Were tenders called for the work of repairing the House of Assembly, 478
- House of Assembly (Amdt.) Act (Bill 25)**  
Second reading, 393, 416–428, 429, 430–432, 435, 436–438, 439–443, 444, 445–451  
Second reading—Amendment—Moved, 451  
Second reading—Amendment—Debate, 464, 471, 473  
Committee, 541, 542, 543, 544–546, 551–552, 553–555, 556–557, 558, 559, 561, 562, 564–565, 569, 570, 576, 577, 578, 579,

580–581, 582–583, 602–603, 611–612,  
613–614, 616, 619

Amendment  
Moved, 565  
Debate, 565–566

Amendment (repeated)  
Moved, 567–568

Amendment  
Debate, 573

Amendment  
Moved, 594–597

Amendment  
Amendment—Moved, 599–601  
Third reading, 674–675, 676  
Amendment—Moved, 675  
Amendment—Debate, 676

**Industrial Development Loan (Amdt.) Act (Bill 4)**  
Second reading, 76–77  
Committee, 154–155

### **Transportation and Works**

Highways/roads  
Is it still the intention of government to continue work on a road from Port Blandford to Bunyan's Cove, and if so, when would that work commence  
Notice of question, 56  
Provide an itemized list showing all highroads machines or vehicles or property whatsoever of nature which have been sold, hired or loaned in the Grand Falls area by the Highroads Department; give types of machines, original cost, price received and the name of the person or companies to whom sold; also the terms of hiring or loaning in any such case  
Notice of question, 247  
Table a copy of all contracts let to J. Goodyear & Sons since the 1st of January 1952; state the amount of money paid out to date under each contract or agreement, showing what work has been performed to date under each said contract  
Notice of question, 248  
Who built the concrete highroads shed at Grand Falls and what was the total cost of same  
Notice of question, 247  
Will any delay be caused to the construction of the Trans-Canada Highway between Alexander Bay and Port Blandford by government's decision

to delay the granting of title to the federal government of that section for a national park

Notice of question, 56

### **Travelling expenses**

Table itemized account of all travelling expenses of the minister since March 31 1954, listing number of trips outside the province, showing dates of departure, number of days absent on each trip, places visited, purpose of said trips and total cost to province, and names of any Ministers, members, or officials who accompanied Minister

Notice of question, 36

Table report of recent trip of Minister to Jamaica stating reasons for said trip, name of those who accompanied minister, and total cost to province of said trip

Notice of question, 36

Table report of visit of Minister of Economic Development and other honourable members to the various European capitals during the summer of 1954, stating reasons for extended visit, names of who accompanied Minister on tours, and total cost to province of tours

Notice of question, 36

### **United Cotton Mills Ltd.**

Amount of fire insurance carried, name of underwriters, and name to whom policies are made payable

Notice of question, 39

Number of employees working in the plant, and the number of Newfoundlanders

Notice of question, 39

### **Valdmanis, Dr. Alfred**

Does Attorney General intend to proceed with trial on charge of unlawfully by falsehood defrauding the firm of Miag of monies in the amount of \$270,000 between August 1 1950 and October 31 1951, and if not, why not

Notice of question, 39

Table statements, in any were taken, of the following persons who received large sums of money from Dr. Valdmanis during his term as Director of Economic Development and as Chairman of NALCO: Samuel Zwecker of New York, Elja Lurje of New York, Ewald Zippman of Germany, and Valdis Mateus, once associated with St. Andrews Fisheries in New Brunswick; if no statements were taken, why not

Notice of question, 39

What civil actions, if any, have been instituted towards the recovery of monies for the two firms supposedly defrauded, and is it not a fact that these amounts had already been paid to the firms in

question by government under the heading of ex gratia awards

Notice of question, 39

Who were representatives of government who held talks with Valdmanis at the penitentiary just prior to the change of plea to that of "guilty" in the charge of unlawfully defrauding Benno Schilde of monies to the amount of \$200,000

Notice of question, 39

### **Quotations**

Aldred, Lord Tennyson, 723

Pratt, E.J., 3251

### **Railways**

In connection with the operation of the Rail-Car Ferry Service between Clarenville and Gander, what, if any amounts were charged to government for said service by the Canadian National Railway, 56

Is it correct that the facilities of the Rail-Car Ferry Service were denied the people of the Port Blandford and Alexander Bay, and if so, why, 56

### **Relief**

List of those by districts in receipt of sick relief in each month since February 1 1954, 37

Rates per person or per family of able-bodied assistance, 37

Statement showing the number of able-bodied families receiving relief since February 1 1954 by electoral districts, and the cost of same by districts, 37

