Contracts

52.1(1) In sections 52.2 and 52.3, “contracts” in relation to any other province has the meaning assigned to it by the Act of that province under which insurers are licensed to carry on the business of insurance.

(2) This section and sections 52.2 and 52.3 are applicable notwithstanding that the insurer is or may become licensed in one province for classes of insurance different from those for which it is or may become licensed in another province.

*Sole deposit of
insurer in
province*

52.2(1) Where an insurer has its head office for Canada in the province and makes a deposit under this Act for the purposes of this section, by virtue of which the insurer will not be required to make a deposit in another province in which it is or may become licensed to undertake insurance, the following provisions have effect, and to the extent that they are inconsistent with any other provision of this Act prevail over that provision:

- (a) the amount of the deposit to be made and maintained by the insurer shall be fixed by order of the Lieutenant-Governor in Council and the order shall declare what provinces are reciprocating provinces with respect to that insurer’s deposit;

- (b) the deposit shall be held and administered as security *pari passu* for the Newfoundland contracts of the insurer and for its contracts in any reciprocating province;
- (c) the Minister shall, on the request of the official who issues or proposes to issue a licence to the insurer in another province, certify that the deposit is held in the manner provided by paragraph (b), and the superintendent shall forward the certificate to that official and a copy to the superintendent of insurance in each province;
- (d) where, with respect to the outstanding contracts of the insurer, it appears to the superintendent from the annual report of the insurer or any examination of the affairs of the insurer that a further deposit for the purposes of this section is necessary, or where it appears to the superintendent of insurance for another province in which the insurer is licensed from any annual report made to the superintendent by the insurer or any examination of the affairs of the insurer that a further deposit for the purposes of this section is necessary, and that superintendent requests the insurer to obtain a further deposit, the insurer shall forthwith deposit the further sum the Lieutenant- Governor in Council fixes;
- (e) if the insurer is a Canadian registered company authorized to carry on business in the province or another province and as a Canadian registered company makes a deposit under the *Canadian and British Insurance Companies Act* (Canada) or under the *Foreign Insurance Companies Act* (Canada), the Minister may, on the request of the insurer, deliver to the insurer or to transfer to the Minister of Finance for Canada the whole or part of the deposit under this Act as the Minister thinks fit, having regard to the extent to which the Canadian registered company is authorized to carry on business in Canada, and the superintendent forthwith shall give notice of the

*Exemption from
deposit*

52.3(1) Where an insurer has its head office for Canada in another province and there makes a deposit of the amount fixed by the proper authority in that province and where under the laws of that province the deposit is held as security *pari passu* for its Newfoundland contracts and its contracts in every reciprocating province, the Minister shall, on receipt of

- (a) a certified copy of an order of the lieutenant-governor in council of the province in which the deposit is made fixing the amount of the deposit and declaring that the province is a reciprocating province with respect to that insurer's deposit; and
- (b) the consent of the insurer to its deposit being so held,

exempt the insurer from the provisions of this Act requiring it to make and maintain a deposit.

Deposits in
other provinces

(2) Notwithstanding section 52.3, where the Minister has exempted an insurer under subsection (1) of section 52.3 and for any reason either at the time of the exemption or subsequently

- (a) the amount of the deposit that would be required for the insurer under section 26, in the absence of the exemption,

exceeds

- (b) the amount of the deposit fixed by the proper authority of the province in which the deposit is made,

the Minister may by notice require the insurer, within the time prescribed in the notice, to deposit with the Minister a deposit equal to the amount of the excess.

(3) A deposit made with the Minister under subsection (2) is subject to this Act to the same extent as if it were a deposit made pursuant to section 26.

Agreements to
use securities for
reinsurance

52.5 At any time before the granting of an order for the administration of a reciprocal deposit the superintendent of insurance of each reciprocating province may enter into an agreement to use all or any part of the securities deposited for the purpose of reinsuring all or any part of the risks of the insurer outstanding in all or any of those provinces.

Reciprocal
deposits

52.6(1) The Lieutenant-Governor in Council may, on being satisfied that any other province has enacted provisions identical with or substantially the same as sections 52.1 to 52.3, direct by order that those sections shall apply to that province, and may from time to time, by order, revoke or alter the order.
