence relative to the resignations from this Crown Corporation of Sir William Stephenson  
Notice of Question, 26
- Complete report of the operations of the Crown Corporation covering the rights and leases granted by the said corporation together with the parties to whom rights and leases were transferred, and the conditions governing the disposal of said rights and leases  
Notice of Question, 26
- Did the holders of a majority of the then outstanding common shares by a separate vote at said last annual meeting elect a Director, and if so, provide the name and address of the director  
Notice of Question, 27
- Give a statement showing expenses incurred by the several directors on account of travelling and subsistence totalling \$5,551.64 as of December 31 1952  
Notice of Question, 106
- Give itemized account of \$9,879.61 listed as organization expenses  
Notice of Question, 106
- Give names of persons to whom \$6,001.97 was paid as professional fees and the amounts paid to each  
Notice of Question, 106
- Give the names and addresses of all holders of such common shares and the amount of money paid into the said corporation for said shares, and also the number of fully paid up shares held by each share holder

- Notice of Question, 26–27  
Give the names and addresses of all persons who now constitute the corporation
- Notice of Question, 26  
Given an itemized statement of travelling and subsistence expense on account of employees up to December 31 1952 totalling \$55,210.76; name the employees and amount of expenses for each employee for travelling and for subsistence
- Notice of Question, 106  
Has the corporation lent or advanced any monies to any person, firm, or corporation and if so, to whom and for what purpose
- Notice of Question, 27  
Has the corporation promoted any company or companies for the purpose of acquiring any of the rights or property of the corporation, and if so, give the names of such companies with particulars
- Notice of Question, 27  
Has the corporation sold, transferred, conveyed, or otherwise disposed of any of the rights granted to it in the incorporating act; if so, given particulars with names of transferees
- Notice of Question, 27  
Has there been any delegation of the powers which are listed under Section 17 of this Act to any Officer or Director of the corporation, and if so, to what extent
- Notice of Question, 27  
Have any additional shares, beyond one million shares, been issued, and if so, to whom and at what price, and the number of same to any such person
- Notice of Question, 27  
Have the present stockholders other than government consented to give up their special rights under the act
- Notice of Question, 106  
How much money has thus far been advanced by the government to new industries
- Industries  
Notice of Question, 26  
List salaries paid up to December 31 1952 totalling \$40,603.13, with amounts paid to individuals, naming said individuals
- Notice of Question, 106  
List surveys and reports made showing persons who made same, together with amounts paid in each case under these headings totalling \$21, 918.98 as listed profit and loss account
- Notice of Question, 106  
Table copy of the sub-concession to Newmount Mining Corporation; what agreements have been reached with the following companies: American Zinc, Lead & Smelting Co., and The John Fox Oil Interests
- Notice of Question, 106  
What are the specific rights conceded to the 10% private capital referred to in the report of the President and the Chairman of the Board of Directors
- Notice of Question, 106  
What is the total number of common shares now outstanding in the name of said corporation
- Notice of Question, 26  
To what party did the corporation pay office rent of \$3,749.98, and living quarters rent of \$3,494.50, up to December 31 1952
- Notice of Question, 106  
What percentage of the total of outstanding common shares of the corporation was held by the government at the time of the last annual meeting
- Notice of Question, 27  
What percentage of the total outstanding common shares of the corporation are held by the government
- Notice of Question, 27  
What, if any part of the government's ninety percent shares in the Crown Corporation of NALCO have been the subject of negotiations recently with financial and/or industrial interests
- Notice of Question, 26  
Newfoundland Asbestos Limited  
Has any minister entered into any supplementary agreements with the company under section 4 of the Newfoundland Asbestos Ltd. (Confirmation of Agreement) (Amendment) Act
- Notice of Question, 22  
If government has paid interest, on what dates and in what amounts
- Notice of Question, 22  
Whether government has been called upon to pay the interest on any loans or bonds
- Notice of Question, 22  
Newfoundland Hardwoods  
Complete report of finances to include revenues, earning, and expenditures, the number of men employed and the total amount paid out in wages by each industry
- Notice of Question, 26  
Give the total cost to the government to date of the cement plant, gypsum plant, and Newfoundland Hardwoods, to include advances on operational account
- Notice of Question, 26  
Has either of these plants been sold or leased, and if so, on what terms
- Notice of Question, 26  
When did it become a private company, 70

Newfoundland Tanneries, William Dorn Ltd.