Table a statement of expenditures under the heading Northern Labrador Affairs, and also of receipts, 37

Total number of families receiving able-bodied assistance for each month since February 1 1954, 37

### **Resignation of Minister**

Dr. Pottle announces resignation—Disagrees with government's policy of economic development, 1089

### **Resolutions**

Condolences to be forwarded to family of former Member Kenneth M. Brown

Seconded, 8

### **Royal Commission on Agriculture**

Adjournment of House to discuss report

Debate, 723–733

### **Royal Commission on Forestry**

Report

Response, 90–91

Discussion of, 488–495

### **Social Security Assessment Act (Bill 12)**

Second reading, 135, 136

Committee, 352

### **Speech from the Throne**

Debate, 19–22

Debate (Address in reply), 289–303, 322–331

Amendment (Non-confidence)

Debate, 161–168, 169–170, 171, 172–177,  
180, 181, 182, 183–185, 276, 277,  
278–279

### **Standing Orders**

S.O. 7

Suspension of rule for remainder of day  
Debate, 480

### **Summary Jurisdiction (Amdt.) Act (Bill 2 )**

Second reading, 48

### **Superior Rubber Company Limited**

Amount of fire insurance carried, name of  
underwriters, and name to whom policies  
are made payable, 39

Is it a fact consequent upon his arrest that an  
inspection of the company's books was  
ordered by the Premier, and if so, is  
minister satisfied with the report received,  
38

Number of employees working in the plant, and  
the number of Newfoundlanders, 39

Table copy of affidavit or certificate by Dr.  
Valdmanis relative to the eighty thousand  
dollars taken to Germany by Mr. Grube of  
the Superior Rubber Company, and for  
which he was arrested in February 1954,  
38

### **Supply**

Were tenders called for the purchase of provisions  
since March 41 1954 for the following  
institutions: General Hospital, Fever  
Hospital, the Hospital for Mental and  
Nervous Diseases, St. John's Sanatorium,  
the Gander Hospital, and all other  
hospitals and nursing stations under the  
government supervision, and if not, why  
not, and were the lowest tenders accepted  
in all cases, 91

What firms or individuals supplied the following  
items to the various institutions above-  
mentioned and to the Penitentiary, and  
what were the prices paid in each  
instance: eggs, ham, bacon, beef, pork,  
bread, butter, fish (salt and fresh or frozen)  
fowl; also drugs and dressings, 91, 229

### **Terra Nova Textiles Ltd.**

Amount of fire insurance carried, name of  
underwriters, and name to whom policies  
are made payable, 39

Number of employees working in the plant, and  
the number of Newfoundlanders, 39

### **Tourism**

Give the names of persons appointed to the  
Tourist Board or the Tourist Development  
Loan Board during the fiscal year 1954-  
1955; state date of appointment with  
salaries being paid, with name of position  
to which appointments have been made

Supplemental question, 1028

### **Transportation and Works**

Causeway

Construction of a causeway with a forty foot  
bridge be built to connect Marystown  
South to Marystown North, 402–403

### **Highways/roads**

Is it still the intention of government to continue  
work on a road from Port Blandford to  
Bunyan's Cove, and if so, when would  
that work commence, 56

Provide an itemized list showing all highroads  
machines or vehicles or property  
whatsoever of nature which have been  
sold, hired or loaned in the Grand Falls  
area by the Highroads Department;  
give types of machines, original cost,  
price received and the name of the  
person or companies to whom sold;  
also the terms of hiring or loaning in  
any such case, 247

Road link between Goose Cove and St.  
Anthony  
response, 362–363

Table a copy of all contracts let to J. Goodyear  
& Sons since the 1st of January 1952;  
state the amount of money paid out to  
date under each contract or agreement,  
showing what work has been  
performed to date under each said  
contract, 248

Who built the concrete highroads shed at  
Grand Falls and what was the total cost  
of same, 247

Will any delay be caused to the construction of  
the Trans-Canada Highway between  
Alexander Bay and Port Blandford by  
government's decision to delay the  
granting of title to the federal  
government of that section for a  
national park, 56

### **Travelling expenses**

Table itemized account of all travelling expenses  
of the minister since March 31 1954, listing  
number of trips outside the province,  
showing dates of departure, number of  
days absent on each trip, places visited,  
purpose of said trips and total cost to  
province, and names of any Ministers,  
members, or officials who accompanied  
Minister, 36

Table report of recent trip of Minister to Jamaica  
stating reasons for said trip, name of those  
who accompanied minister, and total cost  
to province of said trip, 36

Table report of visit of Minister of Economic  
Development and other honourable  
members to the various European capitals  
during the summer of 1954, stating  
reasons for extended visit, names of who  
accompanied Minister on tours, and total  
cost to province of tours, 36

### **Tributes**

Names of Member of the House of Assembly who are directors of companies financially assisted by government, companies owned by government, or companies whose bonds are guaranteed by government, stating the name of the company or companies of which said members are directors with the amount of salary payable to such member on account of his services  
Answer, 69-70

Was appointment of the Member for Green Bay as director any new companies authorized by government; if so, table a minute of council authorizing such appointment and outline duties Member was expected to perform; state whether Member has made report to government on his observations and if so, table copy of same; whether Member has been employed as auditor or in any other capacity for such expenses for which he received pecuniary compensation  
Answer, 522

## Loans

Total amount of money advanced or paid out to the under-mentioned companies since February 28 1954 and in each case give the total paid to each company since its incorporation in Newfoundland, either by way of loans or advances; in case of government guarantees, give total amount of money raised by each company under said guarantees

Answer, 367

Name the industries which were initiated or established as a result of recommendations by Dr. Valdmanis; when did Dr. Valdmanis cease to take an active role in the department

Answer, 821, 822

Table statement giving the names and positions and present salaries of persons employed in that department with the date of appointment, and titles or other qualifications of person so employed in the case of all those receiving \$3,000.00 or more annual salary

Answer, 821

Table statement showing travelling expenses of the present Director General of Economic Development with dates and length and cost of each trip since his appointment

Answer, 606–607

Who were the parties recommending Dr. Valdmanis to the Minister; whether any of these recommendations were in writing; table a copy of each recommendation which was in writing

Answer, 821

## Films

Statement showing number and titles of documentary films made for government by Atlantic Films and Electronics Ltd. since the first loan to the company

Answer, 250

What amount of interest to date has been paid by said company on account of said loans or advances

Answer, 367

What is the total indebtedness of company to the government by way of loans at the present time

Answer, 367

What number of people are being paid salaries by this company and how many of them are Newfoundlanders

Answer, 367

## Finance

Financial statements

Give statement showing amount of money to the credit of government as of April 1 1954 and February 28 1955 at the Bank of Montreal, with Crown agents, and with the Government of Canada

Answer, 700

Give total amount of revenue and expenditure from April 1 1954 to February 28 1955

Answer, 700

What amounts, if any, by way of temporary loans have been advanced to the credit of government by the Bank of Montreal since April 1 1954 and what amount, if any, is presently owing by government to said bank on account of temporary and other loans, providing dates

Answer, 700

## Loans

In case of tourist development loans, table copy of agreement, and state areas where development is to take place

Answer deferred, 700

Table complete list of government loans since April 1 1949, together with amounts and terms, and whether under headings of Fisheries, Economic Development, Industrial Development, Fisheries Development, Guaranteed Bank loans, or Tourist Development Loans; state date of loans, interest rate, name of person or corporation to whom loan was made; total amount of cash loans and total amount raised in the case of government guaranteed loans; state total amount of interest payments received by government on each loan and total amount of said interest refunded back to borrower in each case

Answer, 640–650, 965

## Fisheries

Andrews Labrador Fisheries Ltd.

What amount of money do they presently owe the government

Answer, 823–824

## Wharves

Has any progress been made in a fishermen's wharf or market in St. John's

Notice of question, 702

Has Steers Cove been ruled out as a site for a wharf or market in St. John's

Notice of question, 702

## Forestry

Paper mill

Name of Italian firm interested in establishing a paper mill; what stage

of agreement has been reached with government by this firm; what commitments, if any, have been made by government or the minister

Answer, 68–69

**Hanning Electric Co. Ltd.**

Amount of fire insurance carried, name of underwriters, and name to whom policies are made payable

Answer, 369

**International Basic Economy Corporation**

Provide copy of report made to government, commonly called the IBEC report

Answer, 69, 248

**Koch Shoes Ltd.**

Amount of fire insurance carried, name of underwriters, and name to whom policies are made payable

Answer, 370

**Newfoundland Hardwoods Ltd.**

Amount of fire insurance carried, name of underwriters, and name to whom policies are made payable

Answer, 369

**Newfoundland Royal Commission for the Preparation of the Case of the Government of Newfoundland for the Revision of the Financial Terms of Union**

What has been the cost of the Commission appointed to study the Newfoundland case; provide details of amounts extended in salaries or other remuneration; travelling expenses, other expenses with names of persons to whom salaries or other remuneration has been paid, with amount or amounts in each case