Give reasons for obtaining a special warrant for a loan of \$8,000 to Newfoundland Tanneries-William Dorns Ltd. and state in what way grave damage to persons or property or to the interest of the Crown or the public world would have occurred unless the families of eight German workmen had been brought here, as certified by the Hon. Dr. Pottle, then acting Minister of Economic Development, 419

Give reasons for obtaining a special warrant for a loan of \$8,000 to Newfoundland Tanneries-William Dorns Ltd. and state in what way grave damage to persons or property or to the interest of the Crown or the public world would have occurred unless the families of eight German workmen had been brought here, as certified by the Hon. Dr. Pottle, then acting Minister of Economic Development

Notice of Question, 419

Have any guarantees of loans been made to the said company, 26

Notice of Question, 26

How many people are employed by this company, and how many of these are Newfoundlanders, 26

Notice of Question, 26

How much money has been advanced or loaned to the company, 25

Notice of Question, 25

What amount, if any, has been paid back to the government by way of interest on the following dates: December 31 1951, June 30 1952, and December 31 1952, 26

Notice of Question, 26

Northern Labrador Affairs

How many sawmills are in operation in Labrador for said Division and at what settlements were these sawmills established

Notice of Question, 285

Names of the foremen who are employed in connection with the Division of Northern Labrador Affairs at the various depots, together with the salaries and wages paid in each instance

Notice of Question, 285

Provide breakdown of the general operating expenses totalling \$32,069.46

Notice of Question, 285

Were any of these sawmills operated under contract, and if so, with whom, in each instance, and under what terms and conditions

Notice of Question, 285

What firm or firms supplied machinery for the Northern Labrador operation; list machines and prices paid for same

Notice of Question, 285

To what parties was paid the sum of \$3,359.18 as rental of depots

Notice of Question, 285

What was the total loss on operations of the division for the fiscal year 1952-1953

Notice of Question, 285

What was the total of lumber sawn by these mills and to whom was the lumber delivered and at what price per thousand

Notice of Question, 285

What were the terms of employment at the sawmills, and what were the prices paid to loggers in this sawmill enterprise

Notice of Question, 285

Oil hardening plant

Give details as to expenditures, by these firms, to whom any Government monies have been paid, and the present activities of the said plants

Notice of Question, 419-420

What is the exact position with regard to the oil hardening plant for which \$25,000 was advanced by special warrant dated October 31 1952

Notice of Question, 419

Public Tendering

How many tenders were let for the installation and the repair of plumbing and heating in the various public buildings and institutions in St. John's during the present fiscal year, who were the successful tenders, what was the nature of the work performed, and what amount was paid to each

Notice of Question, 285

Public Works

Table correspondence between minister's office and his federal counterpart regarding the ferry wharf at Portugal Cove

Notice of Question, 22

Whether any decisions have been arrived at by government relative to the repair of the ferry wharf at Portugal Cove, or the construction of a new wharf

Notice of Question, 22

Relief

Give the cost of able-bodied relief at the various posts in Labrador for the fiscal years 1949-1950; 1950-1951; 1951-1952; 1952-1953

Notice of Question, 462

Give the total cost of supplies issued by government or on government instructions to William Gillett, during the years 1950-1951; 1951-1952; 1952-1953

- Notice of Question, 462
- What amount, if any, is still owed to government on account of any such issues  
Notice of Question, 462
- Roads**
- Bonne Bay and Trout River**
- How much money has been spent on the construction of this road  
Notice of Question, 285
- Is the construction of this road complete  
Notice of Question, 285
- Total mileage of new road constructed between Bonne Bay and Trout River and who had the contract for the construction of this road  
Notice of Question, 285
- Who was responsible for the survey, which resulted in the present location of the road  
Notice of Question, 285
- Seigheim, Dr. Arthur**
- Has notice been given to Dr. Seigheim under section 7(3) of the agreement  
Notice of Question, 23
- Has the government yet cancelled the license to cut timber, and the permit to export which was to be procured to Dr. Arthur Seigheim over an area of 14000 square miles in Labrador  
Notice of Question, 23
- Has the timber controller of Canada given to Dr. Seigheim of Staffelstein, Bavaria any permission to export timber pursuant to Agreement between him and Her Majesty the Queen in right of Newfoundland  
Notice of Question, 23
- Have any monies been paid to the government by Dr. Seigheim as royalties as per Section 7(2) of the agreement  
Notice of Question, 23
- If no monies have been paid, does the government consider the agreement between it and Dr. Seigheim to be null and void  
Notice of Question, 23
- If the agreement is still current, what is the world market price for timber as determined by the Federal Institute for Forestry and timber economy of Reinbek near Hamburg  
Notice of Question, 23
- What address to which all notices may be sent was given the government by Dr. Seigheim  
Notice of Question, 23
- What proportion of the 200,000 cords allowed to be exported under this agreement was exported in 1952  
Notice of Question, 23
- Whether agreement entered into by the government with Dr. Seigheim of Staffelstein, Bavaria is still current

Budget (1952)

Statement showing actual amount of revenue collected through social security tax for the fiscal year 1952-1953, 748

Statement showing how the capital account expenditures for 1952-1953 amounting to \$11,450,600.00 were expended, showing various departmental headings, amounts advanced in the form of loans to various corporations, giving the names of the corporations to which such advances were made, 748

Statement showing the details of how much revenue was received from the federal

government in the form of subsidies, transitional grants, etc., 747–748

Statement showing under the various departmental headings how the revenue of \$34,848,300.00 was collected; also a statement showing how the Expenditures of \$28,538,900 were dispersed under the various departmental headings, 746

Statement showing what contingent liabilities amount to at the present time, not including Bowaters Paper Corporation, but including bank guarantees and other such obligations, 748

Budget (1953)

Provide statement showing what further advances are obliged under Legislative enactment to be disbursed during the present year, 748

Contingent Liabilities

Statement of contingent liabilities of the government as well as particulars of such liabilities, 97–98

Table the last available financial statement of the Bowater Paper Company for which government are guarantors of a substantial amount, 98

Loans

Statement showing any outstanding obligations of the government in respect to the financing of certain industrial developments undertaken through legislation which have not been fulfilled, 98–99

Statement showing the amount received for the ten million dollar loan raised last year, as well as any expenses incurred in the raising of such a loan; a statement as to the disposition of this loan and any balance that may be left to its credit at the present time, 98

Travel

Nature of travelling expenditures for Dr. Valdmanis since April 1 1952, and particulars pertaining thereto, 96

Particulars of travelling expenditures, 94–96

Total amount expended by each minister for travelling expenses from April 1 1952 to date, 94–96

Treasury

Provide statement showing the exact position of surplus account at the present time, giving details of any amounts liquidated and placed to the credit of this account, 59–60

Table statement showing amounts guaranteed by government to banks since April 1 1949, the names of the companies or individuals for whom such guarantees were made, and the amount of each guarantee, 101–102

Table statement showing outstanding amounts due to government by various corporations or individuals; which amounts were advanced by the Commission Government prior to April 1 1949; name of companies or individuals owing such amounts, 99–100

Total amount of cash estimated to fulfill the government's outstanding legislative obligations with respect to industrial development of new industries, which money will be required to meet such financial obligations during the fiscal year 1953-1954, 377

Total amount of cash to the credit of the Treasury in the bank at St. John's, as at February 28, 1953, 57

Total amount of cash to the credit of the treasury on deposit with the federal government at the present time, 57

Total amount of loans in cash due the Government at the present time, not including the Housing Corporation or Town Councils, but including all industries established through government assistance, 377, 422

Total amount of subsidies as well as the transitional grants collected from the federal government from April 1 1952 to date, 58

Total capital expenditure under the various departmental headings from April 1 1952 to February 28 1953, 59

Total obligations of the government in respect to Bank Guarantees for industrial or other purposes, 377, 422

Total ordinary expenditure on current account under the various departmental headings from April 1 1952 to February 28 1953, 58