Answer, 92

**Newfoundland Tanneries (Wm Dorn) Ltd.**

Amount of fire insurance carried, name of underwriters, and name to whom policies are made payable

Answer, 369

**North Star Cement Co. Ltd.**

Amount of fire insurance carried, name of underwriters, and name to whom policies are made payable

Answer, 370

**Peat, Marwick, Mitchell & Co.**

On what basis has remuneration been paid to Hon. P.J. Lewis and Mr. Carl J. Goldberg and associates, and the firm of Peat, Marwick, Mitchell for their services to the committee preparing the Newfoundland case, and give details showing how accounts were calculated

Answer, 248

**Quebec-Newfoundland boundary**

Full report of any conversations held with Premier Duplessis relative to the boundary

Answer, 64

Was Mr. J. Paul Beaulieu, Quebec's Minister of Trade and Commerce present at these conversations

Answer, 64

What was the nature of the gentleman's agreement between the Premier and Premier Duplessis as reported in a recent statement by Mr. J. Paul Beaulieu to Mr. F. Burnham Gill and published in *The Daily News* of March 14 1955

Answer, 65

What, if anything, has been done to determine the exact location of the Newfoundland boundary as defined by the Privy Council decision of 1927

Answer, 37

**Superior Rubber Company Limited**

Amount of fire insurance carried, name of underwriters, and name to whom policies are made payable

Answer, 370

Had burst boiler been inspected by officials of the Dept. of Labour, and certified before going into operation, 701–702

**Terra Nova Textiles Ltd.**

Amount of fire insurance carried, name of underwriters, and name to whom policies are made payable

Answer, 371

**Questions**

**Architects**

How much has been paid to architects during the period January 1 1954 to March 31 1955, giving names of architects, amount or amounts paid to each and dates of payments with names of project for which payment has been made

Answer, 1025

**House of Assembly**

Repair work

Table statement showing in detail to whom the sum of \$8,300.00 was paid for supervision of the repairs to the House of Assembly, together with an explanation of the basis on which such payment was made, including rates and the nature of the duties and the length of time for which the supervision was exercised

Answer, 1024

Table statement showing separately the cost of scaffolding and general labour giving the number of people who were employed under this head with the rates at which they were paid and the amount they received

Answer, 1024–1025

**Mines and Resources**

Who are the contractors who are building the Buchans road and what amount of monies have been spent on this road to date; what has been the average cost per mile and give the number of miles built to date, with the number of miles of this road that remain to be built; is this road being built under firm contract, or on a cost plus arrangement; were tenders called

Deferred, 307

Answer, 526–527

**Railways**

In connection with the operation of the Rail-Car Ferry Service between Clarenville and Gander, what, if any amounts were charged to government for said service by the Canadian National Railway

Answer, 253

Is it correct that the facilities of the Rail-Car Ferry Service were denied the people of the Port Blandford and Alexander Bay, and if so, why

Answer, 253

**Transportation and Works**

Ferries

When will ferry service between Portugal Cove and Bell Island be in operation

Answer, 701

#### Highways/roads

Is it still the intention of government to continue work on a road from Port Blandford to Bunyan's Cove, and if so, when would that work commence

Answer, 254

Provide an itemized list showing all highroads machines or vehicles or property whatsoever of nature which have been sold, hired or loaned in the Grand Falls area by the Highroads Department; give types of machines, original cost, price received and the name of the person or companies to whom sold; also the terms of hiring or loaning in any such case

Answer, 528-535

Table the names of all contractors or contracting companies with whom contracts were made for the building of roads and bridges or other construction work during the fiscal year 1954-1955, together with description of the nature of the work to be done and the cost of same; if tenders were called for in any case, give names of parties tendering and the amount at which they tendered; in whose presence are tenders opened; what amount of work has been done on each contract and how much has been paid for same

Answer, 536-539

Who built the concrete highroads shed at Grand Falls and what was the total cost of same

Answer, 527

Will any delay be caused to the construction of the Trans-Canada Highway between Alexander Bay and Port Blandford by government's decision to delay the granting of title to the federal government of that section for a national park

Answer, 254

#### Infrastructure

Were tenders called for the work of repairing the House of Assembly

Answer, 610

#### Railways

In connection with the operation of the Rail-Car Ferry Service between Clarenville and Gander, what, if any amounts were charged to government for said service by the Canadian National Railway, 253

Is it correct that the facilities of the Rail-Car Ferry Service were denied the people of the Port

Blandford and Alexander Bay, and if so, why, 253