Total ordinary revenue received or collected under the various departmental headings from April 1 1953 to February 28 1953, 57

For what purpose is the amount of £186-348-19-5 pounds shown in the Province of Newfoundland balance sheet for the year ending March 31st 1952 held by the Crown Agents for the Colonies in London; whether the amount is earmarked for any specific obligation; whether the Newfoundland Treasury is receiving any interest in this particular deposit, 377

#### **Fisheries**

Board of Liquor Control

Give the names of all licensees and the location of premises and registered owners of said premises

Answer, 190–196

- How many bottles of beer were sold by manufacturers' agents and reported to the board during the period April 1 1952 to February 28 1953, how many agents are there, and where are they located  
 Answer, 197, 373
- How many bottles of liquor, beer and wine was sold by the board during the period April 1 1952 to February 28 1953 inclusive  
 Answer, 196, 372
- How many bottles of liquor, beer and wine were sold by the Board of Liquor Control during the month of March 1953; also state the total amount paid into the Exchequer for the month, and the amount of cash on hand and in bank as at March 31 1953  
 Answer, 421, 450, 463
- How many hotel licenses to sell spirits have been issued  
 Answer, 190
- How many licenses to sell wine and/or beer are presently at issue  
 Answer deferred, 71  
 Answer, 190
- Table statement showing total number of bottles and/or gallons of liquor, beer and wine purchased by the board during the period April 1 1952 to February 28 1953, the cost of such liquor, beer and wine, from whom purchased, and also the quantity bought from each person or persons concerned  
 Answer, 197–202, 373–376
- What quantity of liquor, beer and wine in bottles and/or gallons was held in the retail stores and in bond by the board as at April 1 1952 and what was the cost of same  
 Answer, 196  
 Answer tabled, 284  
 Answer, 372
- What was the total amount of customs duties, excise duties and taxes paid by the Board to the Federal government during the period April 1 1952 to February 28 1953  
 Answer, 202, 377
- What was the total quantity of liquor, beer and wine held in the retail stores and in bond as at February 28th 1953, also state the total amount paid into the Exchequer during the present fiscal year and the amount of cash on hand as at February 28 1953  
 Answer, 202, 377
- Cement Plant  
 Total cost of cement plant constructed at Corner Brook  
 Answer, 60
- Total cost of machinery used in its construction  
 Answer deferred, 60
- From what company was the machinery purchased, and whether purchase was made from a middle party  
 Answer deferred, 60
- Whether cement plant has been sold to the Canadian Machinery company operating at the Octagon, and what were the terms of sale  
 Answer deferred, 60
- Consolidated Revenue Fund  
 A report on all cases since April 1 1949 in which the Comptroller of the Treasury declined to cause an issue of public monies out of the Consolidated Revenue Fund on the grounds that such an issuance was in excess of legislative authority  
 Answer deferred, 314  
 Answer, 422
- Total monies paid out from the Consolidated Revenue Fund for the present fiscal year under the various headings up to March 31 1953  
 Answer deferred, 421, 463
- Total revenue received to March 31st 1953 for the fiscal year 1952-1953 under the various headings and paid into the Consolidated Revenue Fund; monies received and the cost of the ten million dollar loan to be shown separately  
 Answer deferred, 421, 463
- Finance  
 Budget (1952)  
 Statement showing actual amount of revenue collected through social security tax for the fiscal year 1952-1953  
 Answer, 748
- Statement showing how the capital account expenditures for 1952-1953 amounting to \$11,450,600.00 were expended, showing various departmental headings, amounts advanced in the form of loans to various corporations, giving the names of the corporations to which such advances were made  
 Answer, 748
- Statement showing the details of how much revenue was received from the federal government in the form of subsidies, transitional grants, etc.  
 Answer, 747–748
- Statement showing under the various departmental headings how the revenue of \$34,848,300.00 was collected; also a statement showing how the Expenditures of \$28,538,900 were dispersed under the various departmental headings

- Answer, 746
- Statement showing what contingent liabilities amount to at the present time, not including Bowaters Paper Corporation, but including bank guarantees and other such obligations
- Answer, 748
- Budget (1953)
- Provide statement showing what further advances are obliged under Legislative enactment to be disbursed during the present year
- Answer, 748
- Contingent Liabilities
- Statement of contingent liabilities of the government as well as particulars of such liabilities
- Answer, 97–98
- Table the last available financial statement of the Bowater Paper Company for which government are guarantors of a substantial amount
- Answer deferred, 98
- Loans
- Statement showing any outstanding obligations of the government in respect to the financing of certain industrial developments undertaken through legislation which have not been fulfilled
- Answer, 98–99
- Statement showing the amount received for the ten million dollar loan raised last year, as well as any expenses incurred in the raising of such a loan; a statement as to the disposition of this loan and any balance that may be left to its credit
- Answer deferred, 57
- Answer, 98
- What, if any, temporary loans were effected by Government with: a) the Bank of Montreal; b) Newfoundland and Labrador Corporation Limited, c) Fisheries Development Loan Board, between the dates of January 1st 1952 and March 31 1953; give amounts of loans in each instance and date of loan, together with the rate of interest; give also date on which these respective loans were paid off
- Answer deferred, 314
- Travel
- Nature of travelling expenditures for Dr. Valdmanis since April 1 1952, and particulars pertaining thereto
- Answer, 96
- Particulars of travelling expenditures
- Answer, 94–96
- Total amount expended by each minister for travelling expenses from April 1 1952 to date
- Answer deferred, 57
- Answer, 94–96
- Treasury
- Provide statement showing the exact position of surplus account at the present time, giving details of any amounts liquidated and placed to the credit of this account
- Answer, 59–60
- Table statement showing amounts guaranteed by government to banks since April 1 1949, the names of the companies or individuals for whom such guarantees were made, and the amount of each guarantee
- Answer, 101–102
- Table statement showing outstanding amounts due to government by various corporations or individuals; which amounts were advanced by the Commission Government prior to April 1 1949; name of companies or individuals owing such amounts
- Deferred, 60
- Answer, 99–100
- Total amount of cash estimated to fulfill the government's outstanding legislative obligations with respect to industrial development of new industries, which money will be required to meet such financial obligations during the fiscal year 1953-1954
- Answer, 377
- Total amount of cash to the credit of the Treasury in the bank at St. John's, as at February 28, 1953
- Answer, 57
- Total amount of cash to the credit of the treasury on deposit with the federal government at the present time
- Answer, 57
- Total amount of loans in cash due the Government at the present time, not including the Housing Corporation or Town Councils, but including all industries established through government assistance
- Answer, 377, 422
- Total amount of subsidies as well as the transitional grants collected from the federal government from April 1 1952 to date
- Answer, 58
- Total capital expenditure under the various departmental headings from April 1 1952 to February 28 1953
- Answer, 59

- Total obligations of the government in respect to Bank Guarantees for industrial or other purposes  
Answer, 377, 422
- Total ordinary expenditure on current account under the various departmental headings from April 1 1952 to February 28 1953  
Answer, 58
- Total ordinary revenue received or collected under the various departmental headings from April 1 1953 to February 28 1953  
Answer, 57
- On what date were the proceeds of the ten million dollar loan raised in 1952 deposited to the credit of the Newfoundland Treasury; give the total of such amount; on what dates are the interest payments on this loan due each year and what is the annual interest on the loan as well as the annual sinking fund, 377
- For what purpose is the amount of £186-348-19-5 pounds shown in the Province of Newfoundland balance sheet for the year ending March 31st 1952 held by the Crown Agents for the Colonies in London; whether the amount is earmarked for any specific obligation; whether the Newfoundland Treasury is receiving any interest in this particular deposit  
Answer, 377
- Fisheries  
Andrews' (Labrador) Fisheries Ltd.  
What order was made on October 1 1951 relative to the repayment of \$160,000 loaned to this company  
Answer deferred, 449
- Names of individuals or firms to whom loans have been made by the government for the encouragement of the fishing industry  
Answer deferred, 61, 103
- Gypsum Plant  
Total cost of the gypsum plant at Corner Brook, and total cost of machinery and equipment used in the construction of the gypsum plant; whether machinery was purchased directly from the manufacturer  
Answer, 60
- When did the plant begin operations, and what amount of money has been advanced company for the purpose of working capital; provide statement showing the gross amount in dollars of the production of the plant  
Answer, 60
- Loans  
Inform the House how the proceeds of the ten million dollar loan raised during 1952 have been allocated; give the names of companies or individuals who have received advances or loans from this particular account and advise what balance remains to the credit of this particular ten million dollar loan  
Answer deferred, 422  
Answer, 377, 421-422
- Newfoundland and Labrador Corporation  
Inform the House if the \$500,000.00 bank guarantee given the Newfoundland Hardwoods Limited as reply to Question 10, Sec. 3 is in addition to the amount of \$806,634.70 given in answer to Question 10  
Answer, 203
- What is the total amount of cash advanced and guaranteed this company by the government  
Answer, 203
- Northern Labrador Affairs  
Names of the foremen who are employed in connection with the Division of Northern Labrador Affairs at the various depots, together with the salaries and wages paid in each instance

Committee, 115, 116, 117, 118, 119, 120, 122

**Atlantic Gypsum**

Give a statement showing the net loss on  
operations by said Company for the period  
October 1 1951 to August 31 1952, as  
shown by the Profit and Loss statement  
Answer deferred, 421

Give particulars regarding a shipment of 501 tons  
of plaster, shipped to Montreal on  
consignment on or about the seventh of  
July last year; to whom was it consigned  
and up to the present time, what are the  
total shipping and transportation charges  
and storage at Montreal  
Answer deferred, 421

Give the number of people employed at the main  
plant of the Atlantic Gypsum Ltd., showing  
nationality of each person, also the  
number employed at the Quarry with  
nationality of each individual employed  
Answer deferred, 421

Give total of salaries and wages paid in November  
1952; list total paid to Newfoundlanders  
and total paid to non-Newfoundland  
citizens during November 1952  
Answer deferred, 421

How does the said company account for a  
shipment of 5024 square feet of wallboard  
by C.N.R. car no. 2324, consigned to Mr.  
Edward Russell c/o Curran's Store, corner  
Roache's Line, Brigus, and free of charge  
together with all freight charges prepaid  
on the 26th of August 1952  
Answer, 421

How much money was paid in Directors' fees by  
said Atlantic Gypsum Ltd. between the  
dates October 1 1951 to August 31, 1952  
Answer, 420

How much, in Directors' fees or salaries, was paid  
to each individual Director during the same  
period  
Answer deferred, 421

Lay on the table of the House a copy of Auditor  
Doan's report for the period between  
October 1 1951 and August 31 1952  
Answer deferred, 421

Table the names of the Directors of the Atlantic  
Gypsum Ltd  
Answer, 420

What is the manufactured cost of the 501 tons  
shipment and to date how much of it has  
been sold and at what price  
Answer deferred, 421

What was the manufactured cost of this particular  
shipment, and how much was paid as  
freight on said shipment by the company  
Answer deferred, 420, 421

On whose authority was the salary of Ernest Leja  
with the Atlantic Gypsum Ltd. raised from  
\$250 per month to \$750 per month as  
from November 1 1952  
Answer deferred, 421

**Atlantic Hardboard Industries Limited**

Did the company import prefabricated buildings  
for the plant, and if so, what was the  
landed cost of same  
Answer, 127

Has construction of the building mentioned in  
Section 4(d) of the act been completed,  
and if so, what amount of money was  
advanced by government to said company  
on completion  
Answer, 127

Has said company repaid any portion of its  
government loan or government  
guaranteed loan  
Answer, 127–128

Has the government obtained in its favour from  
said company a first mortgage on all its  
assets  
Answer, 127

How many people are employed in this plant at  
the present time, and how much as been  
paid out in wages since January 1 1953  
Answer, 128

How much money was paid as interest on any  
loans advanced to said company on June  
30 1952 and December 31 1952, and how  
much money has been advanced to said  
company on said dates  
Answer, 127

Present value of all assets of the company in  
Newfoundland  
Answer deferred, 70, 127

What amount of insurance, if any, is made  
payable to the government on account of  
any loss or damage by fire and what  
insurance company has underwritten said  
loss or damage  
Answer, 126

What items of machinery listed in Schedule A of  
the act have been landed in Newfoundland  
for said company, and list cost of industrial  
items

- Answer, 127
- From whom did the said company acquire the land for the site of the plant for the Atlantic Hardboard Industries Limited
- Answer, 127
- Birch Plant**
- What amount of bank loans have been guaranteed said company by the government, 448–449

- How many people are employed by this company, and how many of these are Newfoundlanders  
 Answer deferred, 129
- How much money has been advanced or loaned to the company  
 Answer deferred, 70, 129
- Oil hardening plant  
 Give details as to expenditures, by these firms, to whom any Government monies have been paid, and the present activities of the said plants  
 Answer, 449
- What is the exact position with regard to the oil hardening plant for which \$25,000 was advanced by special warrant dated October 31 1952  
 Answer, 449
- Seigheim, Dr. Arthur  
 Has notice been given to Dr. Seigheim under section 7(3) of the agreement  
 Answer, 69
- Has the timber controller of Canada given to Dr. Seigheim of Staffelstein, Bavaria any permission to export timber pursuant to Agreement between him and Her Majesty the Queen in right of Newfoundland  
 Answer, 69
- Have any monies been paid to the government by Dr. Seigheim as royalties as per Section 7(2) of the agreement  
 Answer, 69
- If no monies have been paid, does the government consider the agreement between it and Dr. Seigheim to be null and void  
 Answer, 69
- If the agreement is still current, what is the world market price for timber as determined by the Federal Institute for Forestry and timber economy of Reinbek near Hamburg  
 Answer, 69

- What address to which all notices may be sent was given the government by Dr. Seigheim  
 Answer, 69
- What proportion of the 200,000 cords allowed to be exported under this agreement was exported in 1952  
 Answer, 69
- Whether agreement entered into by the government with Dr. Seigheim of Staffelstein, Bavaria is still current  
 Answer, 69
- Sennewald, Lothar**  
 Have any eyeglasses or eye glass frames of any other products yet been produced here by Dr. Sennewald  
 Answer, 71
- How many men and/or women are in his employ at the present time  
 Answer, 71
- How much money to date has been paid over to Dr. Sennewald under the agreement entered into with him by the government for the manufacture of eyeglass frames  
 Answer, 71
- Intercepted, 148
- Supply**  
 Give statement showing the amount of furnishings and equipment purchased for use in the new wing of the Mental Hospital for the years 1951-1952 and 1952-1953  
 Answer deferred, 67
- Terms of Union**  
 What progress, if any, has been made by the government in the matter of clarifying the Section of the Terms of Union with Canada relative to the payment of pensions of the railway employees by either Canadian National Railways or the federal government; inform the House of all discussions or negotiations held with the federal government relative to this matter  
 Answer, 286-287
- United Cotton Mills Limited**  
 Has all machinery for the make-up factory, weaving mill and spinning mill been delivered at St. John's, and at what dates were final deliveries made  
 Answer, 128
- Has government been called upon to pay any interest on any loans raised by the company, and if so, in what amounts  
 Answer, 70, 128
- How much money has been advanced by government to said company under the agreement to date  
 Answer deferred, 70  
 Answer tabled, 128
- How much money, by way of interest on loans, was paid to the government as of the following dates: December 31 1951, June 30 1952, and December 31 1952  
 Answer tabled, 128
- What security has been given by the company to the government for any loans or guarantees  
 Answer, 128
- At what stage of construction are the make-up factory, the weaving mill, and the spinning mill, and how many operatives are employed in each  
 Answer, 70, 70128
- What, if any amounts of said loans have been repaid to government  
 Answer, 128
- Valdmanis, Alfred**  
 Amount of salary being paid to Dr. Valdmanis, Chairman of the Newfoundland and Labrador Corporation Limited  
 Answer, 71
- Role in industry, 140  
 Salary of, 834
- Relief**  
 First petition to House was for relief in 1832, 935(6)
- Resolutions**  
 Monroe, Walter Stanley  
 Tributes—Moved, 28-30
- Seigheim, Dr. Arthur**  
 Has notice been given to Dr. Seigheim under section 7(3) of the agreement, 69
